- ④ The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN'S PLEDGE:

I am a Rotarian
I will always uphold the **TRUTH**.

ROTARY HYMN

I want to be a Rotarian for the world
Make the Rotary flag as the flag of peace unfurled
I shall serve, my community, help achieve universal unity.

Through Rotary, I shall dedicate my all
World understanding shall be my cherished goal

With the 4-way test, I'll pursue my quest
And if I, in a way help obtain
Peace in the world, I shall not have lived in vain

I observe service above self
Lend a hand to all who need my help
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family

With the four way test, we'll pursue our quest
And if we, in a way help obtain
Peace in the world, we shall not have lived in vain.

Build a bridge for tomorrow's youth
Strengthened by nothing but the truth

Let's join our hands, there's no reason we'll divide
We shall all understand why the good Lord is our guide

With the four way test, I'll pursue my quest
And if I, in a way help obtain
Peace in the world I shall not have lived in vain

Peace be achieved, we shall have not lived
in vain.

Secretary's Time

Fellow Rotarians,

The month of October opened with a test of resilience and unity following the 6.9-magnitude earthquake on September 30, which resulted in the Bogo Bay Fault. In response, our Rotaractors swiftly launched Project RISE, raising over ₱200,000 in donations and

successfully completing Run 1 and Run 2 relief operations, reaching a total of 1,570 affected families in Northern Cebu.

Building on this momentum, RCMC is now in the planning and fundraising phase for Project Gitlib 2.0: Rebuilding Northern Cebu, our long-term response focused on home reconstruction and community recovery.

On October 18, RCMC successfully participated the Area 1 Coordination Meeting, featuring PAG/PP Wyben Briones as guest speaker who shared insightful perspectives on The Role of Rotary in Disaster Response. Simultaneously, we conducted a Hands-On CPR Training at ACE Medical Center, training 23 participants on life-saving techniques.

In observance of World Polio Day, the club joined the district-wide “Patak Polio” campaign on October 29, in partnership with Barangay Carreta and the Cebu City Health Office, where 15 infants were successfully immunized — another milestone in Rotary’s global mission to End Polio Now.

Our pride also goes to Rotaractor Chrisnel Caipang of RAC Metro Cebu - CIT University Chapter, who brought honor to the district by winning 1st Runner-Up in the national Speech Quest 2025, a competition joined by 101 Rotaractors from across 10 districts nationwide.

Looking ahead, we are preparing to host the District Interact Leadership Camp on November 8, 2025, at Sacred Heart School - Ateneo de Cebu. I highly encourage everyone's attendance and support. We are also seeking sponsors for the registration fees of our five newly elected officers of the soon-to-be chartered Interact Club of Metro Cebu - CIT University Chapter, who recently completed their Basic Orientation Seminar.

Indeed, October has been a month of service, compassion, and action—proving that RCMC continues to rise above challenges with steadfast commitment to our motto, Service Above Self.

Rotary October Bulletin

November 5, 2025

November is the month of gratitude—a time to pause, reflect and give thanks for the blessings, friendships, and opportunities that Rotary has brought into our lives.

This month, Rotary International highlights The Rotary Foundation, a time for all Rotarians to reflect and renew our commitment to “Doing Good in the World”.

The Rotary Foundation (TRF) is the heart of Rotary’s mission, transforming our collective generosity into life-changing projects that promote peace, fight disease, provide clean water, support education, and grow local economies. As we celebrate this month, let us remember that every contribution, no matter the size, fuels hope and transforms lives. May we continue to give with purpose and serve with compassion, ensuring that the light of Rotary shines brighter in the communities we touch.

As we move deeper into the Rotary year, I am filled with appreciation for each member’s dedication and quiet acts of service that continue to make a difference in our community. I wish to thank our members who had participated in our activities for the month of October:

- The Virtual Pink Perspective in celebration of the Breast Cancer Awareness Month
- The Patak Polio at Barangay Carreta in celebration of World Polio Day and
- The Basic Life Support Training for the Youth at Ace Medical Center.

My appreciation too, to our members who are involved in our ongoing GITLIB 2025 project for the earthquake Victims in Northern Cebu.

