SERVICE PROJECT: Relief Operation for Typhoon Odette Survivors

January 20, 2022 | 9:00 am

Caraga Institute of Technology, Kitcharao, Agusan del Norte

"Somewhere along the way, we must learn that there is nothing greater than to do something for others." - Martin Luther King Jr.

Typhoon Odette devastation was observed in so many areas. It didn't only change the physical landscape of so many places on Mindanao and Visayas but left also the people in need of every day essentials. The Rotary Club of Midtown always heed on the call of helping our brothers and sisters in times like this. RCMB was on its third relief operation already for Typhoon Odette survivors. The club, in partnership with Caraga Institute of Technology, UST HS Batch 1979, and Soulbeats Inc. distributed relief goods containing food essentials to 900 recipients who are mostly IP's last January 20, 2022 at Caraga Institute of Technology, Kitcharao, Agusan del Norte. The relief goods wouldn't only save the recipients' meals for days but it's a beautiful reminder that people like the Rotarians and their partners truly care.
