## R.I. PRESIDENT MESSAGE

Every month since I joined Rotary, I've looked forward to reading magazines, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the glossy pages. They are a treasure trove of photos and memorable stories about our great organization — the one we all know and love. I have learned so much over the years about service projects and lives that each of you have transformed.

### Jennifer Jones

As a communications professional, I have longed for the day that our stories were a regular part of mainstream media and that our flagship magazine might populate doctor's offices, coffee shops, or anywhere else people sit, wait, and browse. It's great that Rotary members are better informed about all we do, and wouldn't it be that much better if more people knew our stories.

All this was top of mind as I thought about our plans for promoting Rotary worldwide in the upcoming year. Over the next 12 months, we are going to shine a light on projects that put Rotary service on display to the world, and we are going to do it strategically. Nick and I will focus on some of the highest impact, sustainable, and scalable Rotary projects from our areas of focus in what we call the Imagine Impact Tour.

We are inviting top-tier journalists, thought leaders, and influencers to use their channels to help us raise awareness by reaching people who want to serve but have not yet realized they can do it through Rotary.

But there was another important issue to consider — our carbon footprint. I take seriously Rotary's emerging leadership position on environmental issues. The example set by our members during the pandemic is fundamental to how we carve out our future.

That means we will harness digital technology to tell these stories — we will be tweeting, posting, and “going live” to anyone who will listen. We must consider our environment, and part of that means not always traveling but continuing to connect in meaningful ways as we have for the past two years.

Of course, we are social people, and we still need to be together. We simply need to be more mindful of our decisions and think about how we get together just a little bit differently. For example, if we travel to visit a project, we will plan successive visits in neighboring areas.

So, what are your stories and who can help tell them? I hope you might consider your own Imagine Impact efforts — your story might be something you can promote just as easily on social media or during a Zoom call. Think about ways to showcase notable projects in your clubs and districts.

We all feel the impact that Rotary service and values have on us. Now it's our opportunity to share that feeling with others.

Yours In Rotary,

Jennifer Jones

President,, Rotary International 2022-2023

# President's Page

Happy New Rotary Year! I'm so honored to serve as your president this Rotary Year. First, I would like to congratulate IPP Lani for the successful completion of Rotary year 2021-22 for taking the club to a greater heights despite the Pandemic.

I know we can do it again this year because of the dedicated & passionate team of officers and members of our club- you will serve as my pillar of strength as we continue the journey of serving our community. We have important work ahead of us at Rotary and we are going to have a lot of fun as we do it.

So hang on my RCP 101 family and IMAGINE more exciting things happening in the coming months as we anticipate the upcoming projects and activities we have been planning. Let us do more face-to-face meetings and more fellowships to look forward to...

Together, we will try our best keeping this Club of ours on a steady path. I know, you are all behind me. Lastly, let me share this quote from our RI President Jennifer Jones ; "This is a year to *Imagine Rotary* by envisioning a world that deserves our best, where we get up each day knowing we can make a difference. We don't imagine yesterday, we imagine tomorrow.

# Editor's Note

## JULY is NEW LEADERSHIP MONTH

A new Rotary year has begun with a new Rotary leader Jennifer Jones. She became a leader not because of her gender but because she exhibits focused leadership and dedicated service. Jones wants Rotarians to widen their horizons and enhance Rotary's public image through the media without losing focus on serving humanity.

This month of July, as what President Jennifer Jones said, we need to put a special emphasis on membership care and belonging. We need to understand why our members took the big leap and joined Rotary especially the new members. We need to know what they expect from us. What do they want out of their Rotary involvement and what we can do to help them get more out of their Rotary experience.

As we embark on a new year of service, let us take the opportunity to reflect upon the gift of our membership in Rotary.

**Jennifer Jones,** Rotary International's first female president, is the perfect leader to spread the word about the good Rotary does in the world, and inspire its members to keep going.

By **Ryan Hyland**

Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, is the first Rotary International's president for 2022-23, a groundbreaking selection that makes her the first woman to hold that office in the organization's 115-year history.

Jones will officially become president on 1 July 2022.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

"As we reflect upon our new strategic priorities, we could have never envisioned that *our ability to adapt* would become our North Star during what is inarguably the most profound time in recent history," Jones said in her vision statement. "Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today's reality."

