April 2026

Count On Preparation, Not Luck

Not long ago, in a small health center in the village of Aaye in southwest Nigeria, a woman arrived in labor carrying twins. The facility was short-staffed. The nurse midwife in charge was not present.

A community health worker stepped forward. She had participated in Together for Healthy Families in Nigeria, a Rotary Foundation Programs of Scale initiative. And though she was not formally trained as a midwife, she was equipped with essential emergency obstetric skills.

Hours later, both babies had been delivered, one at the health center and the other at a general hospital, where the mother had been referred after complications were quickly identified. The newborns and their mother were alive and safe.

Women around the world face similar circumstances every day – moments when the difference between life and loss depends on well-trained medical staff and reliable systems and procedures.

Together for Healthy Families in Nigeria exists to increase the chances that those moments end in hope. By strengthening health systems and training frontline workers, this program helps communities

protect mothers and children even when circumstances are difficult.

This work reflects the very heart of Rotary service. Service is not only what we do when conditions are ideal. It is what we do when systems are strained, resources are limited, and the need is urgent. It is the

commitment to prepare people before a crisis arrives and to stand with communities when it does.

Maternal and child health is not an abstract goal. It is deeply personal. It is a mother who survives childbirth. It is a newborn who takes a first breath. It is a family that remains whole because someone was trained, ready, and cared enough to act. Rotary understands that service means investing in people and systems long before they are tested.

Programs like Together for Healthy Families in Nigeria show what is possible when Rotary brings together local knowledge, global partnerships, and sustainable solutions. By working alongside health professionals and local leaders, Rotary helps ensure that lifesaving care does not depend on luck or location.

The story of the mother and her twins is at its core a story of service. It is a reminder that Rotary's impact is measured in human moments when people step forward to help others in their most vulnerable hours.

When we Unite for Good, service becomes more than an ideal. It becomes a lifeline for families, a source of strength for communities, and a promise that Rotary will.

Francesco Arezzo

RI President

PRESIDENT'S PAGE

A Mother's Heart for Every Child

April, celebrated in Rotary as Maternal and Child Health Month, holds a very special place in my heart—not only as a Rotarian, but more importantly, as a mother. This Rotary focus reminds us that the health and well-being of mothers and children are essential in building strong families and thriving communities.

In many parts of the world, especially in developing countries, mothers and children continue to face serious health challenges—many of which are preventable. Limited access to healthcare, lack of proper nutrition, and insufficient health education put lives at risk every day. This is why Rotary remains committed to supporting programs that provide care, education, and hope to those who need it most. When we care for mothers, we protect the very foundation of the family. When we care for children, we invest in the future.

As a mother, I personally understand how crucial the early years of a child's life are. A child depends on us for everything—their nutrition, their safety, their health, and their emotional well-being. Simple acts such as ensuring proper hygiene, providing balanced meals, keeping up with regular check-ups, and even teaching good habits like oral care can make a lasting difference in a child's life.

Mothers play the most important role in shaping these habits. When a mother is informed, supported, and empowered, she becomes her child's first teacher and strongest protector. This is why educating mothers is just as important as providing medical services. Knowledge gives confidence, and confidence leads to better care for our children.

In our club, we are proud to support initiatives that promote maternal and child health, especially through education and community outreach. Whether it is teaching proper oral hygiene, encouraging preventive care, or simply reaching out to families in need, we believe that small acts of service can create meaningful and lasting impact.

Let us remember that taking care of our children's health is not just a duty—it is an act of love and a commitment to their future. As we continue our journey in Rotary, may we always carry a mother's heart in our service—compassionate, nurturing, and dedicated to giving every child the opportunity to grow healthy and strong.

Together, let us uplift mothers, protect our children, and build a healthier, brighter tomorrow for all.

Gina A. de Guzman
President, RY 2025-26

Editorial: Caring for Mothers and Children, Building a Healthier Future

April is celebrated in Rotary as Maternal and Child Health Month—a reminder that the health of mothers and children is the foundation of strong families and communities. When mothers are healthy, they can better care for their children. When children are given proper care early in life, they grow stronger, learn better, and have brighter futures.

Rotary gives great importance to maternal and child health because many illnesses and complications can be prevented through proper care, education, and early intervention. Simple actions—like regular check-ups, proper nutrition, and basic hygiene—can save lives and improve the quality of life for both mothers and their children.

In our club, we support this advocacy by focusing on something often overlooked: oral health. We educate mothers and guardians on how to take care of their children's teeth even at a very young age—starting from infancy to toddler years. Healthy teeth are not just about a beautiful smile; they are essential for proper nutrition, speech development, and overall well-being.

