INVOCATION

We invite You today, Loving Father, to join us in welcoming our new members. It is always wonderful to have new friends and new allies in the service of Rotary and for the glory of God.

Thank you very much, Lord, for inspiring them to join our club and reward with Your kind blessings their resourceful sponsors.

As we exhort our new members to wear their pin with pride, grant unto us, O Lord, the strength and the courage to continue and persevere in honoring Rotary with faith and enthusiasm.

Amen.

JOKE TIME

1. Two hunters are out in the woods when one of them collapses. He's not breathing and his eyes are glazed. The other guy whips out his cell phone and calls 911.

"I think my friend is dead!" he yells. "What can I do?"

The operator says, "Calm down. First, let's make sure he's dead.

There's a silence, then a shot. Back on the phone, the guy says, "OK, now what?"

2. In surgery for a heart attack, a middle-aged woman had a vision of God by her bedside. "Will I die?" she asks.

God says, "No. You have 30 more years to live."

With 30 years to look forward to, she decides to make the best of it.

So, since she is in the hospital, she gets breast implants, liposuction, a tummy tuck, hair implants, and collagen injections on her lips. She looks great! The day she's discharged, she exits the hospital with a swagger, crosses the street, and is immediately hit by an ambulance and killed. Up in heaven, she sees God. "You said I had 30 more years to live," she complains.

"That's true," says God.

"So what happened?" she asks.

God shrugs. "I didn't recognize you."

3. A man is struggling to find a parking space. "Lord," he prays. "I can't stand this. If you open a space up for me, I swear I'll give up the drink and go to mass every Sunday."

Suddenly, the clouds part and the sun shines on an empty parking spot.

Without hesitation, the man says, "Never mind, I found one."

4. The village blacksmith finally found an apprentice willing to work hard for long hours. The blacksmith instructed the boy, "When I take the shoe out of the fire, I'll lay it on the anvil, and when I nod my head, you hit it with this hammer."

The apprentice did just as he was told. Now he is the village blacksmith.

ROTARY INFORMATION

We Are People of Action

People of Action helps define Rotary for those who don't know us. We're professional, community, and civic leaders who connect with each other and who share a unique perspective and passion for taking action to improve the world.

Rotary is committed to making the world a better place.

- > we bring together people of action from all continents and cultures who deliver long-term solutions to the world's most persistent issues.

Rotary helps us become better leaders, individuals, and humanitarians.

- > we're an organization founded on people, relationships, and taking action.

- > we use our professional backgrounds, diverse perspectives, and global connections to change the world for the better.

- > through service, we make lifelong friendships that transcend political, cultural, and generational boundaries and foster global understanding and respect.

By presenting Rotarians as people of action, we bring Rotary's vision to life in a relevant and tangible way. When we speak with the same voice, we raise awareness and understanding of Rotary.

Rotary members are the messengers of this campaign. As ambassadors of our brand, clubs are empowered to share the simple but captivating message that Rotary members are taking action to create positive change.
