Rotary continues to support Turkey as it rebuilds from earthquake

The relief efforts and funding Rotary provided after last year's devastating earthquake in Turkey and Syria show that Rotary members create hope where it is needed, said RI President R. Gordon R. McNally during a visit to the country. "Having met the Rotary members in Hatay province, Turkey, I know that they will [continue to] be there to help rebuild their community," McNally said while visiting affected areas in April. Among many stops, he toured a kindergarten and a vocational school that Rotary members resupplied and a mobile kitchen and bakery they outfitted. "I thank Rotary members for helping Create Hope in the World for those so badly affected by the disaster," McNally added, referencing his presidential theme. Since the earthquake and aftershocks in February 2023, which killed more than 55,000 people, Rotary has distributed over US\$4 million to support affected communities. Aid efforts were confined to Turkey since Rotary has no clubs in Syria. Members have assembled container cities for housing, built water treatment plants, provided seedlings and cows to farmers, given equipment to hospitals, donated computers for students, and opened a veterinary clinic.

Immediately after the 7.8 magnitude earthquake, Rotary established a dedicated disaster response fund that received more than US\$2.7 million in contributions. (The fund is now closed to donations.) Additional aid efforts used global grants totaling about US\$1.4 million. "Once Rotary members witnessed what had happened, they came and provided help," says Sezgin Acioğlu, a member of the Rotary Club of İskenderun, Turkey. "It was agile. It was very quick, very fast. It ... encouraged everybody [else] to help."

Tonight's Prayer

Creator and Sustainer of all that is or will ever be, accept our thanks for this day and all its blessings.

We ask that you guide and direct our club, its leaders and our actions.

Grant that each of us may feel our responsibility to Rotary, to our community, to our country, and indeed to all countries and peoples.

Bless our fellowship today, and bless this food to the nourishment of our bodies, in your service.

Amen.

RI President's Message

STEPHANIE A. URCHICK

President
Rotary International
RY 2024-2025

Rotary is at its best when we foster a sense of inclusion and belonging in our clubs. In fact, I would go so far as to say that belonging is The Magic of Rotary itself.

With a focus on inclusivity and belonging, it is easier to be united in a common purpose. When we are committed to one another and focused on our goals, we are most effective.

Rotary's Action Plan can help. The Action Plan comes with tools you can use to collect feedback, assess your club's strengths and weaknesses, and address challenges.

The world is changing, and our clubs can't afford to stand still. But the changes we make need to be consistent and strategic — building on one another toward a greater vision. The Action Plan can help you work toward that vision and create effective change within your club. Following the Action Plan and addressing suggestions from the community will go a long way to fostering the sense of belonging we want all Rotary members to feel in their clubs.

That's why expanding our commitment to diversity, equity, and inclusion is so important. Committing ourselves to each other's well-being is the first step to expanding our reach, allowing us to spread Positive Peace in these troubled times.

Peacebuilding is one of our top priorities, & one of the most effective ways we can build peace is with our Rotary Peace Fellowships,

R.I President's Message

through which peace and development professionals learn how to prevent and end conflict.

We offer the fellowships through our Rotary Peace Centers at leading universities around the globe, where more than 1,800 Rotary Peace Fellows have graduated. And thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center at Bahçeşehir University in Istanbul.

Opening another peace center is a monumental achievement, and it is my great honor to invite you to celebrate at next year's Rotary Presidential Peace Conference at the Istanbul center. The three-day conference 20-22 February will highlight the many ways our family of Rotary advances peacebuilding. Registration for the conference is officially open. I hope to see you there.

The 2025 Rotary Presidential Peace Conference has great potential for our peacebuilding efforts — but only if we have your support.

The truth is, we're not going to bring peace to the world, end polio, or grow membership by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member inducted.

I love my Rotary family and I know you do too. That's why I know that together, we can make every club and district simply irresistible. This year, let us change the world by embracing The Magic of Rotary.
