PRESIDENT'S CORNER

DR. JULITA L. COGO
RCPI PRESIDENT RY 2020-2021

Good evening fellow transforming rotarians..

Let me thank you for coming over and your attendance tonight is a sign of your support, commitment and eagerness to make this Rotary Year 2020-2021 a successful and a fruitful one despite of this pandemic that we are facing now. This makes me inspired to respond to the Rotary's call of Service above Self.

Today we focused on fighting this COVID 19 and we might forget some preventable diseases, like Dengue, which also need our attention, so for this month we will have some activities to raise funds for the Dengue Prevention and Control Program. We, rotarians, should lead in the eradication of this mosquito-borne viral infection.

We will work together, open opportunities for us to work for the betterment of everyone in the community.

Thank you...

HAPPY BIRTHDAY AUGUST CELEBRANTS!!!

We are blessed and fortunate enough to have a good friend or a best friend, then you have something that many people do not: a bond with another person that is truly unique and special. And if it is your friend's birthday, then you'll want to find just the right way to say **happy birthday friend**. Finding the perfect words for someone who has played such an important role in our life can be a challenge, but never fear. Happy birthday August celebrants!

The ABCs of Rotary

By Cliff Dochterman
1992-93 President
Rotary International

These short articles about Rotary were first published in the weekly bulletin of the Rotary Club of North Stockton, California, U.S.A. That was well before their author, Cliff Dochterman, became president of Rotary International for the year 1992-93. Originally called "Did Ya Know?" the pieces were prepared to share interesting facts about Rotary International with members of the North Stockton club. Later, in response to requests from other Rotary clubs, the articles were reprinted in collected form. Now, President Cliff has brought the collection up to date in keeping with one of the emphases of his year in office as R.I. president--to help Rotarians learn more about the colorful history of their organization, its customs and traditions, and the current status of its global programs. The articles may be reprinted in Rotary club bulletins or presented as Rotary information at weekly club meetings.
