## TREASURER'S REPORT

## PRESIDENT'S CORNER

**DR. JULITA L. COGO**  
RCPI PRESIDENT RY 2020-2021

My best wishes for a wonderful holiday season!

The year 2020 is filled with uncertainties as the world battling through the challenges brought about by the COVID-19 pandemic. Despite the situation, our club stayed true to its mission and goal by creating new approaches and finding innovative solutions to continue its "service above self" mantra.

For this month, our club is doing several projects particularly in the area of disease prevention and treatment. In coordination with the Local Government Unit of Panglao headed by Mayor Leonila P. Montero through the Municipal Health Office and Department of Health, the RCPI led in the conduct of Flu Vaccination to Panglao residents aged 30 years old and above who has limited access to vaccination. Some members of RCPI set an example by having themselves vaccinated against influenza.

Aside from the flu vaccination, other activities conducted were Family Planning Program, Breast Feeding Promotion and Distribution of Vitamins to mothers.

As we embrace a new year, our hearts are filled with hope that new opportunities will arise and that we continue to live with a positive outlook and a burning desire of service.

**President Dr. Julita L. Cogo at WORK!!**

### An Engineer or a Doctor?

**An Engineer was unemployed for long time. He could not find a job so he opened a medical clinic and puts a sign up outside: "Get your treatment for \$500, if not successful get back \$1,000."**

**One Doctor thinks this is a good opportunity to earn \$1,000 and goes to his clinic.**

**Doctor: "I have lost taste in my mouth."**

**Engineer: "Nurse, please bring medicine from box 22 and put 3 drops in the patient's mouth."**

**Doctor: "This is Gasoline!"**

**Engineer: "Congratulations! You've got your taste back. That will be \$500."**

**The Doctor gets annoyed and goes back after a couple of days later to recover his money.**

**Doctor: "I have lost my memory, I cannot remember anything."**

**Engineer: "Nurse, please bring medicine from box 22 and put 3 drops in the patient's mouth."**

**Doctor: "But that is Gasoline!"**

**Engineer: "Congratulations! You've got your memory back. That will be \$500."**

**The Doctor leaves angrily and comes back after several more days.**

**Doctor: "My eyesight has become weak."**

**Engineer: "Well, I don't have any medicine for this. Take this \$1,000."**

**Doctor: "But this is \$500..."**

**Engineer: "Congratulations! You got your vision back! That will be \$500."**

## HEALTH TIPS

6 ways to fight and prevent diseases in your community.

Rotary members have played a key role in bringing the world to the brink of polio eradication. Our members have not only ended polio in 122 countries but also created a system for tackling a myriad of other health priorities, such as Ebola. Rotary clubs lead efforts both large and small to fight and prevent diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, and diabetes. Clubs also focus on prevention by providing health education and bringing people routine hearing, vision, and dental care.

In December, Rotary's Disease Prevention and Treatment Month, here are six ways you can take action to fight disease in your community:

1. Improve the capacity of local health care professionals.
2. Promote disease prevention programs with the goal of limiting the spread of communicable diseases and reducing the incidences of non-communicable diseases and their complications.
3. Enhance local health infrastructure.
4. Educate and mobilize communities to help prevent the spread of major diseases.
5. Support programs that prevent physical disability resulting from disease or injury.
6. Support studies for career-minded professionals related to disease prevention and treatment.

## ROTARY INFORMATION

### **December - Disease Prevention and Treatment Month**

**Area of Focus : Disease Prevention and Treatment Month.**

**This month includes:**

**World AIDS Day on the 1st and International Day of Disabled Persons on the 3rd of December**

**What is your Rotary Club doing to focus your efforts on Disease Prevention and Treatment?**

**Rotary's top priority is the eradication of polio, but our members take on far greater responsibilities to fight disease. They set up health camps and training facilities in undeveloped countries and in communities struggling with HIV/AIDS and malaria. They also design and build the infrastructure for doctors, nurses, governments, and partners to reach the one in six people in the world who can't afford to pay for healthcare.**

**How YOUR Rotary Club can focus on this important Area of Focus**

**Organize Medical Camp - Health Awareness for Eye Care / Dental Care  
Providing equipment such as Artificial Limbs, Wheelchairs and Calipers to the Physically Challenged Peoples i.e. Polio Sufferers  
Provide low-income, underinsured or underinsured Persons with the knowledge, skills, an opportunities to improve their diet, physical activity and other life habits to prevent, delay, or control, chronic diseases**

**Initiate Actions to Prevent and control Diabetes, Heart Diseases, Obesity and Associated Risk Factors.**
