Emcee	PE/Sec. February Ann Canoy

INVOCATION

Father, may everything we do in Rotary
 Begin with Your inspiration and continue with Your Saving help.
 Let our work always find its origin in You.
 And through You, reach completion.
 Lord, pour out on us the spirit of understanding, truth and peace,
 Help us strive with all our hearts to know what is pleasing to You,
 And when we know Your will, make us determined to do it.
 God our Father, work is Your gift to us,
 A call to reach new heights by using our talents for the good of all.
 Guide us as we work, and teach us to live in the spirit,
 That has made us brothers and sisters,
 Grant this through Christ our Lord,
 Amen.

JOKE TIME (IT HelpDesk)

1. **Caller:** "Can you help me with my computer internet?"

Agent: Can you close all windows and get back to the desktop?

(Five minutes later, caller says he is back at the desktop)

Agent: "Can you see "My Computer" on your desktop now?"

Caller: "No."

Agent: "Can you close the Window?"

Caller: " I have already closed the window, behind my computer."

2. **Agent:** "Can you click on the "My Computer" on your desktop now?"

Caller: "How can I click on your computer?"

3. **Caller:** "I want to connect to the internet."

Agent: "Are you sitting in front of the computer?"

Caller: "Yes."

Agent: "What do you see on the screen of your computer?"

Caller: "The computer is still in the box."

4. **A man came in with a PC he had bought from us, claiming the machine was broken. "I can't get the disk out. I have tried butter knives, screw drivers, pliers, NOTHING will work, "he said, and demanded a refund.**

I calmly said to him, "Have you tried the eject button?"

"What eject button?" he asked, as I pointed towards it. The look on his face was priceless.

5. **It's hard to keep up with technology changes. There is only so much knowledge you can keep in your brain and I am convinced this is the reason for my headaches.**

SECRETARY'S REPORT

2. Dr. Giovanna Raffiñan
3. Mr. Niño Matillano

ROTARY INFORMATION

RI President Shekhar Mehta urges countries at COP26 to protect the environment.

Rotary International President Shekhar Mehta joined the Rotary delegation to the 26th United Nations Climate Conference in Glasgow, Scotland, on 10 November to explore ways Rotary can work on environmental challenges, including restoring mangroves, a crucial ecosystem that can mitigate the effects of climate change in coastal areas.

The climate summit, also known as COP26 (short for Conference of the Parties), brought together nearly 100 heads of state and governments over a two-week period to set new targets for fossil fuel emissions. This was Rotary's first time at the annual conference.

Mehta co-led a round table discussion with Patricia Scotland, secretary-general of the Commonwealth, that focused on the crucial role mangroves play in mitigating and adapting to climate change. Mangroves sequester large amounts of carbon and also protect against storm surges and coastal erosion, filter pollutants, and provide habitat for aquatic life, among other benefits.

Climate and environmental representatives and experts from more than 20 countries attended the round table and pledged to act alongside Rotary to help save and restore mangroves.
