## ROTARY INTERNATIONAL PRESIDENTIAL MESSAGE

My dear friends, Rotary leaders, and Rotaract leaders:

A new Rotary year is upon us, and let us say one final thank you to former President Barry Rassin for his outstanding leadership. Barry, we will miss you, but we know and appreciate that you will continue to lead Rotary in important ways for years to come.

I have spoken for several months about how *Rotary Connects the World*, and the time has now arrived to put our words into action. We have an exciting year ahead of us, a year when we begin to implement the new Strategic Plan, what I call the Rotary Action Plan and when we will celebrate the 75<sup>th</sup> Anniversary of the signing of the UN Charter.

That anniversary will underscore the ties we have and goals we share with the United Nations. We will host five special events—UN Day in New York, three presidential conferences in Paris, Santiago, and Rome, and a final celebration just before the Convention in Honolulu. This will help us achieve the first Action Plan goal of increasing our impact by demonstrating that Rotary's influence in the world has only just begun.

The second Action Plan goal is expanding our reach. To achieve that, we need to grow Rotary – reaching out to new members, engaging current members, and creating more alternatives for membership for the next generation of Rotarians.

The third goal is enhanced participant engagement, making sure that Rotarians have experiences that are personally and professionally relevant and fulfilling. This is why I believe so strongly in building a more family-friendly Rotary -- one that welcomes children to our activities and that is considerate of families in our scheduling. Let us recommit to putting the needs, expectations, and growth of our participants at the center of all we do.

The final priority of our new Action Plan is increasing our ability to adapt. New approaches to our organizing principles do not threaten our sense of who we are. That is why I believe that Rotary must respect professional commitments and not require Rotary leadership to be a full-time job. We need to respect the time and responsibilities of young people who are building careers.

Together, we will harness the power of connection just as our organization has been doing for more than 114 years. We have a long, proud heritage. And we will continue to thrive because we are not afraid of change.

I look forward to leading you in this important journey, as *Rotary Connects the World!*

Yours in Rotary,

  
**MARK DANIEL MALONEY**  
 President, Rotary International  
 2019-2020

## Joe - Kingly Yours

PP Joe G. Lucas

A young man goes into a drug store to buy condoms. The pharmacist tells him that the condoms come in packs of three, nine, or 12, and asks which ones the young man wants. "Well," he says, "I've been seeing this girl for a while and she's really hot. I want the condoms because I think tonight's the night. We're having dinner with her parents and then we're going out. Once she's had me, she'll want me all the time, so you'd better give me the 12 pack!"

The young man makes his purchase and leaves. Later that evening, he sits down to dinner with his girlfriend and her parents. He asks if he may give the blessing and they agree. He begins the prayer, but continues praying for several minutes. The girl leans over and says, "You never told me that you were such a religious person." He leans over to her and says, "You never told me that your father is a pharmacist."

## District Governor's Message

### DG Philip N. Tan

My fellow "**Champion**" Club Officers and Rotarians, This is going to be a very exciting Rotary journey for the District and your Club. I know that with our joined efforts, we CAN and WILL be able to share each Rotarian's aspirations in life. Let us work to achieve our goals and make this Rotary year the most significant and memorable one.

At our Governor's training held during the International Assembly in San Diego, USA, I had the privilege of joining more than five hundred of our Rotary leaders who lead their respective Districts. Together, we committed to the vision of our **Rotary International President Mark Maloney** who encouraged us to live by the theme: "**Rotary Connects the World**". Reflecting on it and our work as Rotarians throughout a century of doing good, I realized that at the heart of our Rotary experience is to make **innovative** and **sustainable CONNECTIONS** with our members, people of different cultures, traditions and religions. Once connected with our fellow partners in service, they will be persevered to make a difference in our communities and provide professional opportunities we would otherwise not encounter if not through Rotary.

This year, we shall work towards four essential priorities: First, is to grow Rotary – by **strengthening membership**, both at the **Club** and **Rotaract** levels.

Secondly, is to allow Rotary meetings become more **flexible**, **closer** to our homes and **involve** our Family in our service projects or activities.

Third, is to **develop** leaders beyond the club level and provide opportunities for them to grow. And fourth, **broadening** projects related to the SIX Areas of Focus in alignment and partnership with the United Nations.

By the end of the Rotary year, we hope to be able to address Rotary's major priorities on supporting **The Rotary Foundation (TRF)** through our personal and continuing contributions to the Annual Programs Fund and the End Polio Campaign. With greater emphasis to expand our presence, it is only through our **Public Image** initiatives would our community be able to value and appreciate the good deeds that we Rotarians have been doing in the past 100 years.

Thank you for being part of my Champion Team and May God continue to bless us for our enduring love to **SERVE BEYOND OURSELVES.**

Yours in Rotary Service,

*Philip N. Tan*
