INVOCATION

God in heaven, we thank You for all the things You have given us,
For the true friends that share, and the loved ones we care.

As we gather here, dear Lord, we ask You to look down upon us,
Fill our hearts with Your mercy and love,
Guide us with the divine wisdom from above.

May tonight's meeting be not in vain,
Rather make it full of useful ideas, rich in ways to serve,
That our purpose of joining Rotary,
Will be kept booming today and everyday.

Amen.

JOKE TIME

1. During a heartfelt chat with a friend about relationships, my wife sighed and said, "You know, if something happens to Lloyd, I don't think I could ever marry again." Her friend nodded sympathetically, "I know what you mean," she said. "Once is enough."

2. My ex and I had a very amicable divorce. I knew this because when I wrote the Facebook status, "I'm getting a divorce," he was the first one to click Like.

3. One friend complained to another. "All my husband and I do is fight. I've been so upset, I've lost 20 pounds." "If it's that bad, why don't you just leave him?" asked the second friend. "I'd like to lose another 15 pounds first."

4. As I performed a simple medical procedure on my patient, I warned her, "After this, you can't have sex for at least three days." "Did you hear that?" she asked her husband. "No sex for three days." "I heard," he said. "But she was speaking to you."

5. I've noticed that my 60-year-old father seemed to be losing his hearing, so I mentioned it to my mother. "Things haven't changed much," she said. "Only difference is, before, he didn't listen. Now, he can't."

ROTARY INFORMATION

Protecting the Environment

Rotary shares an interest in protecting our common legacy: the environment.

We are committed to supporting activities that strengthen the conservation and protection of natural resources, advance ecological sustainability, and foster harmony between communities and the environment. We empower communities to access grants and other resources, embrace local solutions, and spur innovation in an effort to address the causes and reduce the effects of climate change and environmental degradation.

How Rotary Makes Help Happen:

Rotary members are tackling environmental issues the way they always do: coming up with projects, using their connections to change policy and planning for the future.

How Rotary Will Help Protect Our Planet:

The Rotary Foundation will enable our members and their community allies to take action in these ways:

- > Protecting and restoring land, coastal, marine and freshwater resources.
- > Enhancing the capacity of communities to support natural resource management and conservation.
- > Supporting sustainable agriculture, fishing, and aquaculture practices.
- > Addressing the cause of climate change by reducing the emission of greenhouse gases.

- > Strengthening ecosystems and communities affected by climate change.
- > Supporting education initiatives that promote behavior that protects the environment.
- > Advocating for sustainable consumption to build an economy that uses resources more efficiently.
- > Addressing environmental justice issues and public health concerns.