As the first woman to be the Rotary International president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).

Jones has been a Rotary member since 1997 and has served Rotary as RI vice president, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary's rebranding effort by serving as chair of the Strengthening Rotary's Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts.

Jones recently led the successful #RotaryResponds telethon, which raised critical funds for COVID-19 relief and was viewed by more than 65,000. Jones has also received Rotary International's Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of The Rotary Foundation's Arch Klumpp Society, Paul Harris Society, and the Bequest Society.

The members of the Nominating Committee for the 2022-23 President of Rotary International are: Robert L. Hall, Dunwoody, Metro Atlanta, Georgia, USA; Bradford R. Howard Oakland Uptown, California, USA; Per Høyen, Aarup, Gelsted, Denmark; Peter Iblher, Nürnberg-Reichswald, Zirndorf, Germany; Ashok Mahajan, Mulund, Mah., India; Sam Okudzeto, Accra, Accra, Ghana; Eduardo San Martín Carreño, Majadahonda, Madrid, Spain; Takeshi Matsumiya, Chigasaki-Shonan, Chigasaki Kanagawa, Japan; Michael K. McGovern (secretary), Cape Elizabeth, Maine, USA; José Alfredo Pretoni, São Paulo-Sul, São Paulo, Brazil; Saowalak Rattanavich, Bang Rak, Bangkok, Thailand; Hendreen Dean Rohrs, Langley Central, Surrey, British Columbia, Canada; Kenneth M. Schuppert, Jr (chair), Decatur, Alabama, USA; Ravindra P. Sehgal, Belur, West Bengal, India; Noel Trevaskis, Merimbula, Tura Beach, Australia; Giuseppe Viale, Genova, Genova, Italy; and Chang-Gon Yim, Daegu-West, Daegu, Korea.

-R.I. President Jennifer Jones

Jones, 55, was born in Windsor, Ontario, and — save for a few post-college years working in the Turks and Caicos Islands and Manhattan — has lived there her whole life. The oldest of three children, she'd run lemonade stands to earn money to give to charity, and recalls organizing a carnival in her family's yard to benefit kids with muscular dystrophy. "Growing up, my parents had given us wings to do service in our community," she says. Today, her mom, dad, and one of her brothers and his wife are Rotarians. Her other brother created a painting that inspired Jones' presidential-theme ties and scarves.

Jones and husband Krayacich are originally from Windsor, but the two met in the Caribbean. Burned out after finishing university and working in the newsroom at a radio station, Jones took time off and worked at a resort in the Caribbean, while Krayacich, a physician, had just finished his internship in Toronto and went to the islands to go scuba diving. They struck up a friendship, and when they both eventually moved back to Windsor, they started dating and got married shortly thereafter.

In many ways, Krayacich, the governor-nominee of District 6400, is the opposite of Jones. He's quieter and more serious, preferring one-on-one conversations, traits that are suited to his vocation. "Jennifer is definitely an Energizer Bunny. She's outgoing and very much a connector," he says. "We complement each other very well."

Jones started her own television production company when she was in her late 20s, wowing bank officials with her business plan, negotiating a lease, and investing in hundreds of thousands of dollars' worth of equipment. "I've always wanted to carve my own path," she says. "Sometimes that's meant taking risks and making yourself open to new experiences."

One of those was Rotary. As a rookie radio reporter in the late 1980s, she'd covered the organization and remembers attending club meetings where the members were nearly all men. "I remember feeling very intimidated by the experience," she says. "I was in my early 20s. I was the power brokers of the community." Fast forward to 1996, months after she'd started her business, Media Street Productions. The manager of the local cable station invited Jones to a meeting. She realized she had found her home. "It was clearly one of the greatest gifts I've ever received" she says. "I didn't think walking through the door that day that it would change the trajectory of my life."

In 2001-02, she served as president of the Rotary Club of Windsor-Roseland. Every meeting, she'd randomly pick a member, have them stand, and tell them why they were important to the club. "Every week, people would show up to see who the next person would be," she says.

