# Tonight's Prayer

As Rotarians,

May all our actions lead us to have peace of mind So that we may spread peace in the world.

May our own friendliness help spread happiness To all we meet.

May our health be such that we can help others less blessed.

May our business life flourish so that we may spread Its benefits to those less fortunate

# R.I President's Message

## R. GORDON R. MCINALLY

President  
Rotary International  
RY 2023-2024

The International Day of Peace takes place 21 September. The United Nations General Assembly declared this a day devoted to strengthening the ideals of peace through observing 24 hours of non-violence and cease-fire.

It is not enough, as People of Action, to simply avoid making war. If we are to Create Hope in the World, we must aggressively wage peace.

Where can we begin? There are countless armed conflicts around the world, and the global population of displaced people is higher than ever. The opportunities are nearly limitless, but the cycles of violence and hardship seem endless.

My advice is to start small but think big. I look to Rotary members in Pakistan and India for inspiration.

In March 2020, about 50 Rotary members from Pakistan met about 50 Rotary members from India at Kartarpur Sahib, a shrine in Pakistan. The sanctuary honors Guru Nanak, the founder of Sikhism, a religion practiced in both countries. Tensions between the two countries barred many religious pilgrims from India from visiting the shrine. That is, until Pakistan opened a visa-free pathway to them in 2019.

Earlier this year, Rotary members from opposite sides of the border again met at the shrine, this time with about twice as many participants.

Any work toward building peace needs to be brave and bold. What —

## R.I President's Message

— these Rotary members have done is just that. The Pakistani government took an important step toward peace when it admitted Indian pilgrims to the Kartarpur Sahib shrine, but Pakistani Rotary members took the next step when they welcomed Rotary members from India as friends and family. That is Positive Peace at work.

These peacebuilders did not stop there. Club representatives at this year's meeting signed twin club certificates to recognize their long-term commitment to continue to learn from each other and to work together on more peacebuilding efforts, and they have held joint meetings via video chat.

The importance of communicating with and learning from another culture cannot be overstated, and Rotary is making it even easier to do so. One way of engaging in cross-cultural dialogue and building relationships across borders is through virtual international exchanges that build on our current programs and make them more accessible.

A virtual exchange uses online platforms to connect people from different parts of the world so they can share their traditions, priorities, values, and more. Virtual exchanges can serve as a window to another part of the world through activities such as teaching a digital cooking class, learning a new language, or even designing service projects with a global impact.

These online chats have the potential to inspire new connections and more respect between societies. Taking that knowledge and using it to better the lives of our fellow human beings is the next step.

Let's see where it takes us.

## President's Message

### ALVIN RAY DEMONTANO

President  
Rotary Club of Metro Dadiangas  
RY 2023-2024

Good evening fellow Rotarians, Rotaractors, & Guests. Thank you for attending our 10th regular club meeting for Rotary Year 2023-2024.

Last Friday, SEPTEMBER 6, 2023 we have had visited Lanton National High School for our proposed Project WASH for the benefit of 2600 students. We will be applying for District Grant for this project. Together with me was our company's Civil Engineer who is also a Master Plumber.

After our ocular visit at Lanton High National High School we dropped by to one of the club's remarkable project at Lozano Elementary School. We checked the situation of our Project WASH during the term of Past President Jun Demontano. Happily, the project that we have at Lozano Elementary School is still very helpful to the entire school. We have talked to school's in charge and they are looking forward for another help from our club.

This coming SEPTEMBER 6 at 4:00am at the Salazar's estate in Brgy. Lagao will be the start and finish point of our Ride to End Polio Fundrasing Campaign. As mentioned in our previous meeting, there are three categories in which anyone can join as this is an —

## President's Message

— invitation from beginners to veterans alike. I would like to thank our sponsors for donating to the cause in raising awareness to End Polio worldwide.

Happening also the next day, SEPTEMBER 6, 8:00am will be our Brigada Eskwela at Palian Elementary School. Various school supplies, courtesy of Past President Rene Espiritu and Family, our hot-meal program as well as several first aid kits will be given to the students and staff of the school.

Looking forward to your participation in the coming events! That is all for tonight's weekly meeting.

Thank you everyone for coming and may you have an enjoyable night.
