TREASURER'S REPORT

RTN. MARICEL MADRONA

PRESIDENT'S CORNER

DR. JULITA L. COGO
RCPI PRESIDENT RY 2020-2021

Greetings!

For the month of March, the Rotary Club of Panglao Island (RCPI) emphasized its commitment in creating a healthy community focusing on Water, Sanitation and Hygiene and Health and Nutrition. It is imperative that we convey that Proper Sanitation is vital in preventing the spread of diseases, like this unseen enemy that we have now, the COVID 19 virus. Proper sanitation also ensures good health for humanity.

For the activities lined up for the said month, our target was Balicasag Island situated in Poblacion, Panglao, Bohol. In behalf of the RCPI, my heartfelt gratitude to the Local Government Unit of Panglao, headed by PAG,PP Rtn. Mayor Leonila Montero for providing our club a speed boat which only took us 10-15 mins to reach the island.

The activities started with the conduct of the Handwashing Campaign under the guidance of the nurses of the Municipal Health Office and was followed by the feeding of the preschool children together with the Panglao Rotary Community Corps. Our rotarian dentist also discussed and demonstrated the toothbrushing technique then proceeded with the fluoride application to children aged 9 to 59 months old. After the demonstration, we distributed dental kits containing toothbrush, toothpaste, glass, hand towel and soap.

Another activity we conducted in the island, to promote the importance of our health, was the distribution of face masks to boatmen and vendors of the island. During this time of pandemic, where our health and economic stabilities are challenged, as RCPIs, we responded to the call of times, serving our underprivileged brothers and sisters. It is in our little own ways that we are able to create a big and meaningful impact in the community.

President Dr. Julita L. Cogo at WORK!!

Happy Birthday!

SEX AFTER DEATH?

A couple made a deal that whoever died first would come back and inform the other if there is sex after death.

Their biggest fear was that there was no after life at all.

After a long life together, the husband was the first to die. True to his word, he made the first contact:

" MarionMarion "

"Is that you, Bob?"

"Yes, I've come back like we agreed. "

"That's wonderful! What's it like?"

"Well, I get up in the morning, I have sex. I have breakfast and then it's off to the golf course. I have sex again, bathe in the warm sun and then have sex a couple of more times. Then I have lunch (you'd be proud - lots of greens). Another romp around the golf course, then pretty much have sex the rest of the afternoon. After supper, it's back to golf course again. Then it's more sex until late at night. I catch some much needed sleep and then the next day it starts all over again"

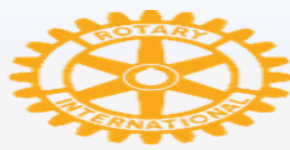

"Oh, Bob! Are you in Heaven?"

"No dear -- I'm a rabbit in Victor Harbor

ROTARY INFORMATION

HOW TO KEEP BUSY DURING SOCIAL ISOLATION

March is Water and Sanitation Month

What Is your Rotary Club doing to focus on Water and Sanitation? Clean water and sanitation is a human right. When people, especially children, have access to clean water, sanitation, and hygiene, they lead healthier and more successful lives. We don't just build wells and walk away. Rotary members integrate water, sanitation, and hygiene into education projects. When children learn about disease transmission and practice good hygiene, they miss less school. And they can take those lessons home to their families, expanding our impact.

Clean water is a basic human right that many are often denied. There are 2.5 billion people in the world that lack access to improved sanitation and 748 million people that don't have clean drinking water. Nearly 1400 children die each day from diseases caused by lack of sanitation and unsafe water. When people have access to clean water, they live healthier and more productive lives.
