## R.I. PRESIDENT'S MESSAGE (August)

We've all taken our own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some of us signed up because an employer tapped us on the shoulder and asked us to attend a meeting. Others became members only after a U.S. Supreme Court ruling made it possible. Yet each of us entered through one mechanism — an invitation.

An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each one of us has that same opportunity — the honor to extend an invitation.

It is awe-inspiring to imagine how we can look out across our communities and identify our future leaders. It's often tempting to attract people who are exactly like us. It's a special form of ingenuity to consider how people who are seemingly very different can, in fact, share our values and have some of those same talents, just waiting to be unleashed.

It's time for Rotary to take our next step in advancing Diversity, Equity, and Inclusion (DEI) across our organization.

Embracing an experience where people feel included is more than just making our membership numbers more diverse. It's about making our meetings and events places where we can speak openly and honestly with each other, where our members feel welcome and safe. This means removing barriers for entry and opening doors for inclusion. Our values remain our strength — and our commitment to excellence requires us to maintain high standards for our members as well.

I believe we are all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization, and it will ensure that we remain vibrant and relevant for decades to come.

A few years ago, our Rotary Board set the ambitious goal of increasing the share of female members to 30 percent by 2023. We have less than a year to go, but I believe we can meet and exceed this target.

We need Rotary leaders to rise from every continent, culture, and creed. We need young members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly, and with as much respect, as those with many years of membership.

During our recent convention in Houston, we heard from astronauts about their journeys into space. We reflected upon a time in the 1960s when U.S. President John F. Kennedy urged the world to dream, with his declaration that we would "go to the moon [and do] other things, not because they are easy, but because they are hard."

Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely as a moon shot. But I know that when people of action are committed to a big goal, we make it worth every ounce of our energy.

Jennifer Jones

President, Rotary International 2022-2023

## Message from the District Governor

AUGUST is Membership and New Club Development Month. Expanding our reach by growing Rotary and diversifying members is a top priority of Rotary, thus, it is a part of our RI Citation and mandatory in our District goals for RY 2022-2023. The capacity to increase our impact becomes greater when we grow our numbers. This is the reason why Rotary further commits to diversity, equity, and inclusion where our clubs welcome the contributions of people of all backgrounds.

Diversity means encouraging and respecting differences and being more representative in our communities. Equity means providing fair treatment, access opportunity and advancement and eliminating barriers to participation. And inclusion means experiencing a sense of belonging and feeling valued as members. Rotary cultivates the DIE culture where people from underrepresented groups have greater opportunities to participate as members and leaders.

In Rotary records, it shows that 10% of new members leave Rotary within the same year that they join. I have visited several clubs and inducted new members since July, thus, I encourage all our clubs to effectively onboard our new members. Strategic engagement is key to retention, where every new member understands and appreciates Rotary, values our ideas and purpose; where they experience meaningful opportunities and hands-on service. And in this process they derive value out of being members.

Next month, we will hold our Membership and TRF Seminar with the theme “Building Membership: A Key to Strengthening the Rotary Foundation.” This is scheduled on September 24, 2022 at the Golden Prince Hotel in Cebu City and on October 8, 2022 at Davao Sotogrande in Davao City. I encourage you to participate in this seamless seminar to learn more, grow our numbers, and do more by actively participating in grants and TRF giving.

Together, let's recommit to putting the needs, expectations, and growth of our members at the center of all that we do. All the BEST!

DG Lilo “Lilu” I. Aliño  
District Governor 2022-2023

*President*

Greetings! my imaginative members of the Rotary Club of Polomolok 101! As we now into the 2nd month of Rotary Year, we are starting to open up again and starting to live with Covid-19 in new normal lives. It is pleasing to see children slowly going back to school in face to face classes once again. And we are also back to our regular face to face weekly meeting as well...

AUGUST is Rotary's membership month. My wish is, I want to see our club grow more in this Rotary year, not only with new members, but with more member participation in our club. I want to see our new members join our committees, to generate new ideas, new ways of doing things and more importantly to be part of our club's future in serving the community. Our members need to become part of our club sustainability for years to come. I know this is all we wish to our club so let us continue to build a strong foundation through a strong membership.

Looking forward to see you all in our weekly meetings!

# EDITOR'S NOTE

## **AUGUST is Membership & New Club Development Month**

Membership is Rotary's # 1 internal priority - we need more willing hands, more caring hearts, and more bright minds to move our work forward. We have clubs that are becoming more flexible, so that Rotary service will be attractive to younger members, and working people. Rotary is the perhaps the best way to make a meaningful difference. Membership is a job of all of us, not just the membership chair or committee. We must be the change in how we share rotary with others - and let them know that indeed we Serve Humanity.

