As Rotarians,

May all our actions lead us to have peace of mind So that we may spread peace in the world.

May our own friendliness help spread happiness To all we meet.

May our health be such that we can help others less blessed.

May our business life flourish so that we may spread Its benefits to those less fortunate

## RI President's Message

### STEPHANIE A. URCHICK

President  
Rotary International  
RY 2024-2025

The Magic of Rotary is belonging, and it's a feeling that can appear when you least expect it.

Earlier this year, I was in Slovakia serving as a president's representative during a six-week trip through Europe. When I wrote to Katarina Cechova, governor of District 2240 at the time, I mentioned that my grandmother Veronica Zilka grew up in a small village in the area before settling in the U.S.

It wasn't long before Cechova tracked down my grandmother's village, Jakubova Vol'a. She even organized a visit for me, where I received an unforgettable Slovakian welcome.

When I entered the community center of Jakubova Vol'a, a small crowd of people dressed in traditional Slovakian clothing greeted me. They sang with beautiful and powerful Central European voices that reminded me of my grandmother.

A lot of families play cards or games when they get together. When I was young, my father would pick up his accordion and lead my family in song. My grandmother would sing along with her impressive voice.

When I walked into the community center and heard traditional music from my childhood — when I saw a woman play the accordion the way my dad played — I suddenly felt like a little girl sitting at my grandmother's house in Monessen, Pennsylvania. I burst into tears of joy at the memories.

But the magic didn't stop there. District Governor Cechova really outdid herself. A local genealogist worked with a videographer to make a short film about my grandmother. We watched the video together in the community center.

When the video ended, I turned around and saw a man standing in the back of the room. I quickly learned that this stranger, Frantisek Zilka, was my second cousin. His grandmother and mine had been sisters

## R.I President's Message

I felt like I had been struck by lightning.

I visited my newfound cousin's home, which happens to be the home where my grandmother was born. There, he shared old photographs I had never seen of my dad, my uncle, and my grandmother.

Since then, I can't stop thinking about my family of Rotary. When I refer to you as my family, I'm not just being kind. I really think of everyone in Rotary as my family. But I never would have imagined that my Rotary family would introduce me to long-lost personal family. Sitting in that community center listening to traditional Slovakian music from my childhood filled me with joy and a profound sense of belonging. I am so grateful to District Governor Cechova and everyone who helped create that magical experience.

As members of Rotary, we have a unique opportunity to share the same magic with each other and with the world. I encourage you to consider how you can help spread that magic and ensure other members of your club — other members of our Rotary family — feel like they truly belong.
