The club partnered with different individuals and book company to provide books of all sorts (textbooks, general knowledge books, storybooks, lifestyle books, magazines, and many others). The club aims to fill the reading kiosks and libraries of public schools in remote areas. This is also the club's way to support the Department of Education initiatives 3 B's (Bawat Bata Bumabasa). Teachers of the recipient-school will also have learning resources for their Brigada Pagbasa. To date, the club distributed already books that cost around Php1.8+ million plus to seven schools.
