THE OBJECT OF THE ROTARY

The **Object of Rotary** is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

- 1 Is it the **TRUTH**?
- 2 Is it **FAIR** to all concerned?
- 3 Will it build **GOODWILL & BETTER FRIENDSHIPS**?
- 4 Will it be **BENEFICIAL** to all concerned?

ROTARY INTERNATIONAL PRESIDENTIAL MESSAGE

Rotary's long-term, sustained battle against polio has defined our organization for decades. We have a right to be proud of all that we have accomplished through the years.

Our progress is real and noteworthy. In 1988, polio was endemic in 125 countries, with more than 350,000 new cases a year worldwide. Since then, Rotary and our Global Polio Eradication Initiative partners have reduced the incidence of polio by more than 99.9 percent, vaccinated more than 2.5 billion children against the virus, and prevented 18 million cases of paralysis. Over the years, Rotary has helped country after country move into the polio-free column. This includes India, which some considered impossible not long ago. Of the three types of poliovirus, type 2 has been eradicated and type 3 could soon be certified as eradicated. Nigeria has not reported a case of wild poliovirus in nearly three years. If this trend holds, we will be down to just one type of wild poliovirus in only one section of the world, Afghanistan and Pakistan.

There are major challenges in that region. But it is crucial that we remain optimistic. Look at all that we have accomplished so far. This is no time to get discouraged or to think that the task is impossible. We will end polio forever, but only if we remain steadfast and vigilant. World Polio Day is a time for Rotarians from all over the globe to come together, recognize the progress we have made in our fight against polio, and plan the action we must take to end polio forever. The key word is action, because we still have important work to do.

This year, we want to see as many Rotary clubs as possible holding World Polio Day events around the world. Need some ideas? How about organizing a viewing party for friends and club members to watch Rotary's Online Global Update? You could also dedicate a club meeting to World Polio Day or create a fundraising event. Remember, every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation.

Once you have created an event, register it at endpolio.org/register-your-event. Then promote it using the World Polio Day toolkit, available at endpolio.org/world-polio-day.

Mark your calendar to tune in to Rotary's World Polio Day Online Global Update on 24 October. This year we will stream our program on Facebook in multiple time zones around the world. Visit the Rotary International Facebook page to RSVP to your region's program. And do not forget to follow the event on social media and share it with your network.

When we reach our goal, polio will become only the second human disease eradicated on the planet, and Rotary will receive international acclaim. But what matters most is the children who will never again have to face this terrible, disabling virus. Rotary must continue to connect the world in the effort toward polio eradication. It is up to us. Let us finish the job.

About our District Governor

DG Philip N. Tan

Our **District Governor's** becoming a Rotarian is one for the books. Upon the invitation of a drinking buddy, he unknowingly accepted with his innocence that drinks and food are free during Rotary meetings. That was in 2000 and the rest they say is history.

Convinced of the ideals and principles of Rotary, he became **CONNECTED** as an active member and eventually became the **45th President** of the **Rotary Club of Cebu West**, seven years after his induction. His stint as President gave honor to his Club with the following recognitions: **Area 1-C Most outstanding Club President** and **Highest TRF Contribution, District's Outstanding Club**

Secretary and the most prestigious **Rotary International Presidential Citation**.

Through the years, he has transcended his leadership from the **Club** to the **District** level, serving Rotary in various **major** positions, amongst others as **Assistant Governor, District Trainer, District Secretary, District Finance Chair, Paul Harris Fundraising Chair** and the latest **Chairmanship of District Rotary Foundation Committee (DRFC)**.

He also put his money where his mouth is -- He is a **Paul Harris Society** member and a **Major Donor**. He believes that this **financial contribution demonstrates his commitment to serve others**.

Aside from being a **Rotarian**, he is also actively involved in other socio-civic and religious organizations. He is currently the **Vice Chair - Visayas** of Philippine Business for Social Progress (**PBSP**); **Board of Regents** of Cebu Technological University (**CTU**), a certified **Fellow** of the Institute of Corporate Directors (**ICD**), **Past President** of the **Mandaue Chamber (MCCI)** and eleven other prestigious civic, religious and non-governmental organizations, both local and national.

His dedication to serve the country was twice recognized by former **President Gloria Macapagal Arroyo**, for promoting productivity and innovations in his advocacy and contributions that benefited businesses groups, government agencies, LGU's and particularly, the **Department of Labor and Employment**. In 2014, former **President Benigno Aquino III** appointed him as one of the **Management Representative** to the **Regional Tripartite Wages and Productivity Board of DOLE Region 7**. In 2016, **SGV / Ernst and Young** awarded him **INNOVATION ENTREPRENEUR OF THE YEAR** in the Philippines. He was conferred the honorary degree as **Doctor of Philosophy in Technology Management** by **Cebu Technological University**, with concurrence by the Commission on Higher Education (CHED) for strengthening Vocational Technology education.

