We are not at all sure what tomorrow holds, but we are very sure who holds tomorrow.

We thank you Lord for having called us to this community to live our lives and do our work for Rotary. Grant us the wisdom and the foresight to discern what is for our own betterment and the betterment of all mankind.

Strengthen us in being a part of your power and influence.

May peace and goodwill abide among us this day and always.

## R.I President's Message

### R. GORDON R. MCINALLY

President  
Rotary International  
RY 2023-2024

Even as we face new and serious challenges, Rotary takes care of its members and those we serve, works to build lasting peace, and embeds belonging and inclusion in everything we do. That is why I am asking everyone in Rotary to Create Hope in the World.

This year, we're prioritizing projects to support mental health. This effort is deeply personal to me. I know what it's like to see someone suffer in silence. I have also witnessed the power of personal connections, the value of discussing emotional and mental well-being, and the lifesaving impact of preventive care and treatment.

Research shows that performing acts of kindness is an effective step any of us can take to protect our well-being. And by building peace within, we become more capable of bringing peace to the world.

Building peace is the essence of Rotary. Many of our service projects foster the conditions for Positive Peace. We work tirelessly to overcome barriers and create new connections. This year, we'll promote virtual international exchanges for members to strengthen those vital connections.

## R.I President's Message

Peace isn't a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. Peace must be waged persistently — and bravely. Everything we do across our areas of focus has the potential to foster the hope that can make peace possible.

The spirit of connection and purpose should inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members and attract more prospective members. We must make our clubs as welcoming and as engaging as we can.

Our goal is to create a sense of belonging, from our club meetings to our service activities. We need to continue creating inclusive, welcoming environments where everyone can be their authentic selves. All people of action need to be able to imagine a place for themselves in Rotary — it's up to us to ensure they can do so.

Over the next year, I will be putting a focus on continuing our journey in diversity, equity, and inclusion — ensuring that Rotary reflects the communities we serve and continues to take significant steps toward accessing the full range of human talents and experiences, so that we can better serve humanity. And we will continue to empower women and girls by helping them unlock the potential already within them.

As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting "sense and worth, over all the earth." This has long been my call to action, and I share it now with you.

Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and Create Hope in the World.

Rotary Club of Metro Dadiangas  
RY 2023-2024

Good evening fellow Metronians, Rotaractors, & Guests. Thank you for attending our 3rd regular club meeting for Rotary Year 2023-2024.

Last July 16, 2023, we had our district wide bloodletting activity with the theme "Dugo mo, Buhay ko". Together with us in this event are the clubs from areas 3F and 3G with a total of 7 clubs in attendance as well as our very own District Governor Twinkle Gamboa, District Learning Facilitator Archie Gamboa, and District Rotaract Representative Remuel Coles. We have our partners coming from the Philippine National Police, Philippine Coast Guard, Red Cross - Gensan Chapter, and many more. We have collected a total of 79 bags in this event.

On the other hand, for our first club project, this will be on July 22, 2023 at the Lanton National Highschool in Brgy. Apopong, General Santos City. We will be having school supplies distribution, dental and medical mission for a total of 100 kids for the school. This is together with the Philippine Dental Association - General Santos City.

## President's Message

Also, the next club induction will be this coming July 23, 2023, 6:00pm with the Rotary Club of General Santos at the Greenleaf Hotel. Let us support President Ronald Velasquez and our grandmother club by attending this event.

Lastly, I would also like to thank everyone who has pledged their support for our induction ceremonies this coming July 29, 2023. I truly appreciate you all.

That is all for tonight's weekly meeting. Thank you everyone for coming and may you have a wonderful night.
