**INVOCATION**

Lord Jesus, Our Greatest Friend, we believe that You are a God of joy and laughter. Tonight, we invite You to a joyful and relaxing visit with us, as we celebrate last year's triumphant deeds, the promise of another exciting year, and savoring fraternal agape of value-driven friends and people of goodwill.

Lord, You reward immediate Past President Trixia and his team for a wonderful job done last Rotary Year. Bless and inspire President February and his team to do more wonders this coming Rotary Year, especially for the down trodden and the needy.

And for the rest of us, our lovely and loving Spouses, our distinguished and charming guests, cast Your spell of camaraderie and good cheers so that this evening will not just be a passing episode, but will remain, throughout the year, a lingering memory.

And, dear Lord, as Your loving children and followers of unquestioned loyalty, we enjoy You to stay with us for the entire inaugural ceremony.

Amen

## JOKE TIME

1. A woman and her husband stop at a dentist's office. "I need a tooth pulled right away," she says. "Don't bother with the Novocain, we're in a hurry." "Which tooth do you want pulled?" asks the dentist. The woman shoves her husband toward the dentist. "Go ahead, dear Show him your tooth."

2. My sister Tina was telling her husband, Kay, about a wonderful program she had watched on TV. The show gave a national award to heroic people who put themselves in grave danger to help out someone they hardly knew. Kay replied, "that sounds a lot like getting married."

3. Conversation between a pharmacist and a female customer:  
Woman: "I need to buy some arsenic." Pharmacist: "Why do you need arsenic?" Woman: "I need arsenic because I want to kill my husband." Pharmacist: "What?" Woman: "You heard me! I want to kill my husband." Pharmacist: "Why on earth would you want to do that?" Woman: "Because he's having an affair with YOUR wife!" Pharmacist: "Well, why didn't you tell me you had a prescription."

4. A woman noticed her husband standing on the bathroom scale, sucking in his stomach. "Ha! That's not going to help," she said. "Sure, it does," he said. "It's the only way I can see the numbers."

## ROTARY INFORMATION

### ROTARY'S STRUCTURE

Rotary is made up of three parts: at the heart of Rotary are our clubs, that are supported by Rotary International.

1. ROTARY CLUBS bring together dedicated individuals to exchange ideas, build relationships, and take action.
2. ROTARY INTERNATIONAL supports Rotary clubs worldwide by coordinating global programs, campaigns, and initiatives.
3. THE ROTARY FOUNDATION uses generous donations to fund projects by Rotarians and our partners in communities around the world. As a nonprofit, all of the Foundation's funding comes from voluntary contributions made by Rotarians and friends who share our vision of a better world.

Together, Rotary clubs, Rotary International, and The Rotary Foundation work to make lasting improvements in our communities and around the world.

#### Our Partners

When Rotary partners with other organizations, we multiply the impact made by either group on their own. We call this "the Rotary effect." From local food banks to global humanitarian organizations, we work with a wide variety of partners, including:

### Our Leadership

What does it take to be a leader with Rotary? Integrity, expertise, and a commitment to service -- all the qualities that make Rotary members extraordinary. We look for these qualities in all our leadership positions, including our elected President and Board of Directors, who lead Rotary International, our appointed Trustee Chair and Board of Trustees, who run The Rotary Foundation, and our General Secretary and executive staff, who provide long-term oversight of the organization. Members of each Rotary club elect their own leadership.
