- ④ The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN'S PLEDGE:

I am a Rotarian

ROTARY HYMN

I want to be a Rotarian for the world
Make the Rotary flag as the flag of peace unfurled
I shall serve, my community, help achieve universal unity.

Through Rotary, I shall dedicate my all
World understanding shall be my cherished goal

With the 4-way test, I'll pursue my quest
And if I, in a way help obtain
Peace in the world, I shall not have lived in vain

I observe service above self
Lend a hand to all who need my help
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family

With the four way test, we'll pursue our quest
And if we, in a way help obtain
Peace in the world, we shall not have lived in vain.

Build a bridge for tomorrow's youth
Strengthened by nothing but the truth

Let's join our hands, there's no reason we'll divide
We shall all understand why the good Lord is our guide

With the four way test, I'll pursue my quest
And if I, in a way help obtain
Peace in the world I shall not have lived in vain

Peace be achieved, we shall have not lived
in vain.

Final Regular Meeting of 2025 – Year-End Message

Good day fellow Rotarians.

As we gather today for our last regular meeting of 2025, I am filled with gratitude and admiration for what our club has accomplished in just the first six months of Rotary Year 2025–2026. It has been a period marked by dedication, resilience, and

meaningful service—proof that when Rotarians come together with purpose, transformation follows.

From July to December, our club has demonstrated unwavering commitment across Rotary's areas of focus:

- We started strong with our participation in Unang Lakang, our club Induction, and the orientation of our Caregiving Skills Training & Scholarship Program in Alegria.
- In August, we launched one of our flagship undertakings—EMPOWER 360: NEWS Dengue Eradication Program in Brgy. Carreta, igniting a sustained community health effort.
- We strengthened youth engagement through Interact and Rotaract inductions, leadership talks, and support for their events.
- We upheld Rotary's commitment to Basic Education and Literacy, Peacebuilding, and Community Development through Empower 360 lectures, hospital partnerships, MOA signings, and sisterhood agreements.
- Our service also reached communities beyond Cebu—through health center renovations, dental care initiatives, legal clinics, and educational talks in South Cotabato.
- The last quarter tested our hearts and our capacity to serve, as calamities struck our province. Through Project REACH, our members braved difficult terrains and long hours to deliver relief in Talisay and Liloan.

- And just last week, we witnessed the profound impact of Rotary's compassion through Project Gitlib 2.0, helping families in Balamban rebuild their homes and restore dignity after Typhoon Tino.
- We closed this month with joy through our Christmas outreach at Balay Samaritano and a meaningful fellowship and club election.

Each project, each meeting, and each representation tells the same story: RCMC shows up—consistently, compassionately, and with excellence.

I also extend heartfelt congratulations to our newly elected President Nominee, who will carry forward the legacy of service in the coming years. Your election affirms the confidence and trust of the club, and we eagerly look forward to your leadership journey.

To all our officers and members—thank you for your passion, your time, and your generosity. Whether you served in the field, shared your expertise, contributed financially, or simply remained present, you helped make this half-year a strong testament to what Rotary can achieve.

As we look forward to 2026, we already have a full slate of impactful activities—mental health talks, VAWC awareness sessions, continuing dengue eradication work, professional development seminars, project assessments, our annual audit, and preparations for Taiwan Rotary Convention and DisCon. We also remain committed to completing our rebuilding initiatives for the earthquake victims before May 2026.

Let us continue carrying the spirit of Service Above Self, with renewed energy and deeper purpose.

Thank you, RCMC family, for making 2025 a year of heartfelt service and remarkable impact.

Padayon and may we welcome the new year with hope and determination.

Rotary December Bulletin

December 10, 2025

Dear Fellow Rotarians,

As we welcome December, a season of gratitude, reflection and renewed hope, I am pleased to extend my appreciation for the steadfast service and dedication demonstrated by the Rotary Club of Metro Cebu throughout the past months. We reflect with gratitude on the service and solidarity shown by our members throughout the year.

From July of this year up to the end of December, we have undertaken several projects, activities, supported our Rotaract and Interact clubs as well as the district activities.

This month is particularly meaningful as we continue to respond to the needs of our communities. We highlighted our commitment to timely humanitarian action through our medical and humanitarian relief operations in Talisay, Liloan and other parts of Cebu for the flood victims of typhoon Tino, alongside our continuing efforts for the rehabilitation of the damaged houses of the earthquake victims last September 30, 2025.

