INVOCATION

We invite You today, Loving Father, to join us in welcoming our new members. It is always wonderful to have new friends and new allies in the service of Rotary and for the glory of God.

Thank you very much, Lord, for inspiring them to join our club and reward with Your kind blessings their resourceful sponsors.

As we exhort our new members to wear their pin with pride, grant unto us, O Lord, the strength and the courage to continue and persevere in honoring Rotary with faith and enthusiasm.

Amen.

JOKE TIME

1. "How was your blind date?" Janice asked her friend Lyza. "Terrible! I hated it!" she answered. "He picked me up in his 1938 Mercedes Benz."

"Wow! That's a very expensive car. Why are you so unhappy?" "Because he was the original owner."

2. A successful millionaire was being interviewed by a journalist:

Interviewer: To whom do you owe all your success?

Millionaire: I owe everything to my wife.

Interviewer: Wow, she must be some lucky woman. What were you before you married her?

Millionaire: A billionaire!

3. A boy sees a man drowning in Manila Bay, and swims out to save the unfortunate man. When he drags the man to shore, he recognizes him as none other than Erap, who tried to escape while being shipped out of Manila.

Erap: Thank you for saving my life. I'll grant you one wish.

Boy: Please have me buried in a descent memorial park.

Erap: Why do you want that wish?

Boy: My father will kill me when he finds out I saved your life!

4. A 7-year old boy wanted P1,000 badly and prayed for a long time but nothing happened. Then he decided to write God a letter requesting for the money.

When the postal authorities received the letter to God, they decided to send it to Gloria in Malacañang.

Being a former DSWD Secretary, Gloria was so touched by the letter that she instructed her secretary to send a P100 bill. She felt that this would already appear to be a big amount of money to the little boy.

The return letter soon found its way to the little boy, who was happy to see the P100 inside. He sat down to write a thank-you note to God, which read:

"Dear God, Thank you very much for sending the money, however, I noticed that for some reason you had to send it through Malacañang

ROTARY INFORMATION

2

History of The Rotary Foundation:

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world." In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

Evolution of Foundation Programs:

1947 : The Foundation established its first program, Fellowships for Advanced Study, later known as Ambassadorial Scholarships.

1965-66 : Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

1978 : Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

1985 : The PolioPlus program was launched to eradicate polio worldwide.

1987-88 : The first peace forums were held, leading to Rotary Peace Fellowships.

2013 : New district, global, and packaged grants enable Rotarians around the world to respond to the world's greatest needs.

Since the first donation of \$26.50 in 1917, the Foundation has received contributions totaling more than \$1 billion.

(more to next time)

Lord Jesus, Son of God, You humbled Yourself to become man, in order to serve and not to be served. We humbly ask You to teach us the ideals of service: that what matters most is not how much we have got, but how much we have given; not how much we have won, but how much we have done; not how much we have saved, but how much we have sacrificed; not how much we were honored, but how much we have served.

God, our Father, always uses those closest to Him. Grant us therefore the privilege and the grace to be closest to You, His Son, to be truly Your servants amidst the people we serve.

Amen.

We invite You today, Loving Father, to join us in welcoming our new member. It is always wonderful to have a new friend and a new ally in the service of Rotary and for the glory of God.

Thank you very much, Lord, for inspiring him to join our club and reward with Your kind blessings his resourceful sponsor.

As we exhort our new member to wear his pin with pride, grant unto us, O Lord, the strength and the courage to continue and persevere in honoring Rotary with faith and enthusiasm.

Amen.

During these trying times where discord abounds not only in the family circles, but in the corridors of power among nations of the world; when the threats of war and destruction are very imminent, let us remember the prayer for peace of the great St. Francis of Assisi:

"Lord, make me an instrument of Your peace;"

"Where there is hatred, let me sow love; Where there is injury, pardon;"

"Where there is doubt, faith; Where there is despair, hope,"

"Where there is darkness, light; And where there is sadness, joy."

"O Divine Master, grant that I may not so much seek"

"To be consoled as to console, to be understood as to understand,"

"To be loved as to love, For it is in giving that we receive,"

"It is in pardoning that we are pardoned, It is in dying that we are born

eternal life."

