**INVOCATION**

We invite You today, Loving Father, to join us in welcoming our new member. It is always wonderful to have new friends and new allies in the service of Rotary and for the glory of God.

Thank you very much, Lord, for inspiring her to join our club and reward with Your kind blessings her resourceful sponsor.

As we exhort our new member to wear her pin with pride, grant unto us, O Lord, the strength and the courage to continue and persevere in honoring Rotary with faith and enthusiasm.

Amen.

## JOKE TIME

1. I rang the doctor and said, "Quick! My pregnant wife is going into labor, what should I do?" He said, "is this her first child?" I said, "No, this is her husband."

2. My wife apologized for the first time ever today. She said she's sorry she ever married me.

3. My wife thinks I don't respect her privacy enough. At least, that's what it says in her diary.

4. The guy who invented autocorrect for smart phones passed away today. Restaurant in peace.

5. Q: Why should you never date tennis players?  
A: Love means nothing to them.

6. Q: What's the difference between love and marriage?  
A: Love is blind. Marriage is an eye opener.

## ROTARY INFORMATION

### Rotary Fellowships and Rotarian Action Groups

Rotarians' interests and hobbies are as diverse as they are. Two types of international groups offer Rotarians ways to pursue interests they have in common with other members worldwide: Rotary Fellowships, which center around recreational or vocational interests, and Rotarian Action Groups, which focus on specific service areas.

Rotary Fellowships represent an abundance of recreational pursuits, including tennis, music and canoeing, and professional interests such as medicine, law enforcement, and photography. Their activities are as varied as their interests.

Rotarian Action Groups help Rotary clubs and districts plan and implement large-scale projects in their area of expertise. For example, the Water and Sanitation Rotarian Action Group functions as an expert consulting entity that advises clubs and districts on how to undertake water and sanitation projects that have real impact. The Rotarians for Family Health and AIDS Prevention Rotarian Action Group mobilizes Rotarians to help tens of thousands of people in under-resourced communities get low-cost, comprehensive health services and screenings.