Through the dedication of our three Past Presidents who are dentists, our club regularly conducts basic oral health education for children together with their mothers or guardians. These simple sessions empower families with knowledge they can use every day at home.

By guiding mothers and caring for children, we are not just addressing today's needs—we are building a healthier generation for tomorrow. This is the heart of Rotary service: creating lasting change, one family at a time.

A Heartfelt Thank You and a Gentle Reminder

First, we extend our sincere gratitude to all members who consistently pay and update their monthly dues. Your commitment and discipline keep our club strong and allow us to continue our meaningful projects and service to the community.

As reminded by our District Governor, our financial obligations—including our contributions to The Rotary Foundation and the End Polio Plus campaign—are not just requirements, but a shared responsibility as Rotarians. These contributions also help our club qualify for the prestigious District Excellence Award.

May we gently encourage everyone to stay current with their monthly dues. When we contribute, we are not simply spending—we are investing in humanity. Every peso goes a long way in saving lives, promoting health, and creating opportunities for those in need.

Through unity, proper budgeting, and prioritizing what truly matters, we can meet these commitments together. With collective effort and dedication, we are confident that our club will rise to the challenge and continue making a lasting difference.

Thank you for your unwavering support and for truly living the spirit of Service Above Self.

Why Maternal and Child Health is a Priority in Rotary?

Rotary includes Maternal and Child Health as one of its main areas of focus because the health of mothers and children is the foundation of every community. When a mother is healthy, she can take better care of her family. When a child is healthy, they have a better chance to grow, learn, and succeed in life.

In many parts of the world, especially in developing countries, mothers and children still face preventable illnesses due to lack of proper care, nutrition, and education. Some do not have access to basic health services, which puts their lives at risk. Rotary steps in to help by supporting medical missions, health education, vaccinations, and proper nutrition programs.

The goal is simple: to save lives and give every child a healthy start, and every mother the care and support she needs. Even small efforts—like teaching proper hygiene, encouraging regular check-ups, and providing basic healthcare—can make a big difference.

By focusing on maternal and child health, Rotary is helping build stronger families and a better future for communities around the world.

APRIL DESIGNATION IS

MATERNAL AND CHILD HEALTH MONTH

ROTARY INTERNATIONAL

"Every child deserves a chance at a life filled with love, laughter, friends and family."

Marlo Thomas

Rotary

TAKE ACTION: Join Rotary. Get Involved

Icons: A row of six small circular icons representing different Rotary service areas: a hand holding a heart, a person, a lightbulb, a group of people, a book, and a building.

World Immunization Week: Protecting Lives Through Vaccination

World Immunization Week reminds us of one simple truth—vaccines save lives. Through vaccination, we are able to protect children and communities from serious diseases that once caused illness, disability, and even death. It is one of the safest and most effective ways to prevent the spread of disease and ensure a healthier future for everyone.

Vaccination is especially important for children, as it gives them strong protection during their most vulnerable years. With proper immunization, children can grow up healthy, attend school regularly, and live full and productive lives. For families and communities, it means fewer illnesses and a stronger, safer environment.

For Rotary, supporting vaccination is a long-standing commitment, especially through the End Polio campaign. Polio is a preventable disease, and thanks to global efforts, it is now close to being eradicated. Rotary continues to play a vital role in this mission by raising awareness, supporting immunization programs, and funding vaccine initiatives around the world.

“We made a promise to the children of the world and their families. It is incumbent upon us, together with our global partners, to end this threat once and for all.”

**Stephanie Urchick
Past RI President**

In our club, we actively support this cause through our End Polio Coin Banks. This simple yet meaningful initiative encourages members to set aside small amounts regularly, showing that even the smallest contributions can create a big impact. Last April 20, during our weekly meeting, we opened our coin banks and were grateful to collect a favorable amount, which will be donated to the End Polio Fund.

This effort reflects our shared commitment to protecting children everywhere. Every coin, every contribution, and every action brings us one step closer to a polio-free world.

Together, let us continue to support immunization and be part of Rotary’s mission to end polio—because every child deserves a healthy beginning and a future free from preventable diseases.

PRESIDENT/SECRETARY ELECT, CLUB & DISTRICT LEADERSHIP LEARNING SEMINAR 2026

The Rotary Club of Polomolok 101 proudly attended the President-Elect, Secretary-Elect, District & Club Leadership Learning Seminar held on April 16-19, 2026 at The Farm, Koronadal City.

This meaningful three-day event equipped our incoming leaders for the next Rotary year with valuable knowledge, fresh perspectives, and strengthened commitment to lead our club with excellence. Beyond the learning sessions, it was also a time of joyful fellowship—filled with laughter, music, dancing, and meaningful reconnections with fellow Rotarians across District 3860.