It taught her a lesson about the importance of taking care of members, a priority now that she is RI president. "We were having fun, doing good work, and we liked each other," she says. "Sometimes we try to over-manufacture the reason why people join and stay."

Her district had never had a female governor. She was under 40, and she "wanted to try to take that for a ride," she says. "I knew I wanted to put my full-on energy into Rotary. I loved it."

After her term as governor in 2007-08, she chaired the local chamber of commerce and the University of Windsor board of governors. "It was the most amazing precursor to sitting on the board of directors of Rotary," she says. "Each one was a building block."

In 2009, when Jones was diagnosed with breast cancer at the age of 42, her days turned to chemotherapy and radiation. She got the diagnosis in the fall, and she had been asked to speak at the International Assembly, the training for incoming district governors-elect, in January 2010. Then-RI President-elect Ray Klinginsmith encouraged her to come if she was able. In consultation with her oncologist, she decided to attend. "The Sunday before, I lost all of my hair," she says. "I showed up at the event in a wig."

Jones went through eight rounds of chemo and 21 rounds of radiation. Her employees stepped up to keep her business running as she stepped back. That too proved pivotal. When her health improved and she prepared to re-engage with her work, she looked at what her team had accomplished. "I sat back and thought about it," she says. "If I go back in as I was, I'm going to rob them of the leadership growth they would have had." She decided to pass the day-to-day operations of the company to her team so she could pursue Rotary almost full time.

"I wouldn't orchestrate having cancer again," she says, "but I can definitely say I wouldn't be sitting here where I am today if all of these things hadn't happened."

She said that although we all have dreams, acting on them is a choice we make. When an organization like Rotary dreams about big things like ending polio and creating peace, she said, it becomes our responsibility to make them happen. "You don't imagine yesterday," Jones said, "you imagine tomorrow."

## Know your GOVERNOR

# VALEDICTORY ADDRESS

by IPP Lani Castaniaga

Good evening everyone! Protocol observed. I have been hearing this tag line from my fellow club presidents and allow me to also say it now, Happy Graduation to me!

In one of the turnover ceremonies I attended last year, there was a mention that the Rotary Year 2021-2022 will be a more challenging one, perhaps due to the pandemic and other untoward incidents that maybe lurking over the horizon. Looking back to my acceptance speech as club president, I expressed my confidence that we can do it having all the amazing people of the Rotary Club of Polomolok 101.

And surely, we made it. Despite of being a unique year due to the pandemic, the year 2021-2022 was a successful one for our Club. This I say because we have a number of achievements to be proud of. Our club is a recipient of the Rotary International Citation having completed the required number of projects. In fact we exceeded by having 16 out of the required 13 projects. We also completed the 7 Areas of Focus Projects. And we are an awardee of the 100 Percent Members' Participation in End Polio Giving. We will have a video presentation of our accomplishments later.

Our club achieved all of these because of the support and cooperation of its members. And tonight, allow me to express my heartfelt gratitude to my Rotary Club of Polomolok 101 Family.

I would like to first mention, for me, the pillar of our club. I admire her dedication, hardwork, and patience.

1. Our Past Assistant Governor, District Officer, and Club Executive Secretary May Urbano.
2. To our Club Secretary, Rotarian Tata Alfeche, thank you for being my partner in this journey.
3. To Sps. Past President and Rotarian Wang and Jade Rallos, despite of your busy schedule, you really find time for our club. I can't forget that day the 3 of us worked overtime to finalize our Bucket of Love project. Thank you so much.
4. Our super energetic Past President Bel Acuesta for initiating and sponsoring a number of our projects, and for always being there as a speaker.
5. To the intellect behind our club who always hosts our programs, an incumbent member of the Sangguniang Panlalawigan ng South Cotabato, again our Emcee tonight, Past Assistant Governor Alan Ines.
6. To our big man with a big heart, for sponsoring our projects and for being always prompt in payments, Past President Atty Xavier Bayan.
7. To our artist who unconditionally lends her place for fellowships and meetings, Past President Celem Grino.
8. To Rotarian Rona Pineda who graciously prepared the venue of our Dinner for a Cause event, and for other supports on various projects.
9. Past President Gladys with husband Joey Balano for being so active during meetings and in realizing our projects.
10. Thanks also to our Rotarian Ivie Sabellano, her work assignment in the far city doesn't stop her from paying dues and contributions On If Not Ahead of date. Mas nauuna pa itong magbayad sa akin. Haaays, sana all.
11. Also, my gratitude to our new Rotarian Ducky Baldostamon, who is so accommodating and actually granted us discount for this venue.
12. To our youngest at heart, Past President Fanny Fernandez, thank you for always being cheerful and cool, bringing good mood to the group.
13. To our Past President Mel Deypalan, for actively lending her time and efforts on various projects.
14. To Rotarian Malou Teoxon and Rotarian Zaldy Cruz, for squeezing rotary time to their very busy schedule.
15. To our immediate Past President Twinkle Alfeche for your advises and assistance, and to our incoming President Joy Torres for always being there with a helping hand.

