R.I. PRESIDENT'S MESSAGE

AND SEAL MARCHER

Gordon Mckinally

June 2024

It's customary for a Rotary president in the final month in office to recap the past year on this page, and I am proud of all we have achieved together. But I want to focus on our future, and that begins with polio.

We have reached an astonishing 3 billion children with the polio vaccine, and we have averted an estimated 20 million cases of paralysis. But it's not enough. We must continue supporting the End Polio Now campaign to reach zero cases and keep our promise to the world's children.

Polio is not our only global commitment. In fact, Rotary has been working toward global peace even longer. Spreading Positive Peace through service projects and Rotary Peace Centers around the world is more important than ever.

We must also continue to build peace from within, and that begins with supporting mental health and wellness among our fellow Rotary members and the communities we serve. Rotary has an opportunity to help build a global mental health system that currently does not exist, and I urge all members to consider joining the Rotary Action Group on Mental Health Initiatives to keep up the momentum we began this year.

It's been the honor of a lifetime to serve as your president. You have given Heather and me memories we will cherish forever. I look forward to our continued friendship and our collective commitment to Create Hope in the World.

Gordon R. McInally Rotary International President

- ABROSER

THE PRESIDENT'S PAGE

My Dear RCP 101 Family

June is designated Rotary Fellowship month to recognize the significance of fostering international fellowship and goodwill among Rotarians who share common recreational hobbies, professions and interests.

Meanwhile June is end of the rotary year. A year ago we set our annual goals and I believe we have achieve it pretty well. As my term comes to an end let me first express my heartfelt gratitude to you my RCP101 Family. Thank you for trusting me to lead the club. Thank you for your unwavering support to all our club projects and activities. I will forever cherish this opportunity you have given me. This year's club achievements is indeed another one for the book.

Let us continue to inspire and give hope specially to the less fortunate ones in the community. Always remember that no matter how small we give will always make a big difference.

President elect Troy will be taking over comes July. Let us help him out and wish him the best.

I believe he will do great in leading the club.

It is an honor to be our Club President for RY 2023-2024. We have indeed live up to this year's rotary theme. We have created hope for the world.

-Pres. Malou Teoxon

JUNE 2024 | ISSUE 12

Editor's Note

June is Fellowship Month

The final month of every Rotary year is Fellowship Month. This is a fitting designation since fellowship is particularly to the forefront with changeovers being very much the priority in June. Fellowship is of course one of the five core values of Rotary, the others being service, diversity, integrity and leadership.

Rotary DEFINES Fellowships in many areas, which are based on a friendly association of people who share a common interest, or more broadly as a group of people meeting to pursue a shared interest or aim.

Rotary Fellowship Groups are designated as autonomous, international groups of Rotarians, Rotarian spouses, and Rotaractors who join together to:

- Share a common interest in worthwhile recreational activities (sports, hobbies, etc.)
- Further their vocational development through acquaintance with others of the same profession
- · Make new friends around the world
- · Explore new opportunities for service
- · Have fun and enhance their Rotary experience

SECRETARY'S PAG

By: Sweet Gallinero

When the weather keeps you indoors, there's still plenty to do. Here are some of our favorite kid-friendly summer activities for a rainy day.

- Break out your movie collection or use Netflix. Have a movie marathon complete with popcorn. Be sure to get in plenty of snuggles.
- Build a fort. Put pillows in the living room or cardboard boxes in the yard to create a hideaway of your child's dreams.
- Build a Lego castle. Clear off a table and make Lego castle-building a family project. You can even add to it or work on it all summer.
- · Camp in. Put the sleeping bags on the floor and have a family slumber party.
- Experiment with new hairdos. Let the kids try out non-permanent colors, braids, or a spiked, gelled look.
- Get an origami book and fun paper. Create fun animals and shapes and give them to friends or family members as gifts.
- Have breakfast in bed. Take turns being the server and the served.
- Hold marble races. Use an old pool noodle as the track. Simply cut it in half, making two tracks of equal length. Then, race the marbles down the tracks to see who has the fastest one.
- Make a time capsule. Have each family member write down something they are grateful for and include a special item in the time capsule. Then, store it away until a designated date. You can open it as early as Thanksgiving day or as far off as high school graduation.
- Make paper airplanes. See whose airplane goes the farthest or create other contests.
- Play a card game. Choose from crazy eights, spoons, go fish, or even poker—take your pick. Or buy a board game for the family to enjoy.
- Play charades. Turn all the summer drama into a game.
- Rearrange the furniture. Give the kids graph paper and have them draw out a plan first. Then, get to work moving furniture around.
- Set a goal and complete a home project. Whether it is cleaning the garage, organizing the basement, or redecorating the spare bedroom, find ways to let the kids help.

