R.I. PRESIDENT'S MESSAGE

Speaking to you through the pages of *Rotary* magazine this past year has brought me so much joy. I have especially enjoyed sharing the incredible stories of the wonderful people Nick and I have met on the Imagine Impact Tour.

From Patzún in the mountainous western highlands of Guatemala to a small village outside of Lusaka, Zambia, we have been greeted by countless people who imagine and work toward a better world.

Jennifer Jones

We were inspired by teachers who imagine a better education for girls and boys facing gender-based violence, by Rotaractors in a refugee settlement who created a flour mill to provide for their families in a critical food shortage, and by brave polio workers who push tirelessly to reach every last child.

All of us have imagined Rotary this year. This means looking past what we are today and reaching for what we could be tomorrow. We imagine a Rotary that will continue to tell our stories in impactful ways, work to reduce our carbon footprint, and focus on diversity, equity, and inclusion efforts that lift every voice in our organization and beyond.

Nick and I want to thank all of you for the moments we've shared and for your efforts to *Imagine Rotary*. And now, we look forward to continuing these efforts as we *Create Hope in the World*. It has been an honor and a privilege to serve with each of you.

Jennifer Jones

President's Page

This will be my last month serving as the President of our club, the Rotary Club of Polomolok 101. Despite the challenges, we never give up, we showed our solidarity because we have a great team of members that composed of very supportive BODs, the pillars of our club- the Past Presidents and the Young Vibrant Members. We joined hands together creating a remarkable teamwork. That's the reason why we remain strong more than ever.

Let me take this opportunity to thank all our members and apologies if I had made any mistake at any point, forgive me for any shortcomings and unavailability at times when I cannot attend our meetings and projects. Let us continue our good works. The term ends to give way to another beginning.

By: EVERNIE ALFECHE
President

I had a wonderful year and I look forward for more excitement and wonderful years ahead. I strongly believe that Incoming President Malou Teoxon is even more enthusiastic and energized to face Rotary Year 2023-2024. Let's us continue to work together towards for the betterment of our club and our community.

This is Prexy Tata, signing off!

Editor's Note

June is Rotary Fellowship Month

Rotary Fellowships are international groups that share a common passion. Being part of a fellowship is a fun way to make friends around the world, explore a hobby or profession, and enhance your Rotary experience.

A Rotary fellowship is a group of individuals that globally unites around a common interest, vocation, or recreational activity with the primary purpose to network, further friendship, and build community. Membership in a fellowship is open to any interested individual. Fellowships should be inclusive to participants from all backgrounds regardless of their age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity .

Treasurer's Report

The final month of every Rotary year is Rotary Fellowship month and it is a fitting finale to the Rotary year because "fellowship" is of paramount importance in Rotary and is one of our core values. And since June is the last calendar month of the Rotary year, may I therefore, remind each members who has yet to settle their remaining balances for RY 2022-2023. Let us begin our New Rotary Year with a clean slate.

Past President

Why should you join a Rotary Fellowship?

1. To connect with each other!

Fellowships are a great way to connect with like-minded individuals outside of your club or district who share your vocation, interest, or hobby. They allow you to meet people with whom you already have something in common, making it easier to make new friends. Developing these new relationships can help you experience a favorite activity in a different context, learn about your profession and participate in professional development opportunities alongside seasoned professionals, and build a broader global community and world understanding.

2. To implement service projects

Rotary members and friends are already committed to service and naturally, they find new ways to serve through fellowships. Many Fellowships host or participate in service projects that are related to their common passion or profession. For example, the [International Tennis Fellowship](#) is hosting a Fellowship Tennis World Championship with proceeds benefitting Rotary's fight to end polio.

3. To show off a great Rotary program to folks who are not Rotary members

Anyone is welcome to join a Rotary Fellowship, including people who are not members of a Rotary or Rotaract club! Fellowships are a great way to engage Rotary alumni and introduce people to Rotary who may not know that our activities transcend our clubs and districts.

4. To develop leadership skills

Fellowships offer members and participants leadership opportunities by creating inclusive environments to lead international groups and activities, attend events, exchange ideas, and build a community in every corner of the world. There are many ways to get involved, from serving on a fellowship's board of directors to heading committees, such as planning a special event or managing the group's social media presence.

Rotary Foundation awards US\$2 million to prevent cervical cancer in Egypt

May 28, 2023 -More than 30,000 girls to be vaccinated against HPV, 10,000 women will be screened for cervical cancer in greater Cairo. In Egypt, less than 10 percent of women have undergone cervical cancer screenings in the last 5 years, and of those diagnosed with cervical cancer, over half have died as a result (1).

The Rotary-led initiative 'United to End Cervical Cancer in Egypt' aims to reduce cervical cancer cases and enhance women's health in Egypt through targeted awareness-raising and improved access to preventative care.

A large majority of cervical cancer is due to the human papillomavirus (HPV), the most common viral infection of the reproductive tract. It is considered one of the most preventable cancers, yet 90 percent (2) of the deaths it causes, occur in low- and middle-income countries because routine HPV vaccinations and cervical cancer screenings aren't available. Social and cultural misconceptions also affect women's choices about seeking proper health measures and vaccination for HPV.

By: PP Wang Rallos
TRF Chair

By providing vaccines to girls, regular screenings and timely treatment for women, the initiative strives to reduce the burden of this preventable disease and encourage communities to prioritize cervical health.

