The "Your Gift of Reading, My Learning Part 9" (Libro nga Gasamo, Kinaadman Ko Part 9) spearheaded by President Jennifer Marie Alaba achieved remarkable success. This ongoing project is dedicated to supporting schools, especially those situated in remote areas. We extend our heartfelt gratitude to our sponsoring partner, Don Bosco Press, whose generous support enables us to expand the reach and impact of this initiative.

With the assistance of Don Bosco Press, we can provide essential educational resources such as books, learning materials, and supplies to schools that lack adequate resources.

These contributions directly benefit students by enhancing their access to quality education and fostering a conducive learning environment.

Additionally, by promoting literacy and education in remote areas, we empower communities and contribute to their long-term development and prosperity.
