# R.I President's Message

## JENNIFER JONES

Rotary International President

RY 2022-2023

We've all taken our own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some of us signed up because an employer tapped us on the shoulder and asked us to attend a meeting. Others became members only after a U.S. Supreme Court ruling made it possible. Yet each of us entered through one mechanism — an invitation.

An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each one of us has that same opportunity — the honor to extend an invitation.

It is awe-inspiring to imagine how we can look out across our communities and identify our future leaders. It's often tempting to attract people who are exactly like us. It's a special form of ingenuity to consider how people who are seemingly very different can, in fact, share our values and have some of those same talents, just waiting to be unleashed.

It's time for Rotary to take our next step in advancing Diversity, Equity, and Inclusion (DEI) across our organization.

Embracing an experience where people feel included is more than just making our membership numbers more diverse. It's about making our meetings and events places where we can speak openly and honestly with each other, where our members feel welcome and safe. This means removing barriers for entry and opening doors for inclusion.

Our values remain our strength — and our commitment to excellence requires us to maintain high standards for our members as well. I believe we are all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization, and it will ensure that we remain vibrant and relevant for decades to come.

A few years ago, our Rotary Board set the ambitious goal of increasing the share of female members to 30 percent by 2023. We have less than a year to go, but I believe we can meet and exceed this target.

We need Rotary leaders to rise from every continent, culture, and creed. We need young members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly, and with as much respect, as those with many years of membership.

During our recent convention in Houston, we heard from astronauts about their journeys into space. We reflected upon a time in the 1960s when U.S. President John F. Kennedy urged the world to dream, with his declaration that we would "go to the moon [and do] other things, not because they are easy, but because they are hard."

Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely as a moon shot. But I know that when people of action are committed to a big goal, we make it worth every ounce of our energy.

## Club President's Mes-

### **MARK JEROME TIONGSON**

President  
Rotary Club of Metro Dadiangas  
RY 2022-2023

Greetings!

Tonight is our 1st regular club meeting for the month of August and I am grateful that everyone enjoyed our 1st Ladies Night for the RY2022-2022 last July 27, 2022.

On the other hand, August is a month for Membership & New Club Development based on the Rotary Calendar. I hope we can have projects related to this Month's Theme. It is very important that we maintain our club's membership. Through our club services and fellowship, I believe that we are really strengthening our bond as one Rotary Club of Metro Dadiangas.

Also, I would like to thank everyone who supported the project SMILE. We already have several patients undergone with their surgery.

Lastly, to all the members who are actively participating to all area activities and to those who got their dues fully paid, Thank you. We already paid the Mandatory dues set by the District and Rotary International (RI Club Invoice, Disaster Fund, District Levy, Rotaract Levy, Philippine Rotary Magazine Subscription). We had also our 1st contribution to The Rotary Foundation, 1000USD came from our Guest, Mr. Richie Tiosejo. Indeed, you have a great heart in helping th Rotary Foundation.

That's all for tonight, let us enjoy the rest of the night. God bless us all.

## Tonight's Prayer

As Rotarians, we are generally blessed with lives of relative luxury, and opportunities unknown to many.

Help us to review our checkbooks, and, indeed, the registers of our lives with honesty as we consider our priorities, and our opportunity to help others.

Open our hearts, and our accounts, to those in need, while still providing us with appropriate fruits of our own labors.

Help us to share not only our tangible wealth, but also our intangible riches of knowledge, leadership, and creativity to make our city, our nation, and our world, a better place filled with the peace and love that you can bring through us.

Amen.

## ROTARY HYMN

*Composed by: George Canseco*

I want to be a Rotarian for  
the world,  
Make the Rotary flag as the  
flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedi-  
cate my all,  
World understanding shall  
be my cherished goal.

Refrain:

With the Four Way Test  
I'll pursue my quest  
And if I, in a way help obtain  
Peace in the world  
I shall not have lived in vain.

I'll observe service above  
self,  
Lend a hand to all who  
need my help;  
I'll get my spouse to involve  
in Rotary  
And in Rotary ways I will train  
my family.

Refrain:

With the Four Way Test  
We'll pursue our quest  
And if we, in a way help ob-  
tain

Peace in the world  
We shall not have lived in  
vain

Build a bridge for tomorrow's  
youth,

Strengthened by nothing  
but the truth;

Let's join our hands, there's  
no reason we'll divide.

We shall all understand,  
while the good Lord is our  
guide.

Refrain:

With the Four Way Test  
We'll pursue our quest  
And if we, in a way help ob-  
tain

Peace in the world  
We shall not have lived in  
vain.

Peace be achieved,  
We shall not have lived in  
vain.
