I want to be a Rotarian for the world  
Make the Rotary flag as the flag of peace unfurled  
I shall serve, my community, help achieve universal unity.

Through Rotary, I shall dedicate my all  
World understanding shall be my cherished goal

With the 4-way test, I'll pursue my quest  
And if I, in a way help obtain  
Peace in the world, I shall not have lived in vain

I observe service above self  
Lend a hand to all who need my help  
I'll get my spouse to involve in Rotary  
And in Rotary ways, I will train my family

With the four way test, we'll pursue our quest  
And if we, in a way help obtain

Build a bridge for tomorrow's youth  
Strengthened by nothing but the truth

Let's join our hands, there's no reason we'll divide  
We shall all understand why the good Lord is our guide

With the four way test, I'll pursue my quest  
And if I, in a way help obtain  
Peace in the world I shall not have lived in vain

Peace be achieved, we shall have not lived ....  
in vain.

## Rotary November Bulletin

**January 21, 2026**

Dear Fellow Rotarians,

From July 1 to December 31, 2025, the Rotary club of Metro Cebu actively carried out projects and activities aligned with Rotary International's goals of service fellowship and community development. The club remained visible and engaged, through regular meetings, service initiatives, partnerships and fellowship activities. You can refer to the summary of all activities/projects conducted during the first half of the Rotary Year 2025-2026; a copy of which was presented and distributed to the members last December 10, 2025, our last regular club meeting for the year 2025.

As we begin the new year, I extend my warmest greetings to everyone as we welcome the year 2026 with renewed hope, purpose, and commitment to Service Above Self. January is always a special month for us in Cebu; not only as a fresh beginning, but also as a time of deep faith, gratitude and joyful celebration.

As we honor the Feast of the Señor Sto. Nño, we are again reminded of the values that unite us as Rotarians: compassion, generosity and unwavering service to others. The Sinulog Festival, with its vibrant colors, music, and devotion, reflects the resilient spirit and strong faith of the Cebuano people. It is a beautiful expression of thanksgiving for blessings received and a prayer for guidance in the year ahead. PIT SEÑOR!!

President 2025-26

January 2026

In a garage outside Salinas, California, young people who are learning to restore classic cars are doing more than developing a skill — they are reclaiming their futures. This training program provides mentorship and, for some, a path away from gang involvement toward meaningful employment. Graduates leave with certifications, practical experience, and hope.

This is what Rotary's Vocational Service Month celebrates each January — the power of bringing together people with unique skills to do good in the world. It reminds us that integrity isn't just about our actions matching our words. Integrity is in everything we do.

The California automotive program has been such a success because it was built on integrity. Members of the Rotary Club of Carmel-by-the-Sea didn't assume they knew what the community needed. They listened. They learned there was a shortage of skilled mechanics as well as a large number of young people lacking job training. They recognized that technical skills alone wouldn't be enough, so they partnered with Rancho Cielo, a nonprofit offering counseling and support services alongside vocational training.

That is The Four-Way Test in action. Those four simple questions help us not judge others but guide us toward genuine, effective service.

Consider our commitment to ending polio. For nearly 40 years, we have promised the world's children we will eliminate this disease. Despite obstacles, we persist, and today we are closer to defeating the virus. Keeping this promise is the very definition of integrity.

The same integrity must drive our vocational service. With 1.2 billion young people in emerging economies reaching working age in the next decade and only 420 million jobs projected, we face a critical gap. Communities long excluded from economic opportunities need our support.

But support doesn't mean imposing our will. It means listening to local needs, building partnerships, and designing projects that communities can sustain themselves.

You have knowledge that can transform lives. Whatever your profession, your expertise combined with Rotary's values creates lasting change. The question isn't whether you have something to offer, it's how you'll use your skills to serve.

This January, I encourage you to ask how your club can address vocational needs in your community. What skills do your members have that could change someone's life? How can your networks open doors for young people? What partnerships can create sustainable jobs?

Let integrity guide you. Let The Four-Way Test light your path. And let the young people in California and the multitudes worldwide who need job skills remind you why vocational service matters.

Let us celebrate putting our professional skills to work for humanity with integrity at the heart of everything we do.

### Sto. Niño's Inspiration: Guiding RCMC Towards Deeper Service in 2026

By: **Rtn. Rev. Fr. Alwen Jimenez**  
Diocese of San Carlos

As we embrace 2026, the image of Sto. Niño provides a good reminder of the core values that can guide us through the challenges and triumphs that lie ahead. The Child Jesus urges humility, obedience, and joy, aligning with the mission of Rotary Club members as we pursue a meaningful difference in our communities.

Humility is perhaps the most striking lesson we can glean from Sto. Niño. In an era where pride and greed often overshadow genuine connection and service, the Sto. Niño teaches us that true greatness lies in our ability to serve others selflessly. As Rotary members, embracing this humility allows us to acknowledge our limitations and recognize the value of collaboration.

When we put aside our egos and focus on the needs of our communities, we create an environment where compassion thrives, inspiring others to follow suit.

Equally important is the virtue of obedience. The Sto. Niño embodies steadfast obedience to God's will, reminding us that our own desires must not overshadow our dedication to a higher purpose. In the face of discomforts and challenges, it is essential for members of the Rotary Club to remain steadfast in our mission, responding to the needs of others with grace and determination. By living out the virtue of obedience, we foster a sense of trust and unity within our organizations and the communities we serve, allowing us to work together towards common goals.

\*Member's Insight Corner is a special section for RCMC members to express their thoughts on service, leadership, fellowship or any information relevant to their classification. Through this sharing, RCMC hopes to foster openness, understanding and respect and a better relationship towards each member, and the community we serve.

## Member's Insight Corner\*

Lastly, the joy that emanates from the Sto. Niño invites us to approach our endeavours with optimism and gratitude. In a world that often equates happiness with material possessions, the Sto. Niño invites us to find joy in acts of service, love, and sacrifice. As Rotary Club members, we have the opportunity to become joyful witnesses of our faith through our actions. When we put the welfare of others before the lure of money and influence, we spark enduring change that extends well beyond our own circle.

As we embark on this new year, let us hold the Sto. Niño close to our hearts. May his example inspire us to incarnate humility over pride, obedience over complaint, and joyful service over mere external happiness. By doing so, we not only enrich our own lives but also become instruments of hope and blessings in our communities, living out the true essence of Rotary's commitment to service.

## Invocation

Heavenly Father, we come to you today asking for your guidance, wisdom, and support as we begin this meeting.

Help us to engage in meaningful discussion; allow us to grow closer as a group and nurture the bonds of community.

Fill us with your grace, Lord God, as we make decisions that might affect each one of us, our family, and the communities that we serve. And continue to remind us that all that we do here today, all that we accomplish, is for the pursuit of truth for the greater glory of You, and for the service of humanity.

All these we pray, in the mighty name of Jesus, Amen.