Anya, Gabbie, & Mia

Treasurer's Report

by: Jade Rallos

HOW MUCH OF OUR TOTAL MEMBERSHIP DUES GOES TO ROTARY INTERNATIONAL?

Right now, RI dues is \$75. Depending on where we are in the world, that equates to about 4 to 14 percent of our total membership dues. The rest of our membership dues total primarily covers club and district expenses, such as District Levy, Rotaract Levy and Disaster Fund and a subscription to The Philippine Rotary Magazine.

June is the last month for Rotary year. Gentle reminder for those members who still have unpaid monthly dues, please settle your balances. Let us start the Rotary year 2024-2025 with a clean slate.

HISTORY OF ROTARY FELLOWSHIP

PAG Alan M. Ines

Paul Harris was looking for friendship when he conceived the idea of Rotary. He wanted to develop friendships that went beyond the cordial relationships of business connections. It was of course a very different society in those days and people typically socialized by joining special interest clubs or sporting associations. The idea that Paul Harris had was a club based on "a very simple plan of mutual cooperation and informal friendship such as all of us had once known in our villages." It was also based on the expectation of reciprocal trade between the best single representatives of each business. As Rotary grew so did the sense of special relationships. Again, it is hard for people in 2014 to imagine life in 1914 but a Rotary meeting and Rotary service was pervading. The Rotary lunch, and the closeness of Rotarians and their families meant a special kind of fellowship, in which all those definitions of fellowship applied.

Networking has been suggested as a representation of intended by the word fellowship. If I have been able to adequately able to define fellowship it will quickly be seen that networking is in fact only a part of what fellowship is about. In fact it is a more self-serving aspect of fellowship. An accepted definition seems to be the exchange of information or services individuals, groups, institutions; specifically: the cultivation relationships productive employment or business.

Whatever word individual Rotarians may feel most comfortable with, fellowship is alive and well in Rotary and will be celebrated most demonstrably over the next month and into July as club officers change over and all Rotarians recommit to Service Above Self.

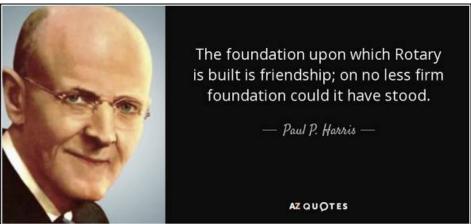

"Fellowship isn't just what we do for each. Fellowship is what we do together for the world.

-Eric Bryant

Rotary Founder Paul Harris

1868- Rotary Founder Paul Percy Harris was born on 19 April in Racine, Wisconsin, USA.

1891- Harris gained his law degree, he then took five years to tour about the world working as a reporter, teacher, salesman. The experiences enabled him to get a clearer insight of his fellowmen and broadened his vision.

1986- Harris settled in Chicago and opened a law practice.

1900 -After dinner at fellow attorney Bob Frank's home, they walked around the neighborhood, Harris was impressed that the shopkeepers were all friends of Frank. He had not seen this kind of camaraderie among businessmen since moving to Chicago. This inspired him to consider the possibility of starting a club where men of different professions could gather in fellowship.

1905- Harris eventually persuaded several business associates to discuss the idea of forming an organization for local professionals. On 23 February, Harris (lawyer), Gustavus Loehr (mining engineer), Silvester Schiele (coal dealer), and Hiram Shorey (merchant tailor) gathered at Loehr's office Room 711 in downtown Chicago for what would become known as the first Rotary club meeting.