And, as we are approaching as well, the season of joy and giving, may we also renew our spirit of service and fellowship and inspire others to join us in doing good in the world. Whether it's through hands-on projects, professional expertise, or simple gestures of kindness, every effort you make contributes to our collective impact and brings the Rotary ideal of "Service Above Self" to life.

Francesco Arezzo
President 2025-26

This November, as we celebrate The Rotary Foundation, I invite you to consider not only what we give but why we give. The Foundation is more than a fund for projects. It is the beating heart of our promise that service, rooted in trust and friendship, can create lasting change.

Our Action Plan calls us to increase our impact, and the Foundation is how we make this vision real. Since 1988, Rotary and our partners have immunized nearly 3 billion children against polio. We have committed more than \$2.6 billion to this cause, and last year alone we directed \$146 million toward the final push for eradication. These numbers are significant, but the true impact is not in statistics — it is in the lives of children who will never again fear polio. It is in the hope restored to families and the peace built in communities once defined by disease.

But polio is only one story among many. Each year, Rotary Peace Centers train new generations of leaders who will transform conflict into dialogue and division into understanding. In 2023-24, nearly 100 new fellows began their studies, continuing a legacy of more than 1,800 peacebuilders from over 140 countries. When we invest in them, we are planting seeds of peace that will bear fruit for decades to come.

The Foundation also touches lives through district and global grants, supporting projects large and small. A clean water well for a rural community, scholarships for young professionals, medical care in the wake of disaster — these are not temporary gestures, but steps toward dignity, resilience, and opportunity. This is how Rotary service becomes lasting impact. And when natural disasters strike, our Foundation allows Rotary to act quickly with disaster response grants.

Our Foundation is not about what we can do alone but what we can do together. Each contribution, no matter its size, joins with others to create a collective act of faith in humanity and in the future.

The last mile of any great journey is always the hardest. We see this in our final steps toward ending polio, in our work for peace, and in every project that seeks to lift people out of despair. Yet every time we give, we declare that our work will continue regardless of the challenge.

This November, let us give with gratitude, with joy, and with hope. Through our Foundation, we *Unite for Good*, and in doing so, we leave behind not only projects but a legacy of peace, trust, and Service Above Self.

Member's Insight Corner*

A JOURNEY OF FAITH, GROWTH, PURPOSE AND SERVICE

By: **Atty. Evelyn Trani - Nuñez**
President, RCMC

My recent travels through Rome, Milan, San Marino and Monaco were more than just a series of destinations—they became meaningful journey that intertwined faith, fellowship and service.

This trip was anchored in a pilgrimage to the Holy doors during this Jubilee Year – a spiritual experience that invited reflection, renewal, and gratitude. Passing through those sacred doors symbolized not just personal devotion, but also a recommitment to serve others with compassion and humility.

Alongside this pilgrimage, I had the privilege to participate in the “Sama sa Roma” Conference, where communities of faith gathered to celebrate unity, culture and purpose. It was inspiring to witness how shared values can transcend borders and bring people together in understanding and peace.

One of the highlights of my journey was delivering a talk on “Rotary as a Service Ecosystem” during the SRG 7 Pillar Capacity-Building Bootcamp. In this session, I discussed how Rotary’s strength lies in its interconnected network of people of action—an ecosystem that empowers collaboration, nurtures leadership and transforms local initiatives into lasting global impact.

From moments of silent prayer in Rome to engaging discussions with Rotarians and community leaders, this journey reaffirmed timeless truth: faith and service are not separate paths—they walk hand in hand. Both call us to look beyond ourselves, to act with purpose, and to make a difference wherever we are.

As Rotarians, we are reminded that every act of kindness, every project, and every partnership is a reflection of a shared commitment to “Service Above Self”. This journey renewed my hope that through Rotary’s mission – anchored in peace, compassion, and action—we can continue to connect hearts, transforms lives and make a difference in the world.

*Member's Insight Corner is a special section for RCMC members to express their thoughts on service, leadership, fellowship or any information relevant to their classification. Through this sharing, RCMC hopes to foster openness, understanding and respect and a better relationship towards each member, and the community we serve.
