WEAR IN THIS TOGETHER

By: Nels Benedico

Rotaract President-Community Based

In celebration of the 53rd World Rotaract Week, Rotaract Club of Midtown Butuan Community Based and School Based- CSU Chapter together with various Rotaract Clubs from both Area 3I and 3J initiated and organized a joint club project entitled WEAR ALL IN THIS TOGETHER: Face Mask and Alcohol Sprays Distribution Service Project conducted on March 14, 2021. The target population for this project was our very own backbone of transportation, the tricycle drivers, who served also as front liners in this time of pandemic. The number of recipients in this project was 100 tricycle drivers located in Butuan City. The objective of this project is to deliver a simple gesture of care for our drivers. We decided to express our gratefulness for their service to the people of Butuan for giving them Basic Covid-19 Kit containing alcohol sprays and face masks. This is to help them prevent from acquiring the COVID-19 disease since they are exposed to different people every day. Every time they received our simple gift, they always replied with smile and thank you which were quite priceless for us. We also learned in this project that a simple act of kindness can warm someone's heart amidst this surviving times.

By: Marcy P. Bernados

Rotaract President-School Based- CSU Chapter

One of the reasons why the youth joined Rotaract aside from helping the community is to build friendship by meeting their fellow Rotaractors through what we called fellowship. The Rotaract club of Midtown Butuan Community based and Rotaract Club of Midtown Butuan CSU Chapter- School based together with the different Rotaract clubs of Area 3I and 3J enjoyed the "HAPAK: Badminton Fellowship Activity" as a culminating activity of the 53rd World Rotaract Week Celebration 2021. The badminton sport tested the agility and endurance of Rotaractors. It was indeed an enjoyable game! Through this activity also, Rotaractors were not only energized but also was able to uphold the essence of sportsmanship and camaraderie, connect or meet different Rotaractors from different clubs, build relationship to be an inspiration to their fellow youth, and make an impact to the community.