Several weeks later, Schiele was elected the 1st president of "Rotary".

"This new club was called Rotary because in the early days the members met in rotation in their various places of business so that they might come to know one another better." – Paul Harris

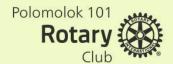

1908- Arthur Sheldon of Chicago Club created the classification system and penned "He Profits Most Who Serves Best."

1910 - 15-17 August, 60 Rotarians held the first national convention in Chicago, where 16 clubs unified as National Association of Rotary Club (now Rotary International) Harris was elected as first president.

At the end of his second term as Rotary president, Harris resigned, citing ill health and the demands of his professional practice and personal life. He was elected president emeritus by convention action, a title he held until his death.

Mid 1920's -Harris became actively involved in Rotary again, serving as the public face of the organization. To promote membership and service, he attended conventions and visited clubs throughout the world, often accompanied by his wife, Jean.

1947- Paul P Harris died on 27 January in Chicago at age 78, after a prolonged illness. Before his death, he made it known that he preferred contributions to The Rotary Foundation in lieu of flowers. In the 18 months following his death, The Rotary Foundation received \$1.3 million, which helped support the Foundation's first program — scholarships for graduate study abroad.

HALL OF PAST PRESIDENTS

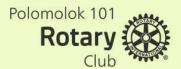

The Club 101 June 2024

The Value of Rotary Friendships/Fellowship

The world's first service club was founded on February 23, 1905 when lawyer Paul Harris and three friends met in a small office in downtown Chicago. These men wanted to rekindle in the turn-of-the-century city the spirit of friendliness they had known in their hometowns. How wise these men were. Today, we join Rotary for many different reasons, but it likely that one of the major reasons we "stay" in Rotary has to do with the friendships formed and fellowship developed over the years.

In an increasingly complex world, Rotary provides one of the most basic human needs: that of friendship and fellowship. It is one of the reasons why Rotary began in 1905. The second original reason for Rotary's beginning is businessdevelopment. Everyone needs to network. Rotary consists of a cross section of every business community. Its memberscome from all walks of life. Rotarians help each other and collectively help others.

THE CLUB 101 JUNE 2024

4 reasons why you should join a Rotary Fellowship

BY: PE TROY PUBLICO

What is a Rotary Fellowship?

Fellowships are international, independently organized groups of people who have a common interest or profession. With more than 100 officially recognized fellowships, there are many ways to connect and build community with new friends all around the Rotary world.

3. To show off a great Rotary program to folks who are not Rotary members

Anyone is welcome to join a Rotary Fellowship, including people who are not members of a Rotary or Rotaract club! Fellowships are a great way to engage Rotary alumni and introduce people to Rotary who may not know that our activities transcend our clubs and districts.

June is Rotary Fellowships Month. This is a great time to reflect on your hobbies, interests, or profession and connect with an existing fellowship or consider forming your own!

Developing these new relationships can help you experience a favorite activity in a different context, learn about your profession and participate in professional development opportunities alongside seasoned professionals, and build a broader global community and world understanding.

Why should you join a Rotary Fellowship? 1. To connect with each other!

Fellowships are a great way to connect with like-minded individuals outside of your club or district who share your vocation, interest, or hobby. They allow you to meet people with whom you already have something in common, making it easier to make new friends.

2. To implement service projects

Rotary members and friends are already committed to service and naturally, they find new ways to serve through fellowships. Many Fellowships host or participate in service projects that are related to their common passion or profession. For example, the International Tennis Fellowship is hosting a Fellowship Tennis World Championship with proceeds benefitting Rotary's fight to end polio.

4. To develop leadership skills

Fellowships offer members and participants leadership opportunities by creating inclusive environments to lead international groups and activities, attend events, exchange ideas, and build a community in every corner of the world. There are many ways to get involved, from serving on a fellowship's board of directors to heading committees, such as planning a special event or managing the group's social media presence.

"Kindness can transform someone's dark moment with a blaze of light. It always makes a difference."