And to all other members who have given support in their own capacities, hindi ko na kayo iisa – isahin, my heartfelt appreciation. And of course, though she is not here tonight, to my seasoned and respected District Governor Anna Luisa Bumagat, hats off to your leadership and guidance. To my very kind Assistant Governor Russel Regollo, thank you for the quick responses to our queries. To my confidant, adviser, critic rolled into 1, who gave us a favor to be our guest tonight, pag medyo nalilito na ako, sa kanya ako nagtatanong, our Past District Secretary Atty. Elvie Albano.

I did not only enjoy my stint as a president, I cherish most the lessons and discoveries I got along the way. I would say, I grew as a person and become more aware of my surroundings, near and far. Indeed, we can do a lot more and Serve to Change Lives. And now it's time for me to pass on the gavel to my successor, Club President Joy Torres. President Joy, I can already see your excitement to give your best. Have a great Rotary Year 2022 – 2023, as we Imagine Rotary. Maraming Salamat. Mabuhay ang Rotary, Mabuhay ang Rotary Club of Polomolok 101.

### ACCEPTANCE SPEECH by Prexy Joy Torres

First and foremost, I am grateful and humbly accept the presidency challenge that bestowed upon me, let me also congratulate the new set of officers of the Rotary Club of Polomolok 101.

To the almighty God, DG Lilu Aliño, all District officers and AG Edwin Valencia, thank you for the opportunity and position which brought me up to the next level of my career.

Also, I would like to extend my sincerest gratitude to my family, friends, colleagues for being the “wind beneath my wings” and bearing with me carrying out my job notwithstanding several challenges and pressures along the way. My Success and is your success! I believe, this presidency brings me not only privileges, but rather greater possibility. So, will not rest on my laurels, instead, I will consider this is a new fold in my career, and continuously provide excellent service to the people we serve. I will continue to instill discipline all throughout my entire term, until I reach the ladder’s peak in Rotary service.

Together let’s work hand in hand in helping people’s lives.

The Rotary Club of Polomolok 101 formally inducted its new set of Imaginative officers and new members during the 18th Induction and Hand Over Ceremonies held on July 29, 2022. With this year's theme, "Imagine Rotary," the new officers take on the challenge of being more involved in service projects and being leaders of positive change.

The event was filled with positivity as guests and visitors from 10 Rotary Clubs from Gensan, Koronadal & Polomolok witnessed the Induction and Hand Over Ceremonies. And of course the event will not be completed without the fellowship. After the Induction proper, everyone joined the dance floor as the live band started to play. Lucky winners from raffles brought their prizes home happily. It was indeed a night to remember.

## ONE DISTRICT, ONE ROTARY(NEW YEAR CHILDREN'S PARTY)

It is always refreshing to begin with a good deed. So as to start the New Rotary Year, the Rotary Club of Polomolok 101 together with the other clubs from GenSan (Area 3FG) visited the children of St. Agnes of Montepulciano Children's Home, Inc. in Baluan, GenSan City last July 1, 2022. The children received various gifts from Rotarians such as hygiene kits, tshirts, school supplies, goodies, ice cream, & foods. The orphanage also received electric fans and sacks of rice donated by the Rotary Clubs.

