October 1, 2021

The Rotary Club of Midtown Butuan attended the Kick-Off Activity of the Joint Area 3I and 3J celebration of the Breast Cancer Awareness Month. The kick-off started with a thanksgiving mass at St. Joseph Cathedral which was presided by Rev. Fr. Ramses L. Oñez. This was followed then by a motorcade around the city. Vehicles were adorned with pink balloons and pink ribbons which stand for prevention, detection, treatment, and increased breast cancer awareness. They also signify strong moral support to women with breast cancer. Seven Midtowners, three Rotaractors, and one Rotarian spouse in pink tops attended the said kick-off activity.

AREA 3I AND 3J JOINT SERVICE PROJECT:
Project PEACE DF (Provision of Essentials to Armed
Conflict/Encounter Displaced Families)
Brgy. Bit-os, Butuan City
October 2, 2021 @ 9:00 am

"Never stop doing little things for others. Sometimes those little things occupy the biggest part of their hearts."

The Rotary Clubs of Area 3I and 3J headed by the lead club Rotary Club of Midtown Butuan took action to show care and love to 100 displaced families of Purok 13A and Purok 13B, Balite, Brgy. Bit-os. The families took shelter for a week at Bit-os Elementary School as they were forced to evacuate due to armed conflict or encounter between the CPP NPA and the Armed Forces of the Philippines. They could only go back to their place once it is declared safe. Area 3I and 3J Rotary clubs provide food and health essentials such as rice, canned goods, packs of odong, biscuits, and boxes of face masks to them.

It is so heartwarming to note that Rotarians responded immediately when situations like this arise. From the Rotary Club of Midtown Butuan, nine Midtowners and five Rotaractors joined the activity. RIFEC Enrique G. Andres, Area 3I Asst. Governor Ma. Victoria Torre Franca, and Area 3J Rohdora Canlas were also present. Brgy. Captain Elsa Mordeno together with the members of the barangay council helped in facilitating of the giving of goods to the displaced families.
