San Juan Elementary School,
Brgy. Florida, Butuan City

The Rotary Club of Midtown Butuan proudly celebrated the 12th installment of its signature literacy initiative, Your Gift of Reading, My Learning: "Libro Nga Gasa Mo, Kinaadman Ko".

This meaningful endeavor brought joy, inspiration, and much-needed educational support to the bright young students of San Juan Elementary School, Brgy. Florida, Butuan City.

This year's project was a tremendous success, made possible by the generous donation of 395 books from Don Bosco Press Inc., providing invaluable learning materials to encourage students' love for reading. To add to the excitement, Ma'am Lydia Yungco donated delightful stuffed toys, bringing smiles to the children's faces.

Further extending our support, our club provided 10 backpacks filled with essential school supplies—including pencils, ballpens, yellow pads, white pads, erasers, sharpeners, and notebooks—courtesy of our generous new club member, Arch. Mikhail Angilo Paloma, who also donated 70 kilos of rice to help sustain the school's feeding program. Additionally, anonymous club members contributed 5 more backpacks, ensuring that more students benefited from this initiative.

To make the day even more memorable, the children enjoyed delicious Jollibee snacks, adding a joyful touch to the event. Our heartfelt gratitude goes out to the local government officials of Brgy. Florida, led by Hon. Teodoro B. Angchangco, the SPTA Officers, led by President Catherine P. Guzan, and the dedicated teachers and Principal of San Juan Elementary School for their unwavering support in making this project possible.

This initiative underscores the power of collective efforts in fostering education and uplifting the youth. Together, we create opportunities, build brighter futures, and inspire young minds to dream bigger.

A special thank you to Mrs. Juliet Lintao, the generous mother of one of our club members, for sponsoring our lunch after the event. Your kindness and support truly made this day even more meaningful.

Response to the Tragedy at CSU Campus

On November 20, 2024, a devastating fire broke out in front of CSU Campus, affecting one of our esteemed Rotaract members. In the face of this heartbreaking incident, the Rotary Club of Midtown Butuan stands in solidarity with our affected member, offering our deepest sympathies and unwavering support.

We extend our heartfelt gratitude to our compassionate members—Mikhail Paloma, Hannah Azumbrado, Virgie Hechanova, and Marissa Yee—for their swift response and generosity in donating canned goods and a sack of rice to provide immediate relief. Their kindness reflects the true spirit of Rotary's mission to serve those in need during difficult times.

This tragedy reminds us of the importance of community and coming together to support one another. As we move forward, we remain committed to assisting those affected and fostering resilience within our Rotary and Rotaract family. Let us continue to be a beacon of hope and kindness in times of adversity.

Rotary Club of Midtown Butuan and ANECO Launch Hydroponics Garden November 25, 2024 – Bonbon, Butuan City

The Rotary Club of Midtown Butuan, in partnership with ANECO, officially turned over a new hydroponics garden, marking a significant step toward sustainability. To ensure its continued success, the club also provided funding for a second batch of seedlings.

This initiative promotes fresh, locally grown produce, reduces environmental impact, and serves as a model for sustainable urban farming. With strong community support, the project paves the way for a greener, healthier future. Together, we grow towards sustainability!

Community Service Unites Clubs to Aid Fire-Affected Students

In a heartwarming act of solidarity, three clubs came together to support the students who recently fell victim to a devastating fire in front of CSU CAMPUS. The clubs—Rotary Club of Midtown Butuan, Rotary Club of Downtown Butuan and Rotary Club of Uptown Butuan—pooled their resources and compassion to donate essential goods, ensuring the students could rebuild their lives with dignity and hope.

The community service effort was focused on providing the fire-affected students with necessities such as hygiene kits, food, and school supplies. Recognizing the urgent need to address both immediate and long-term concerns, the clubs ensured that their contributions covered basic health and sanitation, sustenance, and tools for continuing education.

The initiative not only provided tangible assistance but also demonstrated the power of unity and compassion. It served as a powerful lesson in empathy and the importance of giving back, leaving an indelible mark on all involved.

As the clubs continue their efforts, they hope to inspire others to lend a helping hand in times of need. This community service project is a testament to the strength of collective action and the enduring value of kindness.
