# January is Vocation Month....

Taking It By Heart  
 By: PAG Ma. Theresa M. Salise

Call her anytime of the day, assign her any task and without qualm she does it without hesitation. If it runs in conflict with her busy schedule, she will take efforts to find ways to help, to share, and to give.

A Rotarian by heart and by soul, she joined the Rotary in 2015 with Past President Luzminda T. Sadakata as her sponsor.

A dentist by profession, she is a Graduate of South Western University in Cebu City ( Year 1993) . Born to parents Ciriaco Alegado and Josefina Acosta , she hails from Cebu City. "Vangie" (as she fondly called by friends) comes from a brood of 9 ( three boys and six girls), she is being the youngest.

She finds fulfillment in joining the Rotary, happy to serve and touch people's lives. Since she joined the Rotary, she has remained very consistent in her commitment to the Rotary yet she still finds time to spend quality moments with her only child Carlos Miguel Marfori.

A very generous person she has many nieces and nephews who are her scholars seeing to it that they will become successful in the future.

A generous person with a big heart , apart from her family and relatives, she has the desires to be of help to the under privileged and this prompted her to join the Rotary taking every role as a Rotarian by heart always giving her best in every step of the way!