# Get to know our new member

**Life** is strange. I never thought that I would consider a not-seeing neighbor, my buddy. The first time I met her was at the wake of her grandmother. She was still a cabin crew then at Emirates Airlines. She had “the best job in the world”, not only because they deliver award-winning service at 38,000 feet, but also for the unique lifestyle that comes with the job. Yet she resigned and got married to Ulysses S. Gallinero. Now, she’s raising three lovely girls; Anya Belle(4), Mia Ellie(3), and Gabbie Ellisse(1).

“Sweet is her nickname. Born in Polomolok and raised in Iloilo. She was Charo Lyka B. Clarion when she finished her Bachelor of Science in Tourism at Central Philippine University in 2006. She completed her practicum at Changi Singapore International Airport for 6 months. Then, she worked in Kuala Lumpur, Malaysia as Project Secretary for Boustead Heavy Industrial Shipping Corporation and Petroleum from year 2010-2015. Presently, she franchised two branches of Nails.Glow located in SM GenSan and Koronadal Cities.

Sweet has a sweetest smile and great stance. She has many heritages but the one that she is most proud of is of Filipina beauty. She has black bouncy hair and beautiful pair of sparkling eyes to go along her pretty face. She is someone that I would like to say is “smooth” because she has her own style that really stand out the crowd. She doesn’t have the notion to wear what’s “in” but the notion to be unique.

By: PP Celema I. Griño

Her personality is truly one of the kind, she pretty much can get along with anybody. Even if she doesn’t know a person, she’ll go up and befriend them. She can make you laugh and makes giggle in simple things around. Her best attribute is that she is a good communicator. I can talk to her about anything. We talk about things from relationships to life. Fortunately, like all humans, we get along and found a common bond that grew into a sister and sisterhood.

# PUBLIC IMAGE SEMINAR

The Rotary Club of Polomolok 101 represented by our President Joy Torres, Club Administrator Chair Cel Griño, Vocational Service Chair Mel Deypalan and PAG May Urbano attended the Public Image Seminar in Davao City last August 6, 2022. The Public Image Seminar supports Rotary's strategic goal of enhancing the public's image of Rotary and its awareness of our service and activities.

# Let's continue to FIGHT POLIO!

One of the top priority projects of Rotary International is the END POLIO NOW CAMPAIGN which aims to rid the world of this dreaded disease. As of today, with the help of Rotary, polio cases decreased by 99.9% since our first project to vaccinate children in the Philippines in 1979.

If all eradication efforts stopped today, we could see a global resurgence of the disease with as many as 200,000 new cases each year over the next 10 years, all over the world. To end polio, we must stop transmission of the virus in the two countries where it remains endemic: Afghanistan and Pakistan. We must also keep all other countries polio-free until we're certain it won't resurface. Up to 60 high-risk countries still operate large-scale immunization campaigns to protect children against polio including the Philippines. Polio could paralyze as many as 200,000 children each year. But we need more funds in order to sustain to pay for technical expertise and social mobilization in 11 countries across Africa and Asia.

To continue our global initiative, the Rotary Club of Polomolok 101 is inviting everyone in the Fund Raising Activity- A FUN RUN dubbed as End Polio Run "Dalagan para sa Kabataan; A Run for a Cause To End Polio" which will be held on October 8, 2022 @5am.

Together, we can help in our own little way to End Polio. Until we eradicate the disease, we must continue to immunize every single child against polio.

Registration is 295.00pesos inclusive of code tags, singlet and snacks. You can pay directly to participating outlets or Gcash 09177934917(Jade R).

## TREE PLANTING & TREE GROWING ACTIVITY

By: PP Espie C. Maliwat

“Someone is sitting in the shade today because someone planted a tree a long time ago.”—Warren Buffet.

Many years hence, after August 29, 2022, many people working in the field will be sitting for shade under the trees planted and cared for by the Rotarians , Rotakids, and Rotaracts of the Rotary Club of the Philippines 101. This Tree Growing Project was organized by the Club in collaboration with the Mahintana Foundation, Inc., a long-time partner-in-service. Aside from the goal of broadcasting awareness, care and love of Mother Nature, the said project was also carried out as a meaningful commemoration of the RCP101’s 17th charter anniversary.

After weeding out, caring for previously-planted-and-now-growing little trees, and planting new seedlings in the gully within the vicinity of Dole’s Field 116 , the 30 club members happily proceeded to nearby Mirko Polo Farm for breakfast and bonding, as they are wont to do after finishing any project.

Plants can survive without humans but humans cannot survive without plants.

