ROTARY HYMN

I want to be a Rotarian for the world
Make the Rotary flag as the flag of peace unfurled
I shall serve, my community, help achieve universal unity.

Through Rotary, I shall dedicate my all
World understanding shall be my cherished goal

With the 4-way test, I'll pursue my quest
And if I, in a way help obtain
Peace in the world, I shall not have lived in vain

I observe service above self
Lend a hand to all who need my help
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family

With the four way test, we'll pursue our quest
And if we, in a way help obtain
Peace in the world, we shall not have lived in vain.

Build a bridge for tomorrow's youth
Strengthened by nothing but the truth

Let's join our hands, there's no reason we'll divide
We shall all understand why the good Lord is our guide

With the four way test, I'll pursue my quest
And if I, in a way help obtain
Peace in the world I shall not have lived in vain

Peace be achieved, we shall have not lived
in vain.

Secretary's Time

Fellow Rotarians,

As we close the first quarter of RY 2025-2026, we celebrate a season of growth, service and impact. Our club recorded a membership growth of 10.35% with the induction of new members, strengthening our fellowship and service capacity.

We also take pride in **having fully settled all our financial obligations to District 3860 and Rotary International for the first semester** - a testament to our commitment and good governance..

On service, we signed the, **MOA for the CanCare Scholarship Program**, held an Empower 360 awareness session in Balamban, continued our **Dengue Warrior initiative** in Brgy. Carreta and extended service to **South Cotabato**, where we reached the Blaan Tribe and local schools through literacy, health care and community support. We also successfully hosted the **Area1 Coordination meeting**, welcomed the **Governor's visit** and inducted **3 new rotarians** into our club.

Looking forward, October brings us new opportunities to serve:

Rotary October Bulletin

October 01, 2025

As we continue this Rotary Year, let us remember that our work is not measured only by the funds we raise or projects we complete, but by the relationships we build, lives we touch and the hope we bring to those we serve.

Community service defines who we are as Rotarians. Every initiative—whether it is a health project, scholarship or a livelihood program—reflects our commitment to “Service Above Self”. But community service is more than just giving resources; true service means being present, listening to people’s stories and understanding their needs. When we are physically present—turning over a donation and sharing a meal with beneficiaries, we make service personal. And when service becomes personal, it becomes transformational. A small act of kindness can spark a chain of goodwill. A single project can inspire partnerships and collaborations that reach even further. The impact does not end with the beneficiaries; it also changes us. We grow in empathy, gratitude and humility.

We have been actively engaged with the communities in our ongoing service projects and I thank those who have consistently joined us from the start of our Rotary Year in the barangays of Pasil and Ermita, the communities in Alegria and Balamban, Barangay Carreta and recently, in the mountain barangay of General Santos City. The shared smiles, stories and heartfelt gratitude from the beneficiaries always leave me with a full and joyful heart.

Light in the Shadows: Combating Corruption with the Four-Way Test

By: **Rtn. Rev. Fr. Alwen Jimenez**
Diocese of San Carlos

As a priest and a proud member of Rotary, I am deeply concerned about the issue of corruption in the Philippines. This problem not only affects our country's growth but also hurts the values we cherish. In our quest for good governance and strong leadership, the Rotary Four-Way Test is a helpful guide to help us reflect on our actions and make better choices.

The Four-Way Test asks us to consider: Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all involved? These questions challenge us to look beyond ourselves and recognize the impact of our choices on the broader community. This moral compass is especially important in a nation where corruption can lead to the diversion of resources meant for the most vulnerable among us.

In moments like these, I am reminded of Proverbs 11:1, which states, "The Lord detests dishonest scales, but accurate weights find favor with him." This scripture passage calls us to accountability in all our dealings, urging us to uphold honesty and fairness in every aspect of our lives. As Rotarians, we have the opportunity to embody these principles, fostering an environment of trust and collaboration.

Additionally, Micah 6:8 in the Old Testament tells us, "He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God." This wisdom calls us to be fair and kind as we work against corruption. Let us join together as Rotarians, motivated by our commitment to service, to inspire a new level of ethical leadership in the Philippines.

Let us uphold the values of the Four-Way Test and the teachings from scripture, working hard to create a society where honesty and fairness shine, and corruption fades away. We can be the change our nation needs.

SERVICE ABOVE SELF AMIDST CORRUPTION IN FLOOD CONTROL PROJECTS

By: **Atty. Evelyn Trani - Nuñez**
President, RCMC

Once again, our country faces painful truths. Floods continue to devastate communities, destroying homes, livelihoods and even loves. Government has poured billions into flood control projects—projects that should have been our shield against

disaster, turned into monuments of greed. We are confronted with a deluge of information of corruption, overpricing, substandard construction and ghost projects amid reports of ill -gotten wealth by private businessmen and government officials alike.

There is a growing clamour for justice. We demand not only accountability for those who betrayed public trust but also the forfeiture of ill-gotten wealth – must be returned to where it truly belongs—back to the people. Justice is more than punishment. It is about restoration: restoring trust in institutions, restoring dignity to communities and restoring hope for the next generation.

What, then is the role of Rotary?

We are not politicians. We are not prosecutors. But as civic leaders, we are people of action, people of conscience, and people of service. We can make a difference by: advocating for transparency and promote clean governance. We can call for open bidding processes, independent audits, and citizen monitoring in public works.

With greater resolve, we continue empowering communities with disaster preparedness training, environmental stewardship and civic education. When citizens know their rights and responsibilities, they can hold leaders accountable.

*Member's Insight Corner is a special section for RCMC members to express their thoughts on service, leadership, fellowship or any information relevant to their classification. If every public project is guided by our FOUR WAY TEST, corruption will not thrive. Let us lead by example in our own projects—transparent, accountable and always for the greater good.

We must remain vigilant; support programs along with the government and private sectors and civic groups, that uplift people while exposing those tainted by corruption.

Floodwaters know no boundaries. They submerge rich and poor, powerful and powerless alike. But corruption in flood control projects deepens inequality. It is always the poor, the powerless, the voiceless who suffer the most.

As Rotarians, we are called to be more than bystanders. We must be advocates for truth, protectors of fairness, builders of goodwill, and agents of benefit for all. Let us stand with our people's demand for justice, for the recovery of stolen wealth, and for a future where public funds are truly for the public good.

Let us live out our Rotary Motto: SERVICE ABOVE SELF.

Because in the end, CORRUPTION THRIVES IN SILENCE, but it WEAKENS WHEN GOOD PEOPLE SPEAK OUT, ACT TOGETHER, AND SERVE WITH INTEGRITY.

May ROTARY continue to be a beacon of hope in our nation.

EMPOWER360: Health Care Center Renovation, Dental Kit Distribution, ANTI-VAWC Law Awareness, Legal Consultation and Financial Literacy – BRGY. LAM-APOS, BANGA, SOUTH COTABATO (18-19 SEPT. 2025)

The Rotary Club of Metro Cebu trekked the mountains of South Cotabato to reach and serve the B'laan Tribe, one of the indigenous cultural minorities. The trek towards the village took more than 3 hours in muddy and rocky slopes. What seemed like an impossible journey became a testimony of service beyond comfort zones.
