DG RIZ MESSAGE
ROTARY WEEK CELEBRATION
AREA 3I and 3J
FEBRUARY 25, 2021

May I recognize AG Teresita Muriel Si and AG Rosemarie Lim and the Club Presidents, Officers and members of the Rotary Clubs of Areas 3I and 3J.

My deepest appreciation for organizing an area-wide activity to celebrate Rotary International 116th Birthday.

It would have been a great pleasure to be with you during this laudable undertaking but I have commitments already as I am travelling for District Governors visit to Areas 3A, 3B and 3C on February 24, 2021.

February 23 marks the 116th anniversary of the world's first Rotary meeting. This day is also called **World Understanding and Peace Day**. On that date in 1905, four individuals, each of a different background and different vocation met for dinner in the spirit of friendship and fellowship.

Fellow Rotarians, little did Paul Harris and his three friends realize what they were starting when they met in room 711 of the Unity Building in Chicago. We have come a long way, since then, but we still have a long way to go to achieve goodwill, peace, and understanding among all people of the world.

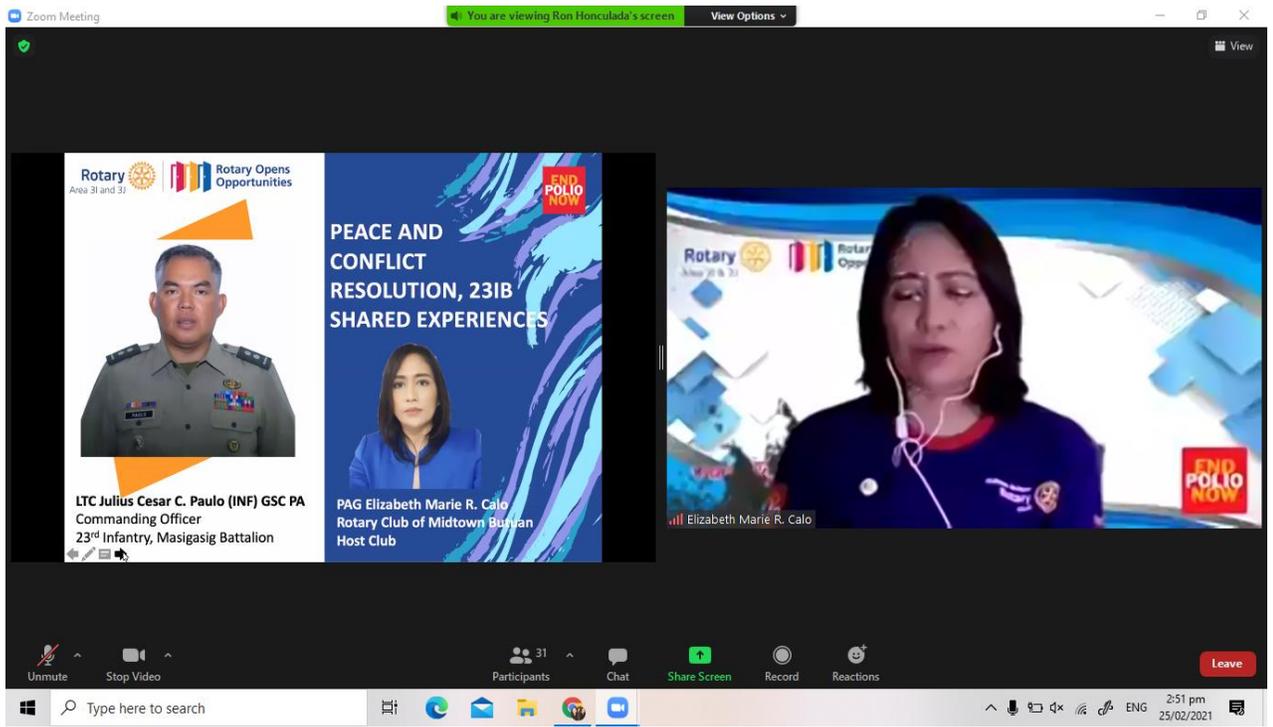

Today there are 1.2 million Rotarians, organized into more than 35,000 clubs covering 6 continents and most of the world's countries. It is almost unbelievable how much Rotary has accomplished in the last 116 years in the seven (7) areas of focus – promoting peace, fighting disease, providing clean water, child and maternal health, education, local economic development and supporting the environment. It is equally unbelievable how much further there is go.

The Board of Directors of Rotary International encourages that all Rotary Clubs plan programs and take on special activities to emphasize understanding and goodwill as essential components of world peace as we also celebrate February as Peace building and Conflict Prevention Month. Fellow Rotarians, let us celebrate our history and the many ways that *Rotary Opens Opportunities* to advance world understanding, goodwill, and peace-our ultimate mission.

Happy 116th Birthday to all of us. Keep safe everyone.
