An October to Remember: Service in Every Step

Pax et Bonum!

Looking back at my planner that is so full for the month of October reminds me that doing service doesn't need a long break. Sometimes, it can be squeezed in between tasks and should be desired as one of the priorities for the day or for the week. This month was significant for our club, having been visited by our District Governor Angel "Jong" Fernandez, Jr. as we launched our End Polio Public Image project at Brader's Cafe, plus the celebration of Pink October, Run and Rave and the Pink Kasuso Foundation Fun Run. Our visit to the Weaving Community in Barangay Landan after our Governor's visit was also an opportunity for us to meet a centenarian woman who shared to us the importance of eating healthy foods. The things we learned from what we have observed and experienced become more memorable because we chose to spend our time with our fellow Rotarians whose energy are geared towards the same mission. Being someone with plantar fasciitis and occasionally suffers vertigo, I am really amazed with those who ran and received medals at the finish line. I sensed fulfillment and I witnessed triumph – not just because they ran faster than the others, but because they ran for a greater cause. The Pink Kasuso Foundation Fun Run has proven that collective efforts do matter and that simple goals require least amount of stress which makes it more suitable for most of us whose schedule is always hectic. After all, life is not a race, but a journey. For RCP 101, it was indeed an October to remember. May we be able to materialize our proposed activities in the months to come.

Yours in Rotary Service,
Prexy Gina de Guzman
RCP 101 President

"The most meaningful days are those spent in service, no matter how busy life becomes."

-Prexy Gina

Editor's Note

PINK OCTOBER: A Month of Hope and Service

October is a month that touches me deeply. As a breast cancer survivor and advocate, I see Pink October not just as a celebration of awareness, but as a symbol of hope, courage, and love. My journey through cancer was filled with challenges – physically, emotionally, spiritually and financially – but I was never alone. My family, friends, and my Rotary family walked with me, giving me strength to overcome.

This month, the Rotary Club of Polomolok 101 stands united with the world in celebrating Breast Cancer Awareness Month. Through our Pink Zumba, Pink Forum, and Pink Kasuso FunRun, we aim to raise awareness and funds to help breast cancer patients. Each step we take is a message of encouragement – a reminder that together, we can make a difference. October also marks End Polio Month, another cause close to Rotary's heart. For over 35 years, Rotary has been leading the fight to eradicate polio worldwide through the PolioPlus program. Our club joins this global mission through our Run and Rave for a Cause to End Polio, proving once again that Rotary's service knows no boundaries. Both Pink October and End Polio Now reflect what Rotary stands for – compassion, service, and hope. As a survivor and a Rotarian, I believe that every act of kindness, no matter how small, brings healing and hope to someone's life. Let us wear our pink and red with pride, and continue to serve with hearts that care and hands that help.

A Friendly Reminder — Let's Keep Our Dues on Time!

As we continue serving with passion and purpose, let's not forget one of our simple yet important responsibilities as club members — paying our monthly dues on time. These dues keep our club running smoothly and allow us to support our projects and commitments without delay.

Sometimes, it's easy to let small balances pile up — until one day, it feels heavier than we expected. Let's avoid that by making it a habit to settle our dues regularly. A small reminder to ourselves today can save us from a bigger burden later.

Remember, being a Rotarian means more than just attending meetings or joining activities — it also means fulfilling our financial commitment to the club we love. Each contribution, no matter how small, helps keep our service projects alive and our club strong.

💡 A little saving tip:

Try setting aside a small amount every payday — think of it as your Rotary envelope. By putting your “Rotary share” first, just like how we prioritize bills or essentials, you'll never have to worry about overdue dues again. It's a simple act of discipline that reflects the true spirit of Rotary — responsibility, integrity, and service above self.

So let's all do our part. Pay your dues on time, and encourage others to do the same. Together, we can keep our club financially healthy and ready to serve whenever and wherever we're needed.

Thank you, and let's continue to serve with joyful hearts and responsible hands!

LAUNCHING OF END POLIO BILLBOARD ON GOVERNOR'S CLUB VISIT

A day filled with gratitude, inspiration, and Rotary spirit as we welcomed District Governor Jong Fernandez to the Rotary Club of Polomolok 101 on October 11, 2025 at Brader's Cafe.

Before the meeting, we joyfully surprised our Governor with the unveiling of our "End Polio Now" billboard, our club's Public Image Project supporting Rotary's mission to end polio. The billboard proudly stands in front of Brader's Café along the National Highway, a visible reminder of Rotary's ongoing fight against polio — seen by travelers heading to GenSan, South Cotabato, and nearby provinces.

The visit was beautifully covered by Spin Media, capturing this meaningful milestone.

