**INVOCATION**

Lord Jesus, Son of God, You humbled Yourself to become man, in order to serve and not to be served. We humbly ask You to teach us the ideals of service: that what matters most is not how much we have got, but how much we have given; not how much we have won, but how much we have done; not how much we have saved, but how much we have sacrificed; not how much we were honored, but how much we have served.

God, our Father, always uses those closest to Him. Grant us therefore the privilege and the grace to be closest to You, His Son, to be truly Your servants amidst the people we serve.

Amen.

## JOKE TIME

- 1. So a man dies, goes to heaven, and sees St. Peter. There are so many clocks surrounding him so the man asks, "What are these clocks for?" St. Peter replies, "These are lie clocks, they tick once for every lie you tell. Here we have Mother Teresa's clock. She has never lied so the clock has not moved. Honest Abe has only lied twice in his life, so it has only ticked twice." The man then asks, "so where is George Bush's clock?" St. Peter replies, " Oh, that is in Jesus' office, he is using it as a ceiling fan."**
- 2. Three guys and a lady were sitting at the bar talking about their professions. The first guy says, " I'm a YUPPIE. You know, young urban professional." The second guy says, " I'm a DINK. You know, double income, no kids." The third guy says, " I'm a RUB. You know, rich urban biker." They turn to the woman and ask, " So, what are you?" The woman replies, " I'm a WIFE. You know - Wash, Iron, F\*\*\*, Etc?"**
- 3. A football coach walked into the locker room before a game, looked over to his star player and said, " I'm not supposed to let you play since you failed math, but we need you in there. So what I have to do is ask you a math question, and if you get it right, you can play." The player agreed, and he looked intently into his eyes and asks, " Okay now concentrate: what is 2 plus 2?" The player thought for a moment and then answered, "4?" "Did you say 4?!" the coach exclaimed, excited that he got it right. At that the other players on the team began screaming. "Come on coach, give him another chance."**
- 4. 20 years ago, we had Johnny Cash, Bob Hope, and Steve Jobs. Now we have no cash, no hope and no jobs.**
- 5. Q: Why did Captain Kirk go to the ladies room?  
A: Because he wanted to go where no man has gone before.**

## ROTARY INFORMATION

### We Are Rotary

"Rotary" is the connective thread that binds Rotary International and The Rotary Foundation. Rotarians naturally refer to our organization as "Rotary." Embracing "Rotary" as our communicative name is a simple, yet critical, step to unify our organization and strengthen our message.

> Rotary -- what we call ourselves when referring to the enterprise as a whole in all communications.

> Rotary International -- how we refer to our global organization of 35,000 clubs and the governance and offices that support them.

> The Rotary Foundation -- what we use when referring to Rotary's fund-raising and grant-making arm, when appropriate and/or legally required.

Our essence originates from Rotary's vision statement and explains who we are, what we care about, and how we communicate and make decisions. OUR VISION: Together, we see a world where people unite and take action to create lasting change -- across the globe, in our communities, and in ourselves.

OUR ESSENCE: Rotary joins leaders from all continents, cultures, and occupations to exchange ideas and take action for communities around the world.

Our essence summarizes what Rotary is all about -- current and emerging leaders who come together, form relationships, and create a positive impact in communities at home and around the world. It also reflects the values that define Rotary: fellowship, integrity, diversity, service and leadership.

By focusing our communications on our essence, we reinforce what Rotary stands for, how we differ from other organizations, and why Rotary matters today. This approach makes it possible for each of us to develop our own powerful statement about our clubs and collectively tell a compelling and cohesive story about Rotary.