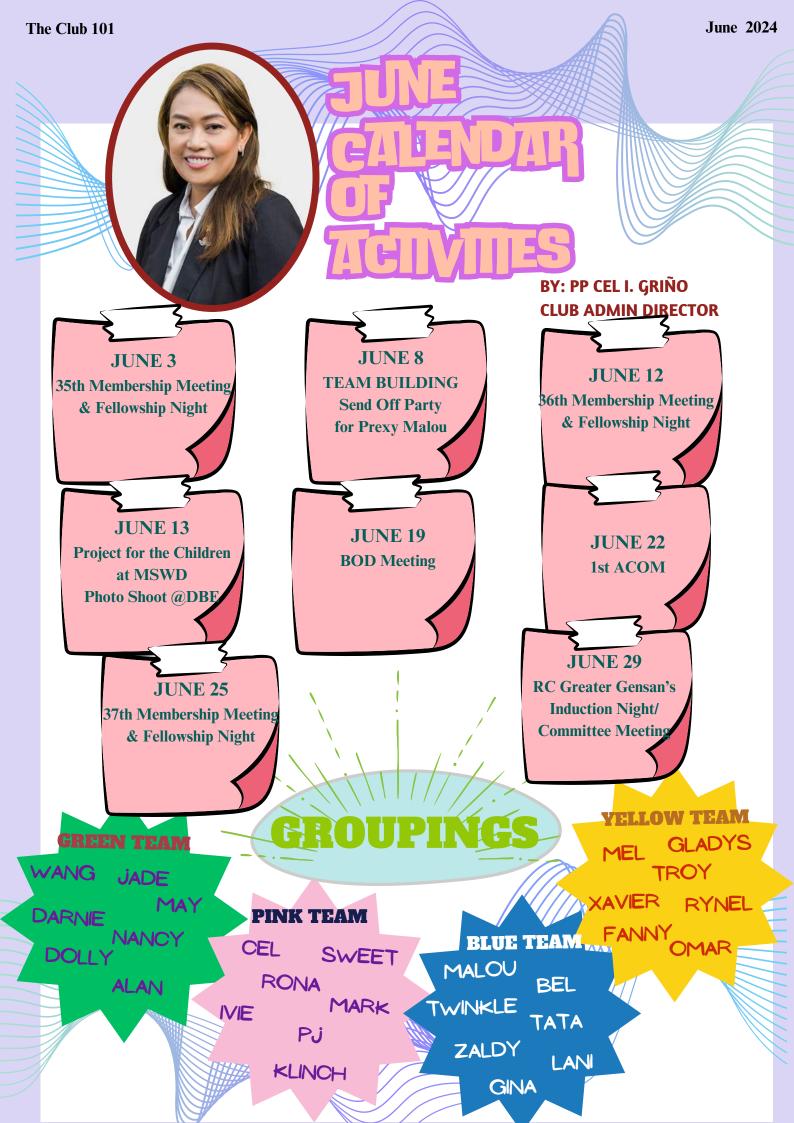

The Rotary Club Of Polomolok 101 took time to visit the children who are under the custody of MSWD on June 13, 2024. They are the children who have suffered from abandonment, neglect and exploitation and Children in Conflict with the Law. To make the children inspired, Pp Mel, Rtn Nancy delivered inspirational messages, and words of wisdom and encouragement to them. And to share our blessings with these children, they received new and pre-loved clothes from our members. We also donated hygiene kits for their personal needs. Of course, to end our visit, a simple party-with jolibee foods and cake were shared by them. This may be a simple activity but we were able to touch their lives and made the children smile.

Invocation

Dear Lord, thank You for gathering us here today on our 31th General Membership Meeting. We ask for Your guidance, wisdom, and support throughout this meeting. Help us to engage in meaningful discussion, allow us to grow closer as a group and nurture the bond camaraderie. Fill us with Your grace, Oh Lord, as we make decisions that might affect our club. and continue to remind us that all we do, all that we accomplish, is for the pursuit of the truth for the greater glory of You, and for the service of humanity. We ask this in Your name. AMEN

The Rotarian Pledge

I am a Rotarian. I will always uphold the truth.

