Then & now ...

Celebrating our 13th Year Charter Anniversary!

It feels like just yesterday when a small group of passionate individuals came together with a shared vision to make a difference in our community. Our journey began 13 years ago with a humble mission to serve and uplift, guided by the core values of Rotary. What started as a simple aspiration has blossomed into a legacy of impactful service and community building.

Together, we have weathered challenges and celebrated triumphs, all the while remaining steadfast in our commitment to the ideals of 'Service Above Self' and 'Creating Hope in the World.' Our collective efforts have touched countless lives and left an indelible mark on the heart of our community.

As we reflect on our rich history and the countless memories we've created, let's look forward with hope and enthusiasm, knowing that our best is yet to come. Here's to many more years of serving with purpose and making a meaningful difference in the world. Cheers to 13 years of excellence!