Amen.

Father, may everything we do in Rotary
Begin with Your inspiration and continue with Your Saving help.
Let our work always find its origin in You.
And through You, reach completion.
Lord, pour out on us the spirit of understanding, truth and peace,
Help us strive with all our hearts to know what is pleasing to You,
And when we know Your will, make us determined to do it.
God our Father, work is Your gift to us,
A call to reach new heights by using our talents for the good of all.
Guide us as we work, and teach us to live in the spirit,
That has made us brothers and sisters,
Grant this through Christ our Lord,
Amen.

We received a refund of P48,000.00 for the cancelled Discon 2019.

Deducted from our remittance was the club listing of P 3,500.00

Lord, grant me the serenity,

To accept the things I cannot change,

Courage to change the things I can,

And wisdom to know the difference.

Living one day at a time, enjoying one moment at a time,

Accept the hardships as the pathway to peace, taking as He did,

This sinful world as it is, not as I would have it.

Trusting that He will make things right if I surrender to His will,

That I may be reasonably happy in this life,

And supremely happy with Him forever in the next.

History of Rotary International:

Paul P. Harris, an attorney, wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

Within five years, clubs had formed across the county, from San Francisco to New York.

In August 1910, Rotarians held their first convention in Chicago. The 16 clubs that existed at that time united to form the National Association of Rotary Clubs.

In 1912, the name changed to International Association of Rotary Clubs to reflect the addition of clubs in other countries. The name Rotary International was adopted in 1922.

By July 1925, Rotary had grown to more than 2,000 clubs and an estimated 108,000 members on six continents.

Rotary's reputation attracted presidents, prime ministers, and a host of other luminaries to its ranks -- among them author Thomas Mann, diplomat Carlos P. Romulo, and composer Jean Sibelius. As Rotary grew, members pooled their resources and used their talents to serve their communities. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

In 1932, Rotarian Herbert J. Taylor created The Four-Way Test. The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do-

Is is the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

3

Rotary's Structure

Rotary is made up of three parts: at the heart of Rotary are our clubs, that are supported by Rotary International.

1. **ROTARY CLUBS** bring together dedicated individuals to exchange ideas, build relationships, and take action.
2. **ROTARY INTERNATIONAL** supports Rotary clubs worldwide by coordinating global programs, campaigns, and initiatives.
3. **THE ROTARY FOUNDATION** uses generous donations to fund

projects by Rotarians and our partners in communities around the world. As a nonprofit, all of the Foundation's funding comes from voluntary contributions made by Rotarians and friends who share our vision of a better world.

Together, Rotary clubs, Rotary International, and The Rotary Foundation work to make lasting improvements in our communities and around the world.

Our Partners

When Rotary partners with other organizations, we multiply the impact made by either group on their own. We call this "the Rotary effect." From local food banks to global humanitarian organizations, we work with a wide variety of partners, including:

Aga Khan University

Bill & Melinda Gates Foundation

Center for Disease Control and Prevention

Global FoodBanking Network

Goodwill

Mercy Ships

Shelter Box

UNESCO-IHE

UNICEF

United Nations

WHO

The Rotary Foundation

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. The Foundation is a non-for-profit corporation supported

solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world. This support is essential to make possible Foundation grant-funded projects that bring sustainable improvement to communities in need.

1. PolioPlus

Polio eradication is Rotary's top philanthropic priority. When Rotary launched the PolioPlus program in 1985, there were more than 350,000 polio cases in over 125 countries. Since 1988, Rotary has worked with its partners in the Global Polio Eradication initiative to help immunize more than 2.5 billion children and reduce the incidence of polio by 99 percent. Rotary has contributed more than \$1 billion to the global eradication effort.

2. Rotary Peace Fellowships

Rotary Peace Fellowships enable individuals to pursue a graduate degree in international relations, peace, conflict resolution, and related subjects, or a professional development certificate in peace and conflict studies at one of the six Rotary Peace Centers.

3. Grants

Rotary Foundation grants support Rotarians' efforts to change lives and serve communities. Rotary's grant model include:

District Grants - are block grants that enable clubs and districts to address immediate needs in their communities and abroad.

