NOVEMBER 01, 2021 @ 5:00 AM

In celebration of the club's 11th Charter Anniversary, the Midtowners, together with the Rotaractors, went to Cubi-Cubi to conduct coastal clean-up. This is to help the community and even cottages' owners in keeping their seashore clean and free from trashes. Most of the trashes that were picked up were non-biodegradable such as plastic bottles, glass bottles, plastic cups, cellophanes, slippers, ropes, and many more. Sacks of trashes were turned over to the caretaker of the beach for proper disposal.

After the coastal clean-up, fellowship followed. Midtowners shared the food prepared such as lechon, kinilaw, boiled bananas, boiled camote, pasta, cake, fruits, and chips. A raffle draw was also conducted by Life Changing President Rosalyn N. Cortel. All had a good laugh when they noticed that everyone received a prize.

It was indeed a day of celebration, service, and fun.

SERVICE PROJECT: Construction of Additional Span of Perimeter Fence and Handover of Hygiene Kits  
Maguinda National High School  
November 13, 2021 | 7:00 am

"The act of giving is the heart of happiness."

Midtowners and Rotaractors woke up early for the 45-minute ride to Brgy. Maguinda. Every one was geared up for the construction of additional span of perimeter fence of Maguinda National High School. The club prepared also 30 hygiene kits for the 30 female IP and non-IP students of the school. Each kit contained face towel, toothbrush, toothpaste, powder deodorant, shampoo, bath soap and alcohol. As everyone arrived in MNHS, they were welcome by Principal Norman Almirol and his faculty. A short program was held which was followed by the handover of kits and the start of construction of additional span of perimeter fence. After these activities, a fellowship among Midtowners, Rotaractors, and MNHS faculty and staff followed. It seemed like a feast as everyone savored the sumptuos foods like pancit bihon, kakanin, fruits, adobong bisayang manok, boiled camote, boiled bananas and unlimited buko juice prepared by MNHS. The activity was attended by nine Midtowners , two Rotaractors, and MNHS faculty and staff. Hon. Eleno M. Orquiz, the barangay captain, was also present during the activity.
