43rd Induction and Turn-over Ceremonies

July 15, 2021 was a memorable event for the club, as we celebrated the 43rd Induction and Turn-over ceremonies via Zoom.

It marked a grand ending of a challenging yet fruitful year of Transforming President Mary Ann Soria, and a hopeful start of Archt. Jonathan Zabate as the Life Changing President for Rotary Year 2021-2022.

Among the distinguished guests were IPDG Rodel Riezl Reyes (Transforming Governor, District 3860), who did the Charging of President Jonathan, DG Ana Louisa Bumagat (Life Changing Governor, District 3860), who performed the Induction of President Jonathan, AG Maricel Borromeo Amores (Assistant Governor Area 1B), who charged the new sets of offices, and PDG Philip Tan (Champion Governor, District 3860), who inducted the new sets of officers.

Delivering the inspirational message was Rev. Fr. Jun Paradiang, SDB, who is a good friend of Pres. Jonathan.

As this year the world is still under pandemic, to deliver our projects and programs to the community while staying safe and avoiding the virus is still a challenge. Yet, we stay true to our calling and march on. As President Jonathan has said during his acceptance speech,

"As a Rotarian, our job is not to shape ourselves into some ideal we imagine we ought to be, but to find out who we already are and become it."

"Together we shall boldly go into a new adventure or where no one has ever gone before. As Captain James Tyberius Kirk of Starship Enterprise would say, "Buckle Up!" Warp speed."