"By increasing awareness and promoting preventive care for cervical cancer, we can save lives and create healthier communities in Egypt," said Dr. Amal El-Sisi, Professor of Pediatrics, Cairo University and member of the Rotary Club of El Tahrir. "As we gather data for the first time on the HPV and cervical cancer burden in the Greater Cairo area, we are gaining crucial insights into the overall prevalence in Egypt. Upscaling our efforts will enable us to reach more women and girls in Egypt and empower them with the knowledge and tools they need to take control of their health."

'United to End Cervical Cancer in Egypt' takes Rotary members' commitment to prevent cervical cancer and improve women's health to the next level by building a longer-term, multi-stakeholder partnership on the ground in Egypt with the Egyptian Ministry of Health and Population, the Egyptian Society of Colposcopy and Cervical Pathology, the NGO Sona3 el Khair Development Foundation, Cairo University's Obstetrics and Gynecology Department, the World Health Organization in Egypt, and the National Cancer Institute.

Rotary members throughout the world develop and implement sustainable, community-driven projects that fight disease, promote peace, provide clean water, support education, help mothers and children, grow local economies and protect the environment. Over US\$5.5 billion has been awarded through The Rotary Foundation – Rotary's charitable arm that helps clubs work together to perform meaningful, impactful service.

According to our Rotary International President Jennifer Jones, "Rotary believes that every woman and girl should have access to quality healthcare, no matter where they live. With the 'United to End Cervical Cancer in Egypt' initiative, we are taking a critical step towards making this a reality. By providing preventative care, we can empower them with the knowledge and resources they need to stay healthy and thrive. Our joint efforts endeavor to establish more resilient communities through a shared vision for women's health, ultimately saving lives and demonstrating Rotary's capacity to create large-scale, impactful projects that foster lasting change."

"The 'United to End Cervical Cancer in Egypt' is an inspiring example of how multi-stakeholder partnerships can contribute to the betterment of our communities' health. By working together with Rotary and other key partners, we can address the social and cultural misconceptions surrounding HPV and cervical cancer and equip women and girls with the information and support necessary to make informed decisions about their health. We are proud to be a part of this transformative effort to improve the lives of Egyptian women."

Celebrating Father's Day

It's Father's Day once again! On this special occasion, most moms and children start cooking up something cool and creative to make pops feel like the man of the hour on his special day. After all, this occasion happens just once a year—thanks to a woman who fought to honor men!^[1]

Dads deserve all the love in the world—not just once a year but all year round. Father's Day is just the perfect excuse to throw a little more hoopla and hype to give your dad a celebration that's one for the books.

When is Father's Day? Father's Day dates change each year in the Philippines, but it's always on the third Sunday of June. Father's Day in 2023 falls on June 18th. It is a day dedicated to recognizing the love, sacrifices, and positive influence that fathers have in our lives.

History of the Rotary Club of Polomolok 101

The Rotary Club of Polomolok 101 was officially chartered as a legitimate club by Rotary International, through the efforts of its mother club – the Rotary Club of Midtown Gensan -on August 31, 2005. As early as February 2003, there were already numerous attempts to organize a Rotary club in the municipality of Polomolok, but it was only in January 2005 when persistence finally paid off. With the blessing of RC Midtown Gensan, Omar Gallinero became the new club's Charter President, leading 25 other charter members with various classifications. Rotary Club of Polomolok 101 was formed under the leadership of Len Magno as then the District Governor of 3860.

The club's name is suffixed with the number 101 for two significant reasons: one, the club was founded on Rotary International's 101st foundation anniversary; and the club was the 101st club to be chartered under District 3860.

The Rotary Club of Polomolok 101 was registered under District 3860, Area 3F with Club Number 70517 . To date, the Club runs on man-strength of twenty five(25) committed individuals.

Mission Statement

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Vision Statement

“Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.”

Invocation

Almighty Father, we invoke a blessing upon this occasion of Rotary Meeting & fellowship. Make us aware of the deeper significance of our meeting as we develop our friendships as the source of Rotary service. Service that radiates from this community to the wider community beyond. May each of us in our daily routine come to know the joy of caring and sharing with others not as fortunate as we are. Help us to serve humbly and willingly as we focus on the needs of our community. Thank you for our gifts and help us to use them wisely. Amen.

Rotary 

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

 **The Four Way Test**

of the things we think, say and do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

The Rotary Hymn

by George Canseco

I. I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I shall serve my community,
Help achieve universal unity
Through Rotary, I shall dedicate my all,
World understanding shall be my cherished goal.

Chorus:
With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
We shall not have lived in vain.

II. I observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.
(Back to Chorus)

III. Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason we'll divide.
We shall all understand, while the good Lord is our guide.
(Back to Chorus)

IV. Peace be achieved,
We shall not have lived in vain.

Sunshine Greetings!

Happy Birthday!

YOU CAN'T BE EVERYONE'S CUP OF TEA

There will always be someone in this life who just doesn't like you, no matter how hard you try to please them. There will always be something that you say, or do, which causes offence or misunderstanding. There will always be someone who finds fault in you, your life or your words. You may never find out why, please don't waste your precious time trying to. You can't be everyone's cup of tea. Then there will be those who like you on impact. A little fizz of energy that passes between you. Silently, unseen, bonding. Those people will not only like you but they will like you fiercely. They are your people. Whatever spare time you have, spend it on them. You can't be everyone's cup of tea, but you can be someone's first sip of a cold drink on a sunny day... Or a warming hot chocolate when you come in from the rain or the pop of a long awaited champagne cork or a stiff shot of tequila when things go awry, Find your people, love them hard...they are precious, they are gems...
