# TOGETHER, WE CREATE HOPE IN THE WORLD THROUGH ROTARY

## TODAY'S CHILDREN, ROTARY'S FUTURE

*July 1, 2023 The Rotary Club of Ormoc joins District 3860, in welcoming the Rotary New Year thru an event called TODAY'S CHILDREN, ROTARY'S FUTURE Rotary New Year Celebration!*

*The Club led by their President Rocel Baclayon truly brought smiles to the victims of the fire in Barangay Lake Danao. Their kind gesture of providing spaghetti, donuts, and juice to the children not only filled their stomachs but also lifted their spirits. Additionally, the children received a bag of toys, which surely brought them joy and a sense of normalcy during a difficult time. To make the day even more special, a surprise appearance was made by a Bumble Bee mascot. The children were awed by the mascot's dance number, adding an extra element of excitement and happiness to the event.*

*It's wonderful to see how such simple acts of kindness and entertainment can have a significant impact on the lives of those affected by unfortunate events like a fire.*

### During the Governor's Visit July 29, 2023

*Rotary Club of Ormoc welcomed District Governor Twinkle Gamboa, District Trainor Archie Gamboa and District Secretary Ed to a project visit of the San Jose Elementary School that Rotary and HARPDI (Help and Assistance for Rotary Philippine Districts, Inc) rehabilitated after typhoon Yolanda.*

*This time, Rotary Club of Ormoc brought books for the school and were greeted with happier smiles by the teachers.*

*The primary objective of this program was to gather diverse blood products to save the lives of patients in critical need and ensure a sustainable supply of safe blood for blood banks.*

*Following the bloodletting procedures, certificates were issued to acknowledge and appreciate the donors for their selfless contributions.*

*July 29, 2023 | The Rotary Club of Ormoc did a ceremonial turnover of donation to Ormoc City Health Office, herein represented by Ormoc City Health Officer, Dr. Sarah Q. Hermoso, MD, MPH.