## ROTARY DAY OF SERVICE (BLOODLETTING ACTIVITY)

It's blood month once again for the Rotary world! Hence, Rotarians and friends trooped early in the morning of July 22, 2022 at the venue of the bloodletting activity organized for the day. Seven clubs from areas 3G and 3F are well represented by Rotarians who came to either donate blood or facilitate the activity, or both. The designated area for the bloodletting inside the Robinsons Place Gensan was well-packed with about 300 kind donors of blood. The result was about 250 bags ready for the blood bank. As much as it was a Rotary Day of Service, it was also a day for the various clubs to interact and share food that each has prepared.

The Rotary Cub of Polomolok 101, led by Prexy Mary Joy Torres, brought along Rotaracts and bank employees who donated blood willingly and happily.

This day-long activity was graced by Governor Lilu Aliñu, IPDG Ana Bumagat and Sps. PAG Troy Bumagat, PDG Riz Reyes, Governor-Elect Twinkle Gamboa and Sps. Prexy Archie Gamboa, District Secretary Jong Fernandez, and PDS Barbette Lominoque.

This activity's end brings a new hope and a new beginning for people whose lives shall find extension by each blood bag that has been donated.

Leadership skills are the abilities people have to lead projects, encourage initiatives, build a sense of common purpose, and empower others...

## History of the Rotary Club of Polomolok 101

*The Rotary Club of Polomolok 101 was officially chartered as a legitimate club by Rotary International, through the efforts of its mother club – the Rotary Club of Midtown Gensan -on August 31, 2005. As early as February 2003, there were already numerous attempts to organize a Rotary club in the municipality of Polomolok, but it was only in January 2005 when persistence finally paid off. With the blessing of RC Midtown Gensan, Omar Gallinero became the new club’s Charter President, leading 25 other charter members with various classifications. Rotary Club of Polomolok 101 was formed under the leadership of Len Magno as then the District Governor of 3860.*

*The club’s name is suffixed with the number 101 for two significant reasons: one, the club was founded on Rotary International’s 101st foundation anniversary; and the club was the 101st club to be chartered under District 3860.*

*The Rotary Club of Polomolok 101 was registered under District 3860, Area 3F with Club Number 70517 . To date, the Club runs on man-strength of 26 committed individuals.*

### Mission Statement

*The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.*

### Vision Statement

*“Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.”*

WE'RE DEDICATED TO DOING GOOD TOGETHER--TO SERVICE ABOVE SELF. WHEN YOU GIVE TO THE ROTARY FOUNDATION, WE CAN FUND PROJECTS IN COMMUNITIES THAT NEED OUR HELP THE MOST. PROJECTS THAT:

- HELP REFUGEES
- PROVIDE CLEAN WATER
- GROWN LOCAL ECONOMIES
- PREVENT AND TREAT DISEASE

EVERY DAY, OUR MEMBERS RESPOND TO CHALLENGES BIG AND SMALL, EMERGING AND ONGOING. LET'S CONTINUE DOING GOOD TOGETHER.

DEDICATED TO

#### The Rotarian Pledge

**I am a Rotarian.**

I will always uphold the truth.

**I am a Rotarian.**

I will always strive to be fair in all my dealings with fellow human beings.

**I am a Rotarian.**

I will always endeavor to build goodwill and understanding in my community, among my countrymen, and among people of all nations.

**I am a Rotarian.**

I will always seek to promote the greatest good for the greatest number of people in the spirit of Rotary service.

**I am a Rotarian.**

I will always observe the Rotary International motto:

**Service Above Self.**

*The National Rotarians World*

Almighty God, we invoke a blessing upon this occasion of Rotary fellowship. Make us aware of the deeper significance of our meeting as we develop our friendships as the source of Rotary service radiating from this community to the wider community beyond. Amen.

#### **The Four-Way Test**

*of the things we think, say or do.*

- 1** Is it the truth?
- 2** Is it fair to all concerned?
- 3** Will it build goodwill and better friendships?
- 4** Will it be beneficial to all concerned?

# The Rotary Hymn

by George Canseco

I. I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.

Chorus:  
With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
We shall not have lived in vain.

II. I observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.  
(Back to Chorus)

III. Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason we'll divide.  
We shall all understand, while the good Lord is our guide.  
(Back to Chorus)

IV. Peace be achieved,  
We shall not have lived in vain.