I am a Rotarian. I will always strive to be fair in all my dealings with my fellow human beings.

I am a Rotarian. I will always endeavor to build goodwill and understanding in my community. Among my countrymen, and among peoples of all nations.

I am a Rotarian. I will always seek to promote the greatest good for the greatest number of people in the spirit of Rotary service.

I am a Rotarian. I will always observe Rotary International's motto: Service Above Self.

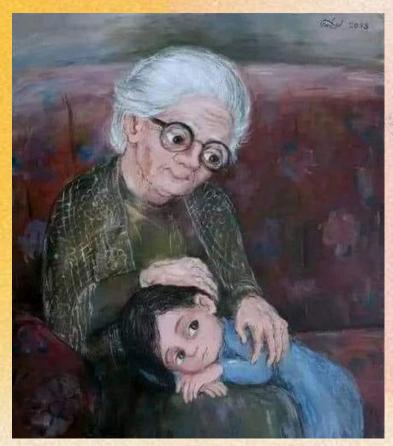

The Club 101

How to be always Happy in Life...

"Advice from Grandma"

By: PP Mel Deypalan

- 1. Always remember that there is nobody on this earth that does not have problems. You are not the only one that has problems.
- 2. Challenges is part of life. It is only a dead man that has no challenges.
- 3. There is no problem that has no solution. There are solutions to the pains you are passing through.
- 4. The way you picture yourself in your mind can affect your happiness. Picture yourself as a valuable and beautiful person. Avoid low self esteem and inferiority complex.
- 5. Do not mind about what people say about you. Some people are sadists. They can just say something's just to make you feel sad.
- 6. Make friends with reasonable people who make you happy. Do not make friends with people who make jest of you or laugh at you over your challenges.
- 7. At your leisure time, keep yourself busy with your favorite hobbies like reading, Learning, etc.
- 8. Do not allow anyone to intimidate you with money and material things. A poor man today can become rich tomorrow. Change is constant.
- 9. No matter what you are passing through today, do not give up. As long as there is life, there is hope. Never stop trying. Give it one more time.
- 10. Be very #prayerful. Pray without ceasing. Prayer is a catalyst that can speed up your blessings to come to you on time.
- 11. Be courageous to go for what you want. Life is all about risk. If you don't take a risk, you will not get the desires of your heart.

June 2024

THE CLUB 101 2024

Transfer of Authority

By: PAG May Urbano

June 12, 2024- On our 36th Membership Meeting and Fellowship Night, our Incumbent President Malou Teoxon transmit her position to her successor President-Elect Troy Publico. After she gave the bell her last hit, she turned the gavel over to PE Troy, symbolizing the transfer of authority.

This soft turn-over ceremony marks a significant event for the Rotary Club of Polomolok 101 as we are looking forward to start another chapter for our club to be led by our Incoming President. This symbolic gesture signifies the transfer of authority and another fresh start for our club for Rotary Year 2024-2025.

The Soft Turn Over Ceremony was witnessed by the members who were present during the meeting.

History of the Rotary Club of Polomolok 101

The Rotary Club of Polomolok 101 was officially chartered as a legitimate club by Rotary International, through the efforts of its mother club – the Rotary Club of Midtown Gensan on August 31, 2005. As early as February 2003, there were already numerous attempts to organize a Rotary club in the municipality of Polomolok, but it was only in January 2005 when persistence finally paid off. With the blessing of RC Midtown Gensan, Omar Gallinero became the new club's Charter President, leading 25 other charter members with various classifications. Rotary Club of Polomolok 101 was formed under the leadership of Len Magno as then the District Governor of 3860.

The club's name is suffixed with the number 101 for two significant reasons: one, the club was founded on Rotary International's 101st foundation anniversary; and the club was the 101st club to be chartered under District 3860.

The Rotary Club of Polomolok 101 was registered under District 3860, Area 3F with Club Number 70517. To date, the Club runs on man-strength of twenty five(25) committed individuals.

Mission Statement

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Vision Statement

"Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."