During our meeting, Gov. Jong inspired everyone as he emphasized the importance of action — to increase our impact, expand our reach, enhance engagement, and strengthen our ability to adapt.

President Gina de Guzman wholeheartedly responded to the call of Gov. Jong, presenting our club's accomplishments and laying out our exciting upcoming projects and service activities.

Pink OCTOBER Activity

Pink Zumba for a Cause & Pink Forum

The Rotary Club of Polomolok 101 joined the early morning Zumba for a Cause on October 18, 2025 at Robinsons Place — a fun and healthy way to raise awareness about Breast Cancer.

After the energizing Pink Zumba, we participated in the Pink Forum, where inspiring guest speakers shared valuable insights about breast cancer awareness and prevention. We also had the privilege of meeting brave breast cancer patients who received gift packs from various Rotary Clubs.

To make the day even more meaningful, free haircuts were offered as part of the activity.

This Pink October, let's continue to campaign for breast cancer awareness and early detection — because it truly saves lives and money.

This meaningful event was organized by Area 2FGH, with RC Greater Gensan as the lead club.

Pink OCTOBER Activity

PINK KASUSO FUNRUN

Together, We Fight Breast Cancer

Since its establishment in August 2015, the Philippine Foundation for Breast Care, Inc. – South Cotabato Chapter (Kasuso Foundation) has been a beacon of hope for women bravely battling breast cancer. Over the past decade, it has helped many women who cannot afford mammograms, treatments, and other vital medical services — giving them not only access to care, but also the gift of hope.

The Rotary Club of Polomolok 101 is a proud member and partner of this foundation, sharing the same mission of promoting awareness and the importance of early detection.

As part of this continuing advocacy, we proudly support the Pink Kasuso Fun Run on Oct 26, 2025 at SMARAA Grounds, Koronadal- an event dedicated to raising funds to assist breast cancer patients in their fight for life.

The fight is not yet over. Each day, more women are diagnosed. And each day, we are reminded why our mission must go on. Together, we can save lives, give hope, and build a future where breast cancer is no longer a battle to be feared.

A Journey of Faith, Strength, and Survival

By: May Urbano
(Breast Cancer Survivor and Advocate)
Rotary Club of Polomolok 101

My journey with breast cancer began in March 2007, a month that changed my life forever. I can still remember the day I heard the word cancer — a word that instantly shook my world. I didn't know what to feel. Fear, confusion, and uncertainty filled my heart. But amid the tears and questions, I found something stronger than fear — faith. Now, 18 years later, I proudly call myself a breast cancer survivor. It has been a long, difficult, yet incredibly meaningful journey. The road was far from easy.

It deepened my spirituality and transformed the way I see life. I learned to surrender completely — to let go of worry and let God take control. Every day became an act of faith, every breath a reminder that life is a gift. Even now, I continue to fight. Cancer may have changed my voice, but it never silenced my spirit. I am still alive and kicking! That's my daily reminder to live with gratitude, to smile through the challenges, and to praise God for every new day.

To everyone still battling this disease, please do not give up. You are stronger than you think. You are braver than you believe. Don't let cancer defeat your will to live. Instead, fill your days with purpose, laughter, and faith. Life doesn't stop with cancer — it simply changes, and sometimes that change leads you to discover how truly strong and loved you are.

This Pink October, as we honor Breast Cancer Awareness Month, let's continue to spread hope and awareness. Remember, breast cancer is curable when detected early. Don't be afraid — early detection saves lives and even resources. Encourage the women around you to have their regular checkups, to know their bodies, and to prioritize their health.

To all my fellow survivors — wear your scars with pride. They are not marks of weakness, but symbols of your courage and victory.

To those still in treatment — keep the faith, because miracles happen every day. And to everyone supporting someone through cancer — thank you, your love truly makes all the

As a survivor, I've learned that life after cancer is not just survival — it's a celebration of grace. I live each day with gratitude, guided by faith, surrounded by love, and driven by purpose. My journey continues, and so does my mission: to inspire others to fight with faith, live with courage, and never lose hope.

ROTARY CLUB OF POLOMOLOK 101 PARTICIPATES IN COOPERATIVE MONTH CELEBRATION AND MOVE-UP PROJECT LAUNCHING

The Rotary Club of Polomolok 101 joined hands in celebration of Cooperative Month and in support of the Dolefil CARES Community Outreach Program spearheaded by Mahintana Foundation, Inc., in partnership with the Local Government Unit of Polomolok and the People's Multi-Purpose Cooperative. The event was held on October 29, 2025, at the Landan Barangay Covered Court.

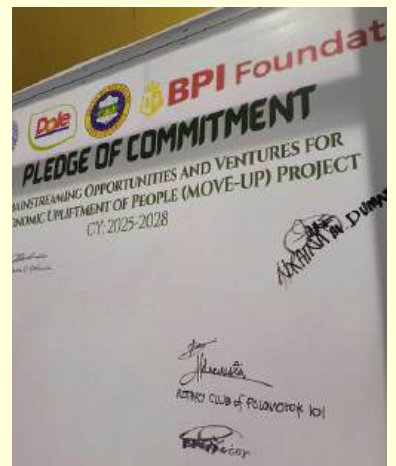

Our very own Past President Dr. Bel Acuesta rendered her professional service by administering fluoride applications to over one hundred Indigenous People (IP) children to help protect their teeth from cavities. Each child also received a free toothbrush and toothpaste after the procedure.

Prior to the fluoride application, an educational session was conducted for the IP children and their mothers on the proper techniques of tooth brushing and handwashing, emphasizing the importance of good hygiene practices in maintaining overall health.

This partnership activity highlights the commitment of the Rotary Club of Polomolok 101 to promote community health and well-being while supporting initiatives that strengthen local resilience and cooperative empowerment.

The MOVE-UP Project (Mainstreaming Opportunities and Ventures for Economic Upliftment of People) is a three-year program funded by BPI Foundation and Dole Philippines, and implemented by Mahintana Foundation, Inc. It aims to develop inclusive and sustainable micro-enterprises among conflict-affected and vulnerable communities in Polomolok.

Through collaboration and service, the Rotary Club of Polomolok 101 continues to be a partner in creating opportunities and uplifting lives

Why Rotarians Need to Contribute to End Polio fund

By PP ROGELIO "WANG" RALLOS
TRF DIRECTOR

Every year, Rotarians around the world unite for one important cause — to End Polio Now. You might wonder, why is it still important for us to contribute? Hasn't polio already been eliminated?

The answer is — almost, but not yet.

Polio is a disease that mostly affects children, and it can cause permanent paralysis. Because of Rotary's efforts for more than 35 years, polio cases have dropped by over 99%. What used to paralyze hundreds of thousands of children every year now exists only in a few areas. That's an incredible success — but until we completely wipe it out, every child everywhere is still at risk.

That's why our contributions matter. Every peso we give helps buy vaccines, support health workers, and reach children even in the most remote communities. Through Rotary's PolioPlus program, we help ensure that no child will ever suffer from this preventable disease again.

It doesn't take much to make a big difference. A small contribution from each Rotarian adds up to millions of lives protected. When we give, we're not just donating — we're giving a gift of health, freedom, and a future without polio.

Together, let's continue what Rotary started. Let's be part of history — the generation that finally ends polio for good.

Invocation

Heavenly Father,
We thank You for gathering us here today in fellowship and purpose as we honor Breast Cancer Awareness Month. We lift up to You all those whose lives have been touched by breast cancer — the brave survivors, the fighters, and those who have gone ahead into Your loving embrace.

We especially pray for our dear members, PAG May and PP Mel, who stand as shining symbols of courage, hope, and faith. May You continue to bless them with strength, good health, and joy.

Grant us hearts of compassion and hands that serve, that we may continue to bring hope and healing to others. Guide our meeting today with wisdom, unity, and purpose as we work together for service above self.

We ask all these in Your most holy name.
Amen.

The Rotarian Pledge

I am a Rotarian. I will always uphold the truth.

I am a Rotarian. I will always strive to be fair in all my dealings with my fellow human beings.

I am a Rotarian. I will always endeavor to build goodwill and understanding in my community.

Among my countrymen, and among peoples of all nations.

I am a Rotarian. I will always seek to promote the greatest good for the greatest number of people in the spirit of Rotary service.

I am a Rotarian. I will always observe Rotary International's motto: Service Above Self.

Rotary

The Four-Way Test

of what we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

A Landmark of Love and Service: Rotary Club of Polomolok 101 Advocates to End Polio

By: PAG May Urbano

District Governor Jong Fernandez, joined by District Secretary Kit Chua, Assistant Governor Paris, and the members of RC Polomolok 101, led the unveiling ceremony. The billboard, strategically located along Silway 8 National Highway, Polomolok, South Cotabato, stands as a visible symbol of Rotary's dedication to the End Polio campaign. Seen daily by thousands of travelers from General Santos City to Koronadal and nearby provinces, the billboard serves as a constant reminder that the fight to end polio must continue until victory is achieved. This initiative also reflects the crucial role of Public Image in Rotary.

Public Image is more than just visibility — it is the voice of Rotary in the community. Through it, we share our stories of service, inspire others to join our causes, and attract partners who share our vision of creating lasting change. By promoting Rotary's image, we make our mission tangible to the public — turning awareness into action, and action into impact. The End Polio Billboard project embodies that very purpose. It communicates Rotary's unwavering commitment to serve humanity and reminds everyone that together, we can make the impossible possible. This landmark was made possible through the generosity of President-Elect Rutcie Tito, who also graciously offered the site for its installation — a true testament to Service Above Self. The Rotary Club of Polomolok 101 remains steadfast in advancing Rotary's causes and inspiring the community through meaningful projects. As the billboard lights up the highway each night, it also illuminates Rotary's message of hope, compassion, and love — a powerful reminder that we are this close to ending polio forever.

October is a significant month for Rotary — a time when Rotarians around the world unite to strengthen one of our longest-running and most impactful advocacies: Ending Polio. For over three decades, Rotary has stood at the forefront of this global campaign, committed to eradicating a disease that once paralyzed hundreds of thousands of children each year. Today, thanks to Rotary and its partners in the Global Polio Eradication Initiative, polio remains endemic in only a few countries.

This is why Rotary continues to campaign — to keep awareness alive, sustain vaccination efforts, and remind communities that ending polio is an act of love for our children and the generations to come.

In support of this continuing mission, the Rotary Club of Polomolok 101 proudly launched a meaningful Public Image Project — the End Polio Billboard. The project was officially unveiled on October 11, 2025, coinciding with the club's Governor's Visit.

Threads of Tradition, Weaves of Empowerment: Rotary Club of Polomolok 101's Commitment to Uplifting Indigenous Communities

This October, we're not only celebrating End Polio Month, but also Community Economic and Development Month – one of Rotary's areas of focus.

On October 11, 2025, we visited the B'laan tribe in Barangay Landan, who proudly preserve their culture through weaving and making traditional accessories. It was inspiring to see their passion for keeping their traditions alive.

We donated some raw materials like threads and beads to support their livelihood program – a small way to help them continue this meaningful craft that connects them to their roots.

ECONOMIC DEVELOPMENT

RUN & RAVE FOR A CAUSE

Beats and Strides Against Polio

RCP 101 joined hundreds of Rotarians and runners for Run and Rave for a Cause 2025 — a powerful step toward ending polio for good!

The Rotary Club of Polomolok 101 proudly joined the Run and Rave for a Cause: End Polio Now event held on October 18, 2025, at All Homes, General Santos City.

Organized by the Rotary Clubs of Area 2FGH, led by the Rotary Club of Dadiangas, this sundown race gathered over 900 runners who participated in the 5K, 10K, and 16K categories—all in support of Rotary's mission to End Polio Now.

The event was graced by District Governor Angel “Jong” Fernandez, who commended the organizers and participants for their strong commitment to Rotary's advocacy.

More than just a run, the night turned into a vibrant rave celebration, with music and lights filling the air as the community united for a meaningful cause. The event's success highlighted the power of teamwork and collective action, showcasing how Rotarians and partners can make a difference—one stride and one beat at a time.

Together, we continue to raise awareness and take action toward a polio-free world.

The Rotary Club of Polomolok 101: A Legacy of Service

The Rotary Club of Polomolok 101 was officially chartered by Rotary International on August 31, 2005, through the dedicated efforts of its mother club, the Rotary Club of Midtown General Santos. While initial attempts to establish a Rotary club in Polomolok began as early as February 2003, it was only in January 2005 that persistence bore fruit. With the support of Rotary Club of Midtown General Santos, Omar Gallinero was appointed as the club's Charter President, leading 25 charter members from diverse professional backgrounds. The club was established under the leadership of then-District Governor Len Magno of District 3860.

The number 101 in the club's name holds special significance. First, it marks the club's founding during Rotary International's 101st anniversary. Second, it represents the club's distinction as the 101st chartered club under District 3860.

Registered under District 3860, Area 2F with Club Number 70517, the Rotary Club of Polomolok 101 continues to thrive, powered by a dedicated team of 26 committed individuals who embody the spirit of service above self.

Mission Statement

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Vision Statement

"Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

FUN AND FELLOWSHIP: ROTARY MOMENTS BEYOND SERVICE

In Rotary, fellowship is at the heart of everything we do — and that includes moments of fun and laughter!

As part of our 20th Charter Anniversary celebration, on October 5, 2025, members of the Rotary Club of Polomolok took time off from meetings and service projects to simply enjoy a day of relaxation and bonding with our families and fellow Rotarians.

It was a joyful and meaningful gathering filled with games, laughter, and lighthearted activities that strengthened our friendship and camaraderie. This fun-filled event reminded us that Rotary is not only about serving others, but also about nurturing the spirit of togetherness and celebrating the joy of being part of one Rotary family.

"Strengthening bonds through fellowship and fun — truly the Rotary spirit in action"
