

EMPOWERING THE YOUTH: ROTARY CLUBS JOIN NATIONAL CRIME PREVENTION WEEK 2024

The Rotary Club of Midtown Butuan and the Rotary Club of Central Cabadbaran, in partnership with the Department of the Interior and Local Government – Agusan del Norte (DILG-ADN), actively participated in the National Crime Prevention Week 2024, held on September 3, 2024, at the Bethany Home of the Missionary Sisters of Mary, Baan 3, Butuan City. This year's theme, "The Youth: At the Forefront of Building Resilient Communities through Crime Prevention and Public Safety," highlighted the crucial role of young people in fostering safer and more secure communities.

A Commitment to Service and Public Safety

As part of their ongoing commitment to social responsibility and crime prevention advocacy, the Rotary Clubs extended their generosity to the Bethany Home by donating 30 pieces of essential items, including canned goods, noodles, toiletries, writing materials, snacks, and ice cream. These contributions aimed to provide support and comfort to the residents, reinforcing the Rotary's mission of service above self.

Bethany Home, run by the Missionary Sisters of Mary, is a refuge for the underprivileged, particularly women, children, and the elderly who need care and protection. By engaging with the residents and offering these donations, the Rotary Clubs reaffirmed their dedication to uplifting vulnerable populations and promoting community safety and well-being.

Collaboration for a Stronger Community

The event was made possible through the support of Provincial Director DILG-ADN PD Ellen Chua, whose leadership and commitment to public service played a vital role in this meaningful initiative. The collaboration between Rotary, DILG, and Bethany Home serves as a powerful reminder that when organizations unite for a cause, real and lasting change happens.

The Magic of Rotary in Action

Our participation in the National Crime Prevention Week 2024 is a testament to the Rotary's mission of building stronger, safer, and more resilient communities. By empowering the youth and working together with local organizations, we continue to uphold the values of service, peace, and social responsibility.

As we move forward, the Rotary Club of Midtown Butuan remains steadfast in its dedication to service above self, ensuring that initiatives like these continue to make a lasting impact. Together, we build a safer, more compassionate society—one act of service at a time.