As we conclude the calendar year, I also encourage all members to support our continuing advocacy for The Rotary Foundation (TRF) through meaningful TRF contributions. Our collective giving ensures that Rotary's programs in health, education, peace and community development remain strong and impactful not only in the Philippines but around the world.

We also look forward to our Christmas Fellowship, a cherished tradition celebrated with the kids at Balay Samaritano and with our club, affirming the strength of our bonds and spirit of unity within our club. May this celebration remind us too, that fellowship is the heart of rotary, and that our shared purpose is made stronger when we stand together.

Francesco Arezzo
President 2025-26

This month's special issue of Rotary magazine is all about happiness, that most elemental of human yearnings. More than a feeling, though, this state of positive well-being, and the conditions necessary to create and sustain it, should be considered a universal right.

December also marks Rotary's Disease Prevention and Treatment Month, when we highlight our members' work to promote health and wellness, including mental wellness. Globally, nearly 1 in 7 people have a mental health disorder, according to a recent World Health Organization report. Yet only 9 percent of people with depression receive adequate treatment.

We are fortunate in Rotary to have a powerful way to support emotional well-being and happiness: friendship. The connections we build in Rotary can be a powerful force for change. I know this from personal experience.

When my fellow members first proposed that I become club president, I demurred. I had a stutter. I was terrified of speaking. But having club members who supported me and surrounded me with affection enabled me to face my fear, and I found a way to stand confidently before a crowd.

Today, I regularly address audiences — some numbering in the thousands — in a language that is not native to me. The Rotary members in my life helped me create lasting change within myself.

That fellowship gives us the courage and means to create lasting change in the world as well, and mental health services are in desperate need of improvement. The WHO reports that governments on average devote only 2 percent of their health budgets to mental health, and only 11 percent of that funding reaches community-based services.

In some countries, only one trained mental health professional is available for every 100,000 people. The WHO has called for strategic and urgent action to close the gap.

Rotary can answer that call by championing mental health awareness in our clubs, working with local health systems, funding training for community health workers, and supporting initiatives that bring care to places where none exists. Even small investments in mental health yield enormous returns in productivity, public health, and happiness.

While we are creating lasting change in the world, we cannot forget to take care of each other. Past RI President Gordon McNally wisely reminds us that we must go beyond asking, “How are you?” We owe it to each other to instead ask, “How are you *really*?”

As we transition to a new year filled with new possibilities, let us *Unite for Good* — for healing, friendship, and access to happiness.

Member's Insight Corner*

Finding Hope This Christmas

By: Rtn. Rev. Fr. Alwen Jimenez
Diocese of San Carlos

As we approach the joyous celebration of Christmas, we reflect on the significance of this season, especially in the context of the recent calamities that have affected many of our fellow Filipinos in Cebu and Negros. The earthquakes and typhoons have left countless families homeless, facing the aftermath of nature's wrath. In times like these, we must turn our hearts and minds to the humble beginnings of our Savior, Jesus Christ, who was born into a world of trials and tribulations, much like the reality faced by so many today.

The nativity scene, with its simple manger, symbolizes not only the birth of Jesus but the essence of hope amidst despair. Jesus, who came into this world in a setting lacking comfort and security, stands in solidarity with those who suffer. This Christmas, as we reflect on the meaning of "Immanuel" – God with us – we recognize that He walks alongside us in our struggles. His birth, though surrounded by adversity, brought forth grace, love, and hope. It teaches us that even in our darkest moment, light can emerge.

As a community, we are called to respond to the needs of our brothers and sisters who are enduring hardship. The bayanihan spirit, intrinsic to our Filipino identity, urges us to lift one another up. This is a time for us to extend our hands and hearts, offering not just material assistance but also spiritual support. By upholding the principle of "service above self," we can help rebuild lives and restore hope. In doing so, we honor the teachings of Jesus, who showed us that love is an action, a commitment to serve those in need.

While the challenges we face may seem disheartening, we must not forget that God is bigger than any storm that may come our way. Our faith must be our anchor, grounding us in the belief that we can rise above the trials that test us. We strive to be the hands and feet of Jesus, sharing His love and light during this season of giving.

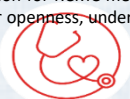

As we gather with our families, friends and communities this Christmas, we should take time to remember those who are suffering. May our celebrations be filled with gratitude for what we have and a commitment to share our blessings with others. We can be the source of hope and strength, inspired by the humble birth of our Savior—a truth that from adversity can come new beginnings.

Wishing you all a blessed Christmas filled with faith, hope and love.