## History of the Rotary Club of Polomolok 101

*The Rotary Club of Polomolok 101 was officially chartered as a legitimate club by Rotary International, through the efforts of its mother club – the Rotary Club of Midtown Gensan -on August 31, 2005. As early as February 2003, there were already numerous attempts to organize a Rotary club in the municipality of Polomolok, but it was only in January 2005 when persistence finally paid off. With the blessing of RC Midtown Gensan, Omar Gallinero became the new club’s Charter President, leading 25 other charter members with various classifications. Rotary Club of Polomolok 101 was formed under the leadership of Len Magno as then the District Governor of 3860.*

*The club’s name is suffixed with the number 101 for two significant reasons: one, the club was founded on Rotary International’s 101st foundation anniversary; and the club was the 101st club to be chartered under District 3860.*

*The Rotary Club of Polomolok 101 was registered under District 3860, Area 3F with Club Number 70517 . To date, the Club runs on man-strength of 26 committed individuals.*

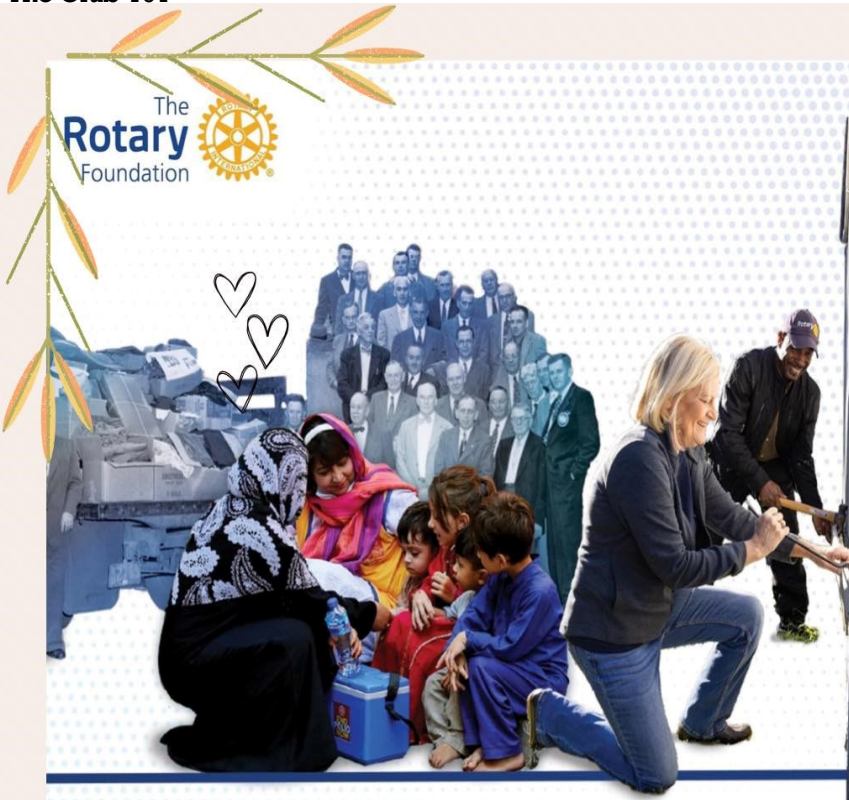

### Mission Statement

*The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.*

### Vision Statement

*“Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.”*

**I am a Rotarian.**

I will always uphold the truth.

**I am a Rotarian.**

I will always strive to be fair in all my dealings with fellow human beings.

**I am a Rotarian.**

I will always endeavor to build goodwill and understanding in my community, among my countrymen, and among people of all nations.

**I am a Rotarian.**

I will always seek to promote the greatest good for the greatest number of people in the spirit of Rotary service.

**I am a Rotarian.**

I will always observe the Rotary International motto:

**Service Above Self.**

*The National Rotarians World*

Almighty God, we invoke a blessing upon this occasion of Rotary fellowship. Make us aware of the deeper significance of our meeting as we develop our friendships as the source of Rotary service radiating from this community to the wider community beyond. Amen.

### The Four-Way Test

*of the things we think, say or do.*

- 1 Is it the truth?
- 2 Is it fair to all concerned?
- 3 Will it build goodwill and better friendships?
- 4 Will it be beneficial to all concerned?

# The Rotary Hymn

by George Canseco

I. I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.

Chorus:  
With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
We shall not have lived in vain.

II. I observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.  
(Back to Chorus)

III. Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason we'll divide.  
We shall all understand, while the good Lord is our guide.  
(Back to Chorus)

IV. Peace be achieved,  
We shall not have lived in vain.
