# TONIGHT'S PRAYER

Father God, We thank You for Your kindness in bringing us all together today. Though we may not know what this meeting holds, we know that You do. As we begin, Lord, help us to keep Your Word in mind. Lead us into conversations that are fruitful and enrich the lives of those who are here today. When we are undecided, please lead us in Your wisdom. When our opinions may disagree, help us to remain respectful to one another. More than anything, Lord, would You help us both to seek Your will and to pursue Your glory through all that we say and do. In Jesus' name, we pray, Amen.

## SHEKHAR MEHTA

Rotary International President  
RY 2022-2022

We have overcome so many challenges these past two years and changed numerous lives. It brings me great joy that we have worked so hard this year to grow Rotary through the Each One, Bring One initiative. The result has been excellent growth in membership. Let us keep up the momentum. I am

happy that you have put a spotlight on all we do by organizing projects around the world in our Rotary Days of Service. The future looks brighter than ever for Rotary and our 1.4 million members.

On 11 March 2020, the World Health Organization declared that COVID-19 constituted a pandemic, and two years later it is important that we continue to draw on our expertise in our disease prevention and treatment area of focus to help people worldwide cope with the continuing challenges. The pandemic continues to defy all expectations, but we cannot be frozen in fear. Our work is too important. It is also important that we make time for each other, and I urge you to register for the upcoming 2022 Rotary International Convention in Houston. It is a great way for all of us to safely celebrate Rotary service.

We can continue to build hope and spread peace in the world by using our resources to help the most vulnerable and keeping our faith in the future. The pandemic has had an especially devastating impact on girls worldwide. On the first anniversary of the pandemic, Henrietta Fore, the executive director of UNICEF, said that “immediate action is needed to mitigate the toll on girls and their families.” This need, unfortunately, remains just as strong a year later. The ripples of the pandemic have affected girls in unique ways – stunting their educational attainment, weakening their job prospects, and contributing to other terrible results such as child marriages and increased human trafficking.

# RI PRESIDENT'S MESSAGE

Data from UNICEF reveals why our action is so essential. In the 2010s, important progress was made toward eliminating the practice of child marriage, and UNICEF estimates that 25 million such marriages were averted worldwide. Unfortunately, the pandemic reversed those positive trends, and as a result an additional 10 million girls are vulnerable to becoming child brides by the end of this decade.

This is why our focus on Empowering Girls is such vital work, and I am delighted that at this year's virtual International Assembly, President-elect Jennifer Jones committed to continuing this initiative for another year. In my travels, I have witnessed many wonderful examples of club projects that back our Empowering Girls goals. But all Rotary members know that real change requires big efforts sustained over many years. This is the power of our global grants and actions taken within our areas of focus.

I encourage clubs to think of innovative ways to empower girls when designing their grant projects. Every step we take to improve education, health care, and economic opportunities for girls makes an important difference in helping them achieve their full potential. With opportunity we create hope, and with hope we address the root causes of conflict around the world, setting the stage for sustainable peace.

None of us know how long the COVID-19 virus will linger – and as an organization that has worked tirelessly for decades to eradicate polio, we understand better than most the difficult work that lies ahead for the world. That is why we need to remain focused on the future and on what is possible – not feeling nostalgic for the way our lives were, but looking hopefully to a future that uses this opportunity to *Serve to Change Lives*. I look forward to continuing this good work with you.

## OLIVER J. MASENDO

President  
Rotary Club of Metro Dadiangas  
Rotary Year 2020-2021

Good evening fellow Metronians and guest. Thank you everyone for attending tonight's club meeting.

I'd like to congratulate our President-Elect Bong Tongson and Secretary-Elect Ralph Soguilon for attending the PETS/SETS last March 18-19 at Davao. A yearly event of the Rotary in preparation for the incoming officers.

Would also like to extend my gratitude to all metronians who supports our club project last March 19 at Banisil National High School. Project Wash, Turn-over of Cash Assistance and Lathe Machine. Of course, none of this would be possible without the Raphael Alessandri Foundation Academy of PP Jeremy Agueina.

Also, please be reminded of the dates below;

DISTAS 2021 (General Santos City) - April 22-23, 2022

DISCON (Ormoc City) - May 27-28, 2022

Lastly, would like to remind everyone to settle all your accounts now before my term ends.

That's all for tonight's club meeting and let's enjoy the rest of the night.

Thank you and God Bless us.
