Tonight's Prayer

Creator and Sustainer of all that is or will ever be, accept our thanks for this day and all its blessings.

We ask that you guide and direct our club, its leaders and our actions.

Grant that each of us may feel our responsibility to Rotary, to our community, to our country, and indeed to all countries and peoples.

Bless our fellowship today, and bless this food to the nourishment of our bodies, in your service.

Amen.

R.I President's Message

R. GORDON R. MCINALLY

President
Rotary International
RY 2023-2024

Even as we face new and serious challenges, Rotary takes care of its members and those we serve, works to build lasting peace, and embeds belonging and inclusion in everything we do. That is why I am asking everyone in Rotary to Create Hope in the World.

This year, we're prioritizing projects to support mental health. This effort is deeply personal to me. I know what it's like to see someone suffer in silence. I have also witnessed the power of personal connections, the value of discussing emotional and mental well-being, and the lifesaving impact of preventive care and treatment.

Research shows that performing acts of kindness is an effective step any of us can take to protect our well-being. And by building peace within, we become more capable of bringing peace to the world.

Building peace is the essence of Rotary. Many of our service projects foster the conditions for Positive Peace. We work tirelessly to overcome barriers and create new connections. This year, we'll promote virtual international exchanges for members to strengthen those vital connections.

R.I President's Message

Peace isn't a dream, and it's not passive. It's the result of working hard, earning trust, and having open conversations that may be difficult. Peace must be waged persistently — and bravely. Everything we do across our areas of focus has the potential to foster the hope that can make peace possible.

The spirit of connection and purpose should inspire every Rotary member. When club leaders focus on offering an excellent club experience, we retain more members and attract more prospective members. We must make our clubs as welcoming and as engaging as we can.

Our goal is to create a sense of belonging, from our club meetings to our service activities. We need to continue creating inclusive, welcoming environments where everyone can be their authentic selves. All people of action need to be able to imagine a place for themselves in Rotary — it's up to us to ensure they can do so.

Over the next year, I will be putting a focus on continuing our journey in diversity, equity, and inclusion — ensuring that Rotary reflects the communities we serve and continues to take significant steps toward accessing the full range of human talents and experiences, so that we can better serve humanity. And we will continue to empower women and girls by helping them unlock the potential already within them.

As we begin this journey together, I take inspiration from Scotland's national poet, Robert Burns, who in the 18th century spoke of all the world becoming kin, promoting "sense and worth, over all the earth." This has long been my call to action, and I share it now with you.

Let us build peace within and spread it freely. Let us create belonging and imagine the future of Rotary afresh. Let us work together joyously and Create Hope in the World.

## President's Message

### **ALVIN RAY DEMONTAÑO**

President

Rotary Club of Metro Dadiangas  
RY 2023-2024

Good evening fellow Metronians, Rotaractors, & Guests. Thank you for attending our 4th regular club meeting for Rotary Year 2023-2024.

Last July 22, 2023, we conducted our club's kick-off project with the theme "Edukalusugan: A multi-faceted project of the Rotary Club of Metro Dadiangas in Education, Health and Peace" at the Lanton National Highschool, Brgy. Apopong. This is a joint project between RCMD and the Philippine Dental Association - General Santos City Chapter, RV La Pharma and Rusann Marketing Corp.

We provided a total of 100 school kits to selected incoming Grade 7 Students, flouride polish by the PDA, as well as a free check-up to infants and kids courtesy of our very own Rotarian Dr. Robert Mariano and his wife Abigail. Thank you all for those who have supported our kick-off project.

We have also attended the 66th induction ceremonies of our Grandmother club, RC General Santos City at the Pandan Grand Ballroom, Greenleaf Hotel last July 23, 2023. A big congratulations to their newly installed president, Prexy Ronald Velasquez.

## President's Message

This will be a very busy week for us as our club induction is this coming Saturday July 29, 2023 at the Phela Grande Convention Center, National Highway, Gen. Santos City. Thank you for all the pledges you have given me and we wish you would have a wonderful time during our event.

That is all for tonight's weekly meeting. Thank you everyone for coming and may you have an enjoyable night.
