Kudos to Prexy Josh and Rtn. Dennis for a very successful involvement in the just concluded Ironman International events held in Cebu City. They both hurdled with extremely ease the Swim-Bike-Run events with a primary purpose of campaigning for funds to the global polio eradication effort. - o O o -

The Rotary Foundation of Rotary International administer the Polio Plus Program. And it would be a glorious day for the people of the world when polio disease is finally eradicated. The World Health Organization and Rotary share the strong conviction that Polio Eradication is realistic and that Rotary is a key catalyst. - o O o -

What is Polio or Poliomyelitis? It is a paralyzing and potential deadly infectious disease that most commonly affects children under the age of 5. The virus spreads from person to person through contaminated water. It then attack the nervous system. This is also the reason why Potable water is one of our projects. - o O o -

Rotary has been working to eradicate polio for more than 30 yrs. Rotary has reduced polio cases by 99.9% since Rotary's first project to vaccinate children in the Philippines in 1979. And as of today, Rotary has immunize more than 2.5 billion children in 122 countries and Rotary has contributed \$1.8billion toward eradicating the disease worldwide. - o O o -

Fellow Rotarians, its our job to continue working together to keep other countries like Afghanistan, Pakistan and Nigerua POLIO FREE. Let us roll our sleeves and share our blessings **DONATE NOW!** Every donation helps us obtain the vaccines, transport and materials needed in the **FIGHT AGAINST POLIO!** - o O o -

*Hugot* - We are just happy, we are still here in RC Midtown General Santos, a little different but we are still friends!

*Paningit* - A kid ask a priest "father besides praying, do you have any other enjoyable past time?" The priest tapped the check of the kid and calmly replied "nun.. my child nun!"

# THE OBJECT OF THE ROTARY

**The Object of Rotary** is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# ROTARY INTERNATIONAL PRESIDENTIAL MESSAGE

During 2019-2020, I am encouraging Rotarians and Rotaractors to grow Rotary. We must grow our service, we must grow the impact of our projects, but, most importantly, we must grow our membership so that we can achieve more.

Let us try a new approach to membership, one that is more organized and strategic. I am asking every club to form an active membership committee consisting of people of different backgrounds who will look methodically at the leadership of the community.

Your club's membership committee will then apply Rotary's classification system — designed to ensure that the range of professions in your community is well represented — to identify potential leaders with the skill, the talent, and the character that will strengthen your club. If your club's membership committee is unsure how to proceed, look to the club membership committee checklist on Rotary.org for clearly defined steps to organizing its work.

How else will we connect to grow Rotary? We will also form new types of clubs — either independent clubs or satellite clubs — with different meeting experiences and engaging service opportunities, not just where there is no Rotary, but also where Rotary is already thriving. No Rotary club in the world can possibly serve all segments of its community. Therefore, we must organize new clubs to engage the community leaders who cannot connect with our existing clubs.

Growing Rotary is all about taking the connections that make our organization unique in the world and strengthening and multiplying them. Let us commit ourselves to growing Rotary and to welcoming the next diverse generation of women and men as *Rotary Connects the World*.

*About our District Governor*

## DG Philip N. Tan

Our **District Governor's** becoming a Rotarian is one for the books. Upon the invitation of a drinking buddy, he unknowingly accepted with his innocence that drinks and food are free during Rotary meetings. That was in 2000 and the rest they say is history.

Convinced of the ideals and principles of Rotary, he became **CONNECTED** as an active member and eventually became the **45th President** of the **Rotary Club of Cebu West**, seven years after his induction. His stint as President gave honor to his Club with the following recognitions: **Area 1-C Most outstanding Club President** and **Highest TRF Contribution, District's Outstanding Club**

**Secretary** and the most prestigious **Rotary International Presidential Citation**.

Through the years, he has transcended his leadership from the **Club** to the **District** level, serving Rotary in various **major** positions, amongst others as **Assistant Governor, District Trainer, District Secretary, District Finance Chair, Paul Harris Fundraising Chair** and the latest **Chairmanship of District Rotary Foundation Committee (DRFC)**.

He also put his money where his mouth is -- He is a **Paul Harris Society** member and a **Major Donor**. He believes that this **financial contribution demonstrates his commitment to serve others**.

Aside from being a **Rotarian**, he is also actively involved in other socio-civic and religious organizations. He is currently the **Vice Chair - Visayas** of Philippine Business for Social Progress (**PBSP**); **Board of Regents** of Cebu Technological University (**CTU**), a certified **Fellow** of the Institute of Corporate Directors (**ICD**), **Past President** of the **Mandau Chamber (MCCI)** and eleven other prestigious civic, religious and non-governmental organizations, both local and national.

His dedication to serve the country was twice recognized by former **President Gloria Macapagal Arroyo**, for promoting productivity and innovations in his advocacy and contributions that benefited businesses groups, government agencies, LGU's and particularly, the **Department of Labor and Employment**. In 2014, former **President Benigno Aquino III** appointed him as one of the **Management Representative** to the **Regional Tripartite Wages and Productivity Board of DOLE Region 7**. In 2016, **SGV / Ernst and Young** awarded him **INNOVATION ENTREPRENEUR OF THE YEAR** in the Philippines. He was conferred the honorary degree as **Doctor of Philosophy in Technology Management** by **Cebu Technological University**, with concurrence by the Commission on Higher Education (CHED) for strengthening Vocational Technology education.

As an **entrepreneur**, he started his micro business from scratch with limited financial resources and no formal education in **Engineering**. Slowly but surely, he brought his company to success without sacrificing the betterment of his employees, which includes **PWD's**. He is the founding **Chairman, President & Chief Executive Officer** of **Wellmade Motors & Development Corporation**, an **ISO-9001:2015** international certification in respect for its quality management system, manufacturing and metalworking technologies, with **subsidiary** companies, **joint ventures** and **franchisees** in the **Philippines** and **South East Asia**.

A servant leader, he is happily married to spouse **Judith**, raising four children and with their first newly born 4th generation **grandson**. His eldest son, **Jeffrey**, is also an awarded **Rotarian** and an active member of the **Rotary Club of Cebu Port Center**.
