# Tonight's Prayer

As Rotarians,

May all our actions lead us to have peace of mind So that we may spread peace in the world.

May our own friendliness help spread happiness To all we meet.

May our health be such that we can help others less blessed.

May our business life flourish so that we may spread Its benefits to those less fortunate

President  
Rotary International  
RY 2023-2024

Next year, Rotary takes a step toward supporting peacebuilding in the Middle East and North Africa region when recruitment begins for our newest peace center in partnership with Bahçeşehir University (BAU) in Istanbul.

A series of events in the coming year will recognize the new center at BAU and Rotary's work to promote peace. The 2024 Rotary International Convention in May will mark 25 years since the first Rotary Peace Centers were announced — coincidentally at the Rotary Convention in Singapore in 1999. Recruitment for the first cohort of Rotary Peace Fellows at BAU also starts in 2024, and selected candidates will begin their program in early 2025.

Since its beginning, the peace centers program has prepared more than 1,700 peace fellows working in more than 140 countries to create a more peaceful world. That is certainly worth celebrating, but Rotary Peace Fellows are more than statistics on a page. Their actions have helped Create Hope in the World and will continue to do so.

For example, Jennifer Montgomery and Gorett Komurembe — peace fellows from the program at Makerere University in Uganda — are co-founders of Magenta Girls Initiative. The international nongovernmental organization equips Ugandan girls and young women with the support and tools to overcome harmful gender norms, generational poverty, gender-based violence, trafficking, and trauma.

Ndzi Divine Njamsi, another peace fellow who studied at Makerere, has -

taken lessons learned about Positive Peace and is sharing them with students of his own in Cameroon. He became interested in the Rotary Positive Peace Activator training program after witnessing extremism, online hate speech, and violence in Cameroon. Since completing the program, he has brought his lessons on peace to students at the Yaoundé International Business School and other organizations in the Central Africa country.

The world needs more people like the graduates of the program at Makerere and our other peace fellows. To that end, we can all advance peace by encouraging our local peacebuilders to learn more about Rotary and apply for this impactful fellowship. Rotary members can also mentor candidates for the fellowship. Or you can work with peace fellows who have already graduated. They probably have an initiative or two that would benefit from your help.

Our peace centers in North America, Europe, Africa, Australia, and Asia depend on financial support as well. The program at BAU was made possible thanks to a generous gift of \$15.5 million to The Rotary Foundation from the Otto and Fran Walter Foundation.

This new Rotary Peace Center will offer a one-year professional development certificate in peace and development studies for fellows focusing on peacebuilding within the Middle East and North Africa region.

Peace must be waged persistently; it is the soil where hope takes root. But as with any journey, we take one step at a time. Let's take those steps together.

## President's Message

### **ALVIN RAY DEMONTAÑO**

President  
Rotary Club of Metro Dadiangas  
RY 2023-2024

Good evening fellow Rotarians, Rotaractors, & Guests. Thank you for attending our 18th regular club meeting for Rotary Year 2023-2024.

I may not be around this meeting but I would like to thank everyone for a very successful 43rd Charter Anniversary and Governor's Visit. For those who have supported me and the club in the past few months, please continue to do so as we still have a long way to go in providing to our community. We must remain steadfast and continue to Create Hope in the World.

Last November 4, 2023, the Rotary Clubs of Area 3F and 3G facilitated an area-wide Mental Health Awareness Workshop for Teachers, Guidance Personnel and even Medical Practitioners from different public and private schools and institutions. Our speaker, Prof. Gabriel "Gab" Lizada, of the Ateneo de Davao University, taught the attendees on how to detect and manage students who may be suffering from a decline in mental health.

On November 18, 2023, District 3860 will be having the Awards and The Rotary Foundation Night at the Acacia Hotel, Davao City for Rotary Years 2020-2021, 2021-2022, and 2022-2023. These years are under the presidency of PP Jerry (2020-2021), PP Oliver (2021-2022) and IPP Bong (2022-2023). I encourage all of us to attend to show

our support to our past presidents during this momentous event.

As for the Polio Plus Society, I encourage everyone to become a Polio Plus Society member for \$100.00 a year. This will immensely assist the Rotary Foundation in terms of eradicating the disease worldwide.

Looking forward to your participation in the coming events! That is all for tonight's weekly meeting.

Thank you everyone for coming and may you have an enjoyable night.