Indeed, it was a memorable experience that blended leadership development with genuine camaraderie.

Congratulations to our President-Elect Rtn. Rutcie Tito for successfully completing the seminar, with the support and attendance of Secretary-Elect May, IAG Wang, PP Xavier and Rtn. Rhoda.

We also extend our heartfelt congratulations to our very own PP Wang Rallos on his appointment as Incoming Assistant Governor of Area 2F, and to PAG May for being appointed as District Membership Coordinator and Rotary Action Group member for South Cotabato.

As we move forward, may we continue to serve with passion, lead with purpose, and strengthen the spirit of Rotary in everything we do.

Invocation

Heavenly Father,
We come before You tonight with grateful hearts, thankful for the blessings of Rotary, for the gift of friendship, and for the chance to serve others with love and purpose. Thank You for bringing us together once again as one Rotary family—united in fellowship, guided by service above self.
Bless this gathering, Lord. May our meeting be filled with wisdom, understanding, and meaningful discussion. Inspire us to make decisions that reflect integrity, compassion, and fairness. Help us remember that every plan we make and every action we take is an opportunity to touch lives and make a difference in our community.
Grant us hearts that serve with humility, minds that seek wisdom, and hands that are ready to help. May the spirit of camaraderie and service continue to grow within us, strengthening our commitment to do good in the world.
We entrust this evening and all our endeavors into Your loving hands. Be with us in every word we speak and every deed we do.
We ask all these in the precious name of Your Son, Jesus Christ.
Amen.

The Rotarian Pledge

I am a Rotarian. I will always uphold the truth.
I am a Rotarian. I will always strive to be fair in all my dealings with my fellow human beings.
I am a Rotarian. I will always endeavor to build goodwill and understanding in my community. Among my countrymen, and among peoples of all nations.
I am a Rotarian. I will always seek to promote the greatest good for the greatest number of people in the spirit of Rotary service.
I am a Rotarian. I will always observe Rotary International's motto: Service Above Self.

Rotary

The Four-Way Test

of what we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

ROTARY HYMN

*I want to be, A Rotarian for the world
 Make the Rotary flag, be the flag of peace unfurled
 I will serve my community
 Help to seek international unity
 Thru Rotary, I will dedicate my all
 World understanding shall be my cherished goal*

*Refrain : With the Four Way Test
 I'll pursue my quest
 And I in a way help obtain
 Peace in the world
 Then I won't have lived in vain.*

*I'll observe Service Above Self
 Lend a hand to all who'll need my help
 I'll get my spouse to involve in Rotary
 And in Rotary ways, I will train my family
 (Repeat Refrain - substitute "I" with "We")*

*Build a bridge for tomorrow's youth
 Strengthened by nothing but the truth
 Let's join our hands, there's no reason to divide
 We shall all understand, while the good Lord is our guide
 (Repeat Refrain - substitute "I" with "We")*

*CODA: Peace be achieved
 So we won't have lived in vain.*

The National Rotarians World

DECLARATION FOR ROTARIANS IN BUSINESS AND PROFESSIONS

As a Rotarian engaged in a business or profession, I am expected to:

- Consider my vocation to be another opportunity to serve;
- Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
- Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
- Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
- Recognize the honour and respect due to all occupations which are useful to society;
- Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
- Adhere to honesty in my advertising and in all representations to the public concerning my business and profession;
- Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

Rotary 

THE FOUR-WAY TEST
 of the things we think, say or do

- 1 Is it the **TRUTH**?
- 2 Is it **FAIR** to all concerned?
- 3 Will it build **GOODWILL & BETTER FRIENDSHIPS**?
- 4 Will it be **BENEFICIAL** to all concerned?

The Rotary Club of Polomolok 101: A Legacy of Service

The Rotary Club of Polomolok 101 was officially chartered by Rotary International on August 31, 2005, through the dedicated efforts of its mother club, the Rotary Club of Midtown General Santos. While initial attempts to establish a Rotary club in Polomolok began as early as February 2003, it was only in January 2005 that persistence bore fruit. With the support of Rotary Club of Midtown General Santos, Omar Gallinero was appointed as the club's Charter President, leading 25 charter members from diverse professional backgrounds. The club was established under the leadership of then-District Governor Len Magno of District 3860.

The number 101 in the club's name holds special significance. First, it marks the club's founding during Rotary International's 101st anniversary. Second, it represents the club's distinction as the 101st chartered club under District 3860.

Registered under District 3860, Area 2F with Club Number 70517, the Rotary Club of Polomolok 101 continues to thrive, powered by a dedicated team of 26 committed individuals who embody the spirit of service above self.

Mission Statement

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Vision Statement

"Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves."