Global Grants - offer clubs and districts opportunities to participate in strategically focused, high -impact activities.

Packaged Grants - support predesigned projects developed by the Foundation and its strategic partners, which are organizations that work in one or more of Rotary's areas of focus and can offer financial support, technical expertise, or advocacy.

Recognition

The Rotary Foundation shows its appreciation to individuals and clubs for personal outright contribution supporting its humanitarian and educational activities.

Rotary Foundation Sustaining Member - A Rotary Foundation Sustaining Member is an individual who contributes \$100 or more each year to the Annual Fund.

Paul Harris Fellow - PHF recognition is given in appreciation to anyone who contributes (or in whose name is contributed) \$1,000 or more cumulatively to the Annual Fund, PolioPlus, or an approved Foundation grant.

Certificate of Appreciation - Occasionally, a donor contributes \$1,000 and wishes to recognize a business or organization. In these instances, A Certificate of Appreciation is given instead of PHF recognition, which is only for individuals.

Multiple Paul Harris Fellow - recognition is given at subsequent \$1,000 levels. Recognition consists of a pin set with additional stones corresponding to the recipient's contribution amount.

Paul Harris Society - recognizes individuals who contribute at least \$1,000 each year to the Annual Fund, PolioPlus, or an approved Foundation grant.

Major Donor - The Rotary Foundation recognizes individuals or couples whose combined giving has reached \$10,000, regardless of the gift designation. This recognition level can be achieved only through personal contributions and not through recognition points.

Arch C. Klump Society - donors who contribute \$250,000 or more become members of the Arch C. Klump Society.

Benefactor - an individual who informs TRF in writing that he/she has made a provision for the Foundation in his/her estate plan or makes an outright gift of \$1,000 or more to the Permanent Fund.

Bequest Society - TRF recognizes couples or individuals who have made commitments in their estate plans totaling \$10,000 or more.

Club Recognition Opportunities

Every Rotarian, Every Year Club - a banner is awarded to clubs that achieve a minimum of \$100 in per capita giving and 100% participation, with every active member contributing some amount to the Annual Fund during the Rotary Year.

100% Paul Harris Fellow Club - every active member must be a PHF when banner recognition is requested.

100% Rotary Foundation Sustaining Member Club - a banner is awarded

to clubs that achieve \$100 in per capita giving, in which every active member of the club personally contributes \$100 or more to the Annual Fund during the Rotary year.

5

SIX AREAS OF FOCUS

All projects, scholars, and vocational training teams funded by global grants and packaged grants work toward specific goals in one or more of the following areas of focus:

1. Peace and conflict prevention/resolution:

- > providing training for leaders, including young potential leaders, in prevention and mediation of conflict.

- > supporting peace-building in communities and regions affected by conflict.

- > supporting studies related to peace and conflict prevention/resolution by career-minded professionals.

2. Disease prevention and treatment:

- > improving the capacity of local health care professionals.

- > supporting disease prevention programs, with the goal of limiting the spread of communicable diseases and reducing the incidence of and complications from non-communicable diseases.

- > enhancing the health infrastructure of local communities.

- > supporting studies related to water and sanitation by career-minded professionals.

4. Maternal and child health:

- > developing opportunities for productive work.
- > reducing poverty in undeserved communities.
- > supporting studies related to economic and community development by career-minded professionals.

Sustainability:

Sustainability means different things to different organizations. For The Rotary Foundation, sustainability means providing solutions to community needs that ensure that the benefiting community can maintain the activities after grant funding ends. Global grant projects must be sustainable and display the following characteristics:

- > Community needs - the host community and Rotary project sponsors develop projects based on the host community's assessment of its needs and strengths.
- > Appropriate technology - project materials are appropriate for the community and, ideally, are purchased locally.
- > Sustainable funding - the community is able to sustain the project without

ongoing support from TRF or other Rotary sources.

> Knowledge transfer - the project includes teaching beneficiaries how to address their ongoing needs after the completion of the project.

> Motivation - the community is able to assume ownership of the project upon its completion.

> Monitoring and evaluation - the project includes a measurement plan to confirm significant improvement, ideally for at least three years.