As an **entrepreneur**, he started his micro business from scratch with limited financial resources and no formal education in **Engineering**. Slowly but surely, he brought his company to success without sacrificing the betterment of his employees, which includes **PWD's**. He is the founding **Chairman, President & Chief Executive Officer** of **Wellmade Motors & Development Corporation**, an **ISO-9001:2015** international certification in respect for its quality management system, manufacturing and metalworking technologies, with **subsidiary** companies, **joint ventures** and **franchisees** in the **Philippines** and **South East Asia**.

A servant leader, he is happily married to spouse **Judith**, raising four children and with their first newly born 4th generation **grandson**. His eldest son, **Jeffrey**, is also an awarded **Rotarian** and an active member of the **Rotary Club of Cebu Port Center**.

Zenncerely yours...

CP/PAG Zenn Zuzon

In our Manual of Procedure, the function of the Sgt-at-Arms or Protocol Officer of a Rotary Club is to help maintain an ORDERLY, DIGNIFIED and EFFECTIVE Rotary Club meeting. One that will make a right impression on club visitors, guests and satisfy the members.

- - - zZz- - -

The Sgt-at-Arms should be constantly on the alert to prevent any occurrence that may destruct from the DIGNITY and PRESTIGE associated with Rotary Club.

- - - zZz - - -

The Manual of Procedure has mentioned "dignity/dignified" many times, meaning that WE should CONDUCT our meeting WORTHY OF RESPECT. This includes the WEARING of PROPER UNIFORM or DRESS in handling Rotary Meetings or functions. The Sgt-at-Arms should see to it at all times that ALL MEMBERS are DRESSED UP appropriately to every occasion.

- - - zZz- - -

Yours Zenncerely has been missing some of our worthy projects lately. My one and only Ann Angging and Zenncerely yours have to fly to Manila to fetch our 3 year old first APO Brylee who arrived from London last week. We have to spend the precious moments with her during her stay with us. My Apo first before my club obligations. We have to cherish every second she is with us.

PRESIDENT'S TIME

Prexy Joshua Salazar

Good evening fellow Midtowners. As it is now the month of October, the theme is Economic and Community Development. Let us plan and engage in active ties that would allow us to do projects involving the improvement of the socio economic status in our community. We did this the previous years when we collaborated with our RCC's and provided livelihood projects. This year, we continue to work with them and embark in this endeavor.

We began this month with fellowship and ladies night thru the invitation of PP Carling Ganados, as he and Spouse Tacing celebrated their 50th wedding anniversary last Oct. 1. Congratulations and big thank you to this beautiful couple. We wish U both the best of health and more happy healthy years of togetherness.

Last Sunday, five of us (Dennis, Goeffrey, Roy, Sunny, and I) joined in the Pink Run for Breast Cancer Awareness. Our support was highly appreciated by the PMA Gen. Santos Chapter who organized this event. We were joined by other Rotarians in our Zone.

We provided sponsorship for the lined up activities of the Senior Citizens Office of Dadiangas as they celebrate their Senior Citizens Week this week.

Also, this Monday and Tuesday, Oct. 8&9, we co-sponsored a Champion Medical Dental Mission of District 3810 Gov. Lisa V. Elorde, in coordination with Dr. Liu Chi-Chun and Team of the Taiwan Root Medical Peace Corps, LGU of General Santos, GSC Medical Society, PDA GSC Chapter, at the Lagao Gym. Rotary Club of Tuna Port was the lead club of this project. Other Rotary Clubs in our zone also co-sponsored. We connected with Rotary Club of Pasay Southeast headed by Champion Pres. Walter Buenaventura, together with SDG Ellen Landicho, SDG George NG, SDG Triccie Buenaventura, Rtn. Lawrence Gonora and Rtn. Fe Gonora. Our club's role is to provide help by sharing the cost of food for the medical team. About 1453 patients from 26 Barangays of General Santos City benefitted from this project. Special thanks to all Rotarians and Spouses who came during the 2 day Medical Dental Mission.

At 3:30 pm yesterday. We proceeded to Dadiangas Heights Elem. School for the Misting Project our anti dengue campaign. This school caters to about 1520 students from Kinder to Gr. 6. Again, thank you to all who came for the project and esp. to Dir. Jun Dacut of Mapecon.

I would like to remind each one of our Fund Raising activity particularly the Special Screening for the movie Maleficent 2 this October 16 at 6pm. Let us all help each other in selling the tickets and perhaps finding sponsors willing to give to the event, as the proceeds will go to our medical surgical mission project with Dr. Jim Sanchez this coming January .

Thank you Midtowners and Spouses for the support and your attendance.
