# R.I President's Message

## JENNIFER JONES

Rotary International President  
RY 2022-2023

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the glossy pages. They are a treasure trove of photos and memorable stories about our great organization — the one we all know and love. I have learned so much over the years about service projects and lives that each of you have transformed.

As a communications professional, I have longed for the day that our stories were a regular part of mainstream media and that our flagship magazine might populate doctor's offices, coffee shops, or anywhere else people sit, wait, and browse. It's great that Rotary members are better informed about all we do, and wouldn't it be that much better if more people knew our stories.

All this was top of mind as I thought about our plans for promoting Rotary worldwide in the upcoming year. Over the next 12 months, we are going to shine a light on projects that put Rotary service on display to the world, and we are going to do it strategically. Nick and I will focus on some of the highest impact, sustainable, and scalable Rotary projects from our areas of focus in what we call the Imagine Impact Tour.

We are inviting top-tier journalists, thought leaders, and influencers to use their channels to help us raise awareness by reaching people who want to serve but have not yet realized they can do it through Rotary.

But there was another important issue to consider — our carbon footprint. I take seriously Rotary's emerging leadership position on environmental issues. The example set by our members during the pandemic is fundamental to how we carve out our future.

That means we will harness digital technology to tell these stories — we will be tweeting, posting, and "going live" to anyone who will listen. We must consider our environment, and part of that means not always traveling but continuing to connect in meaningful ways as we have for the past two years.

Of course, we are social people, and we still need to be together. We simply need to be more mindful of our decisions and think about how we get together just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas.

So, what are your stories and who can help tell them? I hope you might consider your own Imagine Impact efforts — your story might be something you can promote just as easily on social media or during a Zoom call. Think about ways to showcase notable projects in your clubs and districts.

We all feel the impact that Rotary service and values have on us. Now it's our opportunity to share that feeling with others.

# Club President's

## **MARK JEROME TIONGSON**

President  
Rotary Club of Metro Dadiangas  
RY 2022-2023

I want to begin by expressing my heartfelt gratitude to each and every Rotarian in our club for bringing out the vital tasks needed by our communities even in these most challenging times of ours. It is propitious to witness your hard work, commitment, dedication and teamwork.

The pandemic altered so many opportunities of ours. We were disrupted by new working environment, wearing face mask, limited access to different places and establishments and many more that lead us into adjusting the "new normal". But one thing that the pandemic hasn't play havoc with: the Rotarian's enthusiasm to pull-up together to give the best to ensure the health of our communities. We are still functioning during a pandemic even with so many uncertainties about the number of projects that we want to carry through. And yet here we are, still standing with resilience and dedication the we Rotarian pledge about, Service above Self.

Last July 1, 2022, we've conducted a New Year Children's Party at St. Agnes of Montepulciano Orphanage. A big thanks to those who joined and to the persons who gave their donations. We also had our BOD Meeting last July 4, 2022. Your board of directors has set goals for the new Rotary year. And one of these is the incoming 43rd induction and Turnover Ceremonies on July 15, 2015.

While we have accomplished much there are still much to do and projects to be achieved. I am truly humbled and honored to serve as your president and looking forward to work together as we all strive for the betterment of the club and service to the communities.

Creator and sustainer of all that is or will ever be,

We ask that you guide and direct our club,  
its leaders and our actions.

Grant that each of us may feel our responsibility to Ro-  
tary,

to our community, to our country,  
and indeed to all countries and peoples.

Bless our fellowship today,  
and bless this food to the nourishment of our bodies,

## ROTARY HYMN

*Composed by: George Canseco*

I want to be a Rotarian for  
the world,  
Make the Rotary flag as the  
flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedi-  
cate my all,  
World understanding shall  
be my cherished goal.

Refrain:

With the Four Way Test  
I'll pursue my quest  
And if I, in a way help obtain  
Peace in the world  
I shall not have lived in vain.

I'll observe service above  
self,  
Lend a hand to all who  
need my help;  
I'll get my spouse to involve  
in Rotary  
And in Rotary ways I will train  
my family.

Refrain:

With the Four Way Test  
We'll pursue our quest  
And if we, in a way help ob-  
tain

Peace in the world  
We shall not have lived in  
vain

Build a bridge for tomorrow's  
youth,

Strengthened by nothing  
but the truth;

Let's join our hands, there's  
no reason we'll divide.

We shall all understand,  
while the good Lord is our  
guide.

Refrain:

With the Four Way Test  
We'll pursue our quest  
And if we, in a way help ob-  
tain

Peace in the world  
We shall not have lived in  
vain.

Peace be achieved,  
We shall not have lived in  
vain.
