# RI President's Message

## HOLGER KNAACK

Rotary International President

RY 2020-2021

As someone who knows firsthand the great leadership potential of Rotaractors, I always look forward to World Rotaract Week, which we are celebrating from 8 to 14 March. Rotaractors are the focus of all three of my presidential conferences this year, and I was proud when, two years ago, the Council on Legislation voted to elevate Rotaract by including Rotaract clubs as members of Rotary International. Before that, the Council had already made dual membership possible, and shortly after, the Board of Directors decided to do away with Rotaract's age limits.

But we are only just embarking on our journey together. Partnering effectively doesn't happen by itself. It requires both sides to be open and to understand the value of cross-generational alliances. Louie De Real, a dual member of Rotaract and Rotary, explains.

Joint virtual meetings have helped Rotaractors introduce Rotarians to new ideas and tools, pioneering unique ways for clubs to collaborate. In the case of pandemic and disaster response, Rotaract clubs used social media to coordinate efforts, drive information, and fundraise, while Rotary clubs used their networks and resources to amplify support, provide logistics, and bring the goods and services to communities.

Rotaractors' innovative virtual engagement and professional development activities inspired Rotarians to support and follow suit. The pandemic made Rotaract clubs realize that we can immediately connect and partner with Rotary clubs through virtual platforms. With constant collaboration, we realize that Rotary and Rotaract indeed complement each other — that we are part of a single organization with shared goals. Both sides add value. Rotarians can be mentors and service partners to Rotaractors, while Rotaractors can demonstrate to Rotarians that difficult jobs can be simplified and limitations can be surpassed through digital approaches. This synergy motivates Rotaractors to become future Rotarians: I joined Rotary because Rotarians gave me memorable membership experiences through inspirational moments of collaboration. I needed to be a Rotarian to inspire Rotaractors the same way, now and in the future. That same synergy leads Rotarians to realize that while Rotaractors may have a different culture, we all share a common vision of uniting people to take action. Rotaract's unique ways of doing things serve as inspiration for innovation, helping Rotary increase its ability to adapt to future challenges. Rotarians and Rotaractors will build the future together, so let's start today.

I see no difference between a Rotary club and a Rotaract club, except perhaps for the average age!

Many Rotarians still view Rotaract as our youth organization, but I see it differently. For me, they are part of us, and they are like us. To be successful together, we need to have mutual respect — to see each other as equals. Let's see Rotaractors for who they really are: students and young leaders, but also successful managers and entrepreneurs who are capable of planning, organizing, and managing a Rotary institute — including breakout sessions in five languages — as they did in Berlin in 2014.

As we take this journey together, let's remember the strengths of Rotary and Rotaract. And, as Louie says, let's get started right away in building the future together. In doing so, we open endless opportunities for our organization.

## **JERRY E. BELBIDER**

President

Rotary Club of Metro Dadiangas

Good evening fellow metronians and guest We are already in the month of March and so close on ending this Rotary year. And as we end this Year of Rotary Opens Opportunities we will also welcome the new Rotary Year themed "Serve to change live". I am so honored and blessed for becoming a part of this club.

Last February 26, 2021 The Club conducted the Project ROTAHealthCare: "Turnover of Medical Equipment such as hospital beds, mattresses, bed linens, bedside tables, etc. and PPEs for City Health Unit. This will be distributed to different isolation facilities and Rural Health Unit that are in need. This project was made possible with RD Foundation and Rotary World Help at Cahilsot Elementary School/Barangay Isolation Unit, Brgy Calumpang, General Santos City. Special thank to our Sec. John Arcamo and PE Oliver Masendo for their efforts in transporting the equipment.

Then just this February 27, 2021 the club participated the annual Blood Drive ("Give more Love by giving your precious Blood this love month of February") in partnership with Red Cross and Philippine Institute of Civil Engineers, GenSan Chapter headed by our very own DIR Bong Tiongson at Robinsons Place, General, Santos City

That's all for tonight's weekly meeting and I hope we can conduct more project before the Rotary Year ends. Thankyou and let's enjoy the rest of the night.

That's all for tonight's weekly meeting thank you and God Bless us all.

# TONIGHT'S PRAYER

Loving heavenly Father,

We come to you this hour asking for your blessing and help as we are gathered together. We pray for guidance in the matters at hand and ask that you would clearly show us how to conduct our work with a spirit of joy and enthusiasm. Give us the desire to find ways to excel in our work. Help us to work together and encourage each other to excellence. We ask that we would challenge each other to reach higher and farther to be the best we can be.

Amen

## **ROTARY HYMN**

*Composed by: George Canseco*

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,  
Help to seek international unity.

Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

Refrain:

With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.  
We shall all understand, while the good Lord is  
our guide.

Refrain:

With the Four Way Test  
We'll pursue our quest  
And if we, in a way help obtain  
Peace in the world  
Then we won't have lived in vain.

Peace be achieved,  
So we won't have lived in vain.
