RI PRESIDENT'S MESSAGE

SHEKHAR MEHTA

Rotary International President RY 2021-2022

I am sure you are having an enriching experience as you Serve to Change Lives. One of the ways you can make the greatest change in a person's life is to help them learn to read. Literacy opens up the world to us. It makes us better informed about life in our own communities and opens vistas to other cultures. Reading and writing connects people and gives us another way to express our love for one another.

September is Basic Education and Literacy Month in Rotary. Enhancing literacy skills is critical in our pursuit of reducing poverty, improving health, and promoting peace. In fact, if all students in low-income countries left school with basic reading skills, it would result in a significant cut in global poverty rates.

Without education, illiterate children become illiterate adults. Today, 14 percent of the world's adult population — 762 million people — lack basic reading and writing skills. Two-thirds of that group are women. Literacy and numeracy skills are essential to obtaining better housing, health care, and jobs over a lifetime.

Especially for girls and women, literacy can be a life-or-death issue. If all girls completed their primary education, there would be far fewer maternal deaths. And a child is more likely to survive past age 5 if he or she is born to a mother who can read. Improving outcomes for more people worldwide is possible only if countries remove barriers to education for girls. The economic argument for doing so is clear: In some countries where schooling is geared toward boys, the cost of missed economic opportunity is more than \$1 billion per year. Empowering people through education is among the boldest goals we have as Rotarians. We don't have to travel far from our homes to encounter those whose lives are being curtailed because they struggle with reading, rely on others to read for them, or cannot write anything more than their own name.

Starting this month, consider how your club can Serve to Change Lives through literacy: Support local organizations that offer free programs to support adult literacy or local language learning, or that provide teachers with professional development centered around reading and writing. Become literacy mentors, or work with an organization like the Global Partnership for Education to increase learning opportunities for children around the world. Have conversations with local schools and libraries to see how your club can support their existing programs or help create needed ones in your community.

In India, the TEACH program, a successful collaboration between the country's Rotary clubs and its government, has demonstrated how to scale up literacy efforts to reach millions of children. And at a time when schools across India were closed due to the COVID-19 pandemic, the program's e-learning component reached more than 100 million children through national television.

Literacy is the first step out of poverty. As Nobel laureate Malala Yousafzai has noted, "One child, one teacher, one book, and one pen can change the world."

TONIGHT'S PRAYER

We are grateful, Our Father, for
the privilege of training ourselves
for service.

Give us open minds,
a clear understanding and a steady purpose
to make the most of our talents,
and lead us into the fields of work
where we can best serve Thee.

Amen

ROTARY HYMN

*Composed by: George
Canseco*

I want to be a Rotarian for
the world,
Make the Rotary flag be a
flag of peace unfurled;
I will serve my community,
Help to seek international
unity.
Through Rotary, I will dedi-
cate my all,
World understanding shall
be my cherished goal.

Refrain:

With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in
vain.

I'll observe service above
self,

Lend a hand to all who
need my help;

I'll get my spouse to involve
in Rotary

And in Rotary ways I will train
my family.

Refrain:

With the Four Way Test
We'll pursue our quest
And if we, in a way help ob-
tain

Peace in the world
Then we won't have lived in
vain

Build a bridge for tomorrow's
youth,

Strengthened by nothing
but the truth;

Let's join our hands, there's
no reason to divide.

We shall all understand,
while the good Lord is our
guide.

Refrain:

With the Four Way Test
We'll pursue our quest
And if we, in a way help ob-
tain

Peace in the world
Then we won't have lived in
vain.

Peace be achived,
So we won't have lived in
vain.

4. THE ADVANCEMENT OF INTERNATIONAL UNDERSTANDING, GOODWILL, AND PEACE THROUGH A WORLD FELLOWSHIP OF BUSINESS AND PROFESSIONAL PERSONS UNITED IN THE IDEAL OF SERVICE.

The 4-Way Test

of things we do and say:
