RI President's Message

Let Action Define Us

At last month's International Assembly, President-elect Olayinka "Yinka" Hakeem Babalola called on members of the Rotary world to live out our presidential message for the 2026-27 Rotary year: Create Lasting Impact.

This February, as we observe Peacebuilding and Conflict Prevention Month, we have an opportunity to channel Yinka's call to action into real change.

Peace is not simply the absence of war. A life free from conflict but marked by hunger, instability, or the inability to care for one's family is not true peace. Peace requires liberty, opportunity, and respect for human dignity. Yet fear often blocks that path - fear of change, of cultural loss, of people we don't understand.

Fear isn't defeated through avoidance or aggression. Knowledge is the first step toward peace. Rotary embraces this idea. Our Rotary Peace Centres and their peace fellows, along with other peace education initiatives, demonstrate how knowledge builds trust and helps communities find solutions to conflict.

In Colombia, decades of conflict have left deep wounds. The 2025 Rotary Foundation Programmes of Scale awardee, Pathways to Peace and Prosperity, partners with the United Nations World Food Programme to expand opportunity, improve conflict resolution, and connect people with social services. Its goal is to break cycles of violence, poverty, and food insecurity so peace can take root.

In Maharashtra, India, People of Action honoree Swati Herkal built peace through prosperity. Her project confronted farmers' declining soil health, rising debt, and illness caused by chemical fertilisers.

She and her Rotary partners launched a regenerative agriculture programme that revitalised the land, lowered costs, and restored stability. More than 1,100 farmers now participate and over 50 villages have adopted the model.

Rotary also advances peace by restoring dignity. In Chad, Rotary Peace Fellow Domino Frank discovered that more than 1,500 women who fought in a rebellion had been erased from reintegration programmes. His advocacy led to Chad's first Rotary Foundation global grant and the creation of Corridors of Peace. More than 100 women - triple the goal - completed literacy and vocational training and formed a cooperative to support their families.

From Colombia to India to Chad, the lesson is clear: Peace is not a dream. It is the result of sustained action with a focus on true, lasting impact. To replicate these successes, Rotary clubs can take three steps: Learn from peace fellows and other peace experts in our organisation, apply a peacebuilding lens to community assessments, and prioritise impact over ceremony.

In a world filled with fear, Rotary cannot be satisfied with half-measures and empty words. If we are truly people of action, then action must define us.

Together, we can Create Lasting Impact — across the globe, in our communities, and in ourselves.

February: Love, Peace, and Purpose

February is known as Love Month, but in Rotary, it is also Peace & Conflict Resolution Month — one of the Areas of Focus of Rotary International. It reminds us that true peace is built through compassion, opportunity, and service.

This month is especially meaningful as we celebrate the 121st birthday of Rotary. For over a century, Rotary has united leaders and communities in creating positive and lasting change. Rotary Week each February allows us not only to celebrate our history, but more importantly, to continue its legacy through action.

In line with this celebration, Area 2FGH organized a simultaneous Job Fair, and here in Polomolok, it was successfully held at Gaisano Grand. The Rotary Club of Polomolok 101, together with the Rotary Club of Central Polomolok, served as the lead clubs for this initiative. With the participation of various employers and numerous job seekers, the event became a meaningful platform of opportunity and hope.

It was truly a fulfilling endeavor. By helping provide employment opportunities, we strengthened families and contributed to building a more stable and peaceful community.

As we celebrate Rotary's 121 years of service, may we continue to turn love into action and peace into reality through our unwavering commitment to Service Above Self.

Be the Peace the World Needs

February, as Peace and Conflict Resolution Month, reminds us that peace is more than a global dream—it is a daily decision.

When we hear the word “peace,” we often imagine world leaders signing agreements or nations ending wars. Yet the most powerful kind of peace does not begin in conference halls. It begins at home. It begins in our hearts.

Peace starts when we choose to speak with kindness instead of anger. When we listen before we judge. When we forgive instead of hold grudges. In our families, in our workplaces, and in our communities, every small act of understanding becomes a bridge that prevents conflict.

As members of Rotary International, we are not only service providers—we are peacebuilders. Every project we undertake, every outreach we conduct, every hand we extend to someone in need is a step toward a more peaceful world.

When we feed the hungry, we reduce desperation.
When we educate a child, we open doors to hope.
When we comfort the sick, we ease suffering.
When we choose kindness, we calm storms we may never see.

Peace is not passive. It is active. It is intentional. It is built through compassion, empathy, and service. Let us remember that we do not need to change the whole world at once. If we create peace in our homes, our club, and our community, that peace will ripple outward. One good deed. One kind word. One forgiving heart at a time.

This February, may we not only talk about peace—may we live it.
May we be instruments of harmony.
May we be ambassadors of kindness.
May we be the peace the world needs.

Sustaining Our Service Through Responsibility

As Rotarians, we are united by our desire to serve. We plan projects, conduct outreach activities, and support meaningful causes in our community. However, behind every successful project is something equally important—responsible financial stewardship.

Our monthly dues are not simply payments; they are our commitment to sustaining the life and operations of our club. These contributions allow us to cover administrative expenses, support club activities, and most importantly, meet our financial obligations to Rotary International.

Each Rotary club is required to remit RI dues on time. When members pay their monthly dues promptly, it ensures that our club remains in good standing and fully able to participate in district and international programs. Timely payments also help us plan effectively, implement projects smoothly, and avoid unnecessary financial strain.

Supporting our club begins with fulfilling our responsibilities as members. By paying our dues on time, we strengthen our foundation. And when our foundation is strong, our service becomes even more impactful.

Let us continue to demonstrate not only generosity in service, but also reliability in commitment. Together, through shared responsibility, we sustain the work we are so passionate about.

Thank you for your continued cooperation and support.

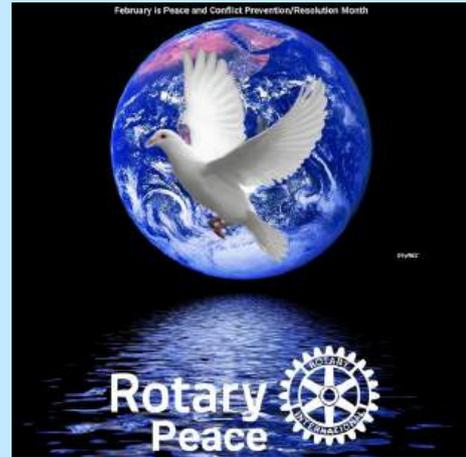

Why Peace and Conflict Resolution Is One of Rotary's Seven Areas of Focus

BY: PAG ALAN M. INES

Peace is not merely the absence of war—it is the presence of justice, opportunity, and compassion. This is why Rotary International includes Peace and Conflict Resolution as one of its seven Areas of Focus.

Conflicts often stem from poverty, inequality, lack of education, and limited access to basic needs. Rotary addresses these root causes through sustainable projects that promote economic development, education, healthcare, and community support. By improving lives and restoring dignity, Rotary helps create environments where peace can grow and flourish.

Peacebuilding is not always about large-scale negotiations. Sometimes, it begins with simple acts of kindness and understanding.

In line with this, the Rotary Club of Polomolok 101 has aligned activities that reflect this commitment. We are planning a visit to persons deprived of liberty, where we will distribute personal hygiene items and extend encouragement and support. Through this small yet meaningful gesture, we hope to remind them that they are not forgotten and that compassion remains a powerful tool for healing and transformation.

When we reach out to the marginalized, we reduce hopelessness and foster human dignity—both essential foundations of peace. Rotary recognizes that lasting peace is built not only through dialogue but also through service.

Indeed, peace begins with us. Through every act of compassion, every hand extended in service, and every effort to uplift others, we help build a more understanding and harmonious world.

BUILDING PEACE THROUGH THE ROTARY FOUNDATION

By PP Rogelio Rallos, Jr
TRF Chair

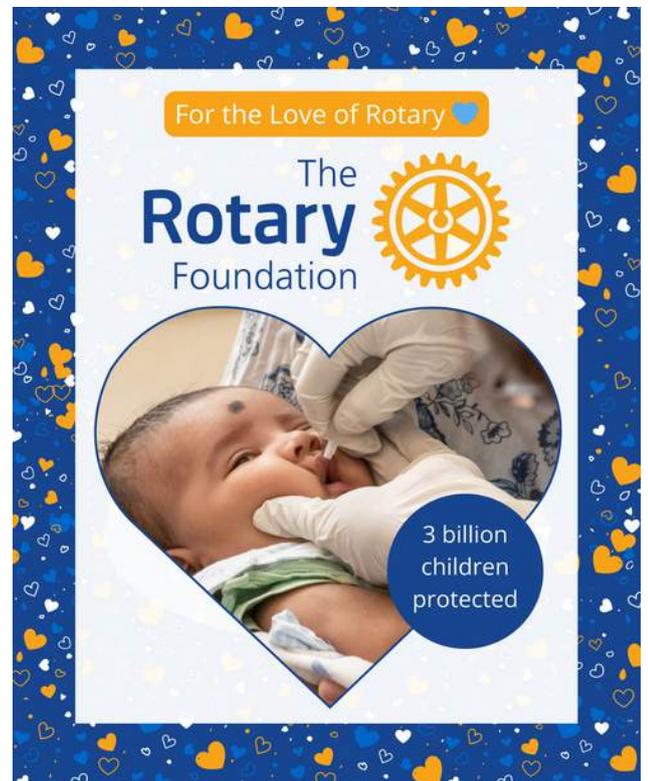

Peace is not achieved by chance—it is built intentionally through compassion, education, and opportunity. Through the transformative work of The Rotary Foundation, Rotary International advances Peace and Conflict Resolution as one of its seven Areas of Focus.

The Rotary Foundation supports sustainable projects that address the root causes of conflict—poverty, illiteracy, inequality, and lack of access to basic needs. By funding humanitarian grants, community programs, and global partnerships, it helps create conditions where understanding replaces division and hope overcomes despair.

One of its most powerful contributions is investing in peacebuilders through scholarships and leadership programs that equip individuals with the knowledge and skills to prevent and resolve conflicts. These trained leaders go on to serve in communities around the world, becoming instruments of dialogue, cooperation, and reconciliation.

The Rotary Club of Polomolok 101 proudly supports The Rotary Foundation by striving to become an All-Giving Club. Through our collective contributions, we transform generosity into meaningful action—knowing that every donation helps plant seeds of peace somewhere in the world.

Indeed, when we give to The Rotary Foundation, we are not only funding projects—we are building bridges of understanding and laying the foundation for lasting peace.

The Rotary Club of Polomolok 101: A Legacy of Service

The Rotary Club of Polomolok 101 was officially chartered by Rotary International on August 31, 2005, through the dedicated efforts of its mother club, the Rotary Club of Midtown General Santos. While initial attempts to establish a Rotary club in Polomolok began as early as February 2003, it was only in January 2005 that persistence bore fruit. With the support of Rotary Club of Midtown General Santos, Omar Gallinero was appointed as the club's Charter President, leading 25 charter members from diverse professional backgrounds. The club was established under the leadership of then-District Governor Len Magno of District 3860.

The number 101 in the club's name holds special significance. First, it marks the club's founding during Rotary International's 101st anniversary. Second, it represents the club's distinction as the 101st chartered club under District 3860.

Registered under District 3860, Area 2F with Club Number 70517, the Rotary Club of Polomolok 101 continues to thrive, powered by a dedicated team of 26 committed individuals who embody the spirit of service above self.

Mission Statement

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Vision Statement

"Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves."

THE HEALING POWER OF PEACE

By: PP Melani Deypalan

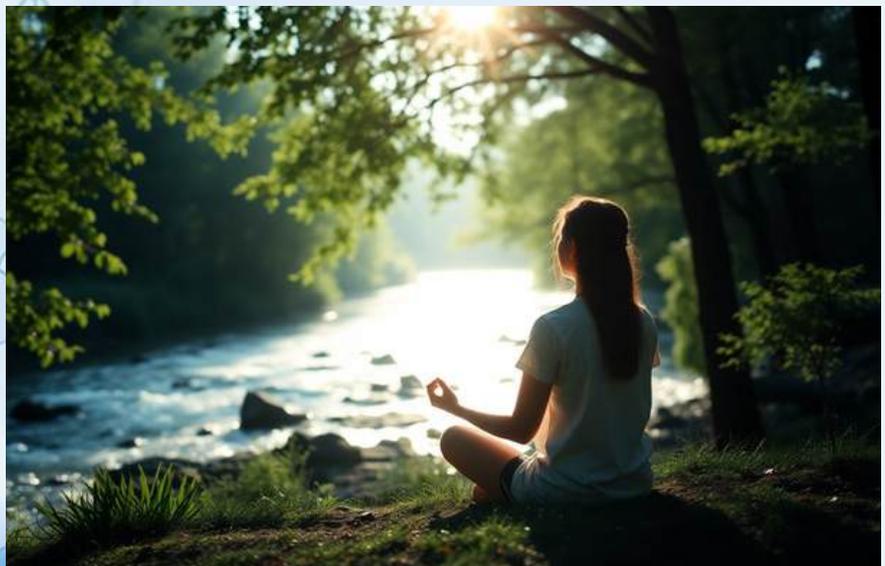

Peace is one of the greatest gifts we can give ourselves. It is not found in a world free from struggles, but in a heart that chooses calm despite them.

Life tests us in many ways. There are battles we fight quietly, challenges that shape us, and moments that stretch our faith. Yet in those seasons, we learn that true healing begins when we stop resisting and start embracing peace within. Inner peace comes when we accept what we cannot control, forgive what has hurt us, and trust that every trial carries a lesson.

A peaceful heart is a strong heart. It does not break easily, because it is anchored in faith and hope. It allows us to move forward without bitterness and to serve others without carrying the weight of anger or fear.

When we choose peace within ourselves, we radiate calm to those around us. Our words become gentler. Our actions become kinder. Our presence becomes reassuring. And in doing so, we become instruments of healing—not only for ourselves, but for others.

May we always guard our inner peace, for it is where healing begins, where strength is renewed, and where purpose is rediscovered.

CELEBRATING 121 YEARS OF ROTARY: SERVICE ABOVE SELF

By CP Omar Gallinero

121 years ago today, Rotary began with the vision of one man — Paul Harris. On February 23, 1905, the Chicago attorney formed the Rotary Club of Chicago so that professionals from diverse backgrounds could exchange ideas, build goodwill, and form meaningful, lifelong friendships.

The first four Rotarians were Gustavus Loehr, Silvester Schiele, Hiram Shorey, and Paul P. Harris. From their small gathering grew what is now Rotary International — a worldwide network of leaders and volunteers united in Service Above Self.

Today, the Rotary Club of Polomolok 101 proudly joins thousands of Rotary clubs around the world in celebrating this remarkable milestone.

As the Charter President of RCP 101, I am proud to say that our club remains strong. For 21 years, we have continued to serve our community with dedication, integrity, and heart — carrying forward the legacy that began in 1905.

Here's to 121 years of Doing Good in the World — and to many more years of transformative service!

Trabaho Fair

A total of 270 jobseekers and 30 employers registered at our Project Trabaho Fair held at Gaisano Grand Polomolok on Feb 24, 2026 – and nine were hired on the spot!

This initiative was made possible by Rotary District 3860 – Area 2FGH, LGUs, PESO, DOLE, and the IBP. Here in Polomolok, the Rotary Club of Polomolok 101 and Rotary Club of Central Polomolok were in charge, ensuring everything ran smoothly for our local participants.

This project is more than numbers – it's about hope, – hope for families seeking stable income, hope for individuals striving for a better future, and hope for a stronger community. When Rotary and its partners work together, we do not just organize events – we create life-changing opportunities.

Together, we continue to open doors, uplift lives, and prove that through service and unity, we can make a lasting difference.
