RI President's Message

May 2026

Shoki Wafula did not know what to expect when he was forced to leave his birth country of Uganda for South Africa. What he found was a Rotary community that welcomed him with warmth and friendship. That experience inspired him to help create a Rotaract e-club where young leaders from around the world could connect, develop their skills, and serve together. Today, that community includes members across multiple continents who collaborate on leadership development, peacebuilding, and service initiatives. For Wafula, the experience reinforced the lesson that meaningful service begins with people who feel connected, valued, and empowered to lead.

His story reminds us why Youth Service Month is so important. Through Rotaract and programs like Rotary Youth Exchange, young people build leadership skills, develop global understanding, and discover the impact they can make through service.

Rotary's Action Plan calls on us to enhance participant engagement. At its heart, that goal asks a simple question: How can we ensure that participation in Rotary is meaningful and fulfilling for everyone? Youth programs and Rotaract provide a powerful answer.

When clubs mentor Rotaractors, host exchange students, or support youth leadership initiatives, they create opportunities for members to share their experience in ways that feel personal and rewarding. These connections deepen members' sense of purpose and strengthen the bonds within our Rotary family.

They also create lasting pathways into Rotary. Thousands of young people complete Rotary programs each year, and they carry those experiences with them throughout their lives. Many remain eager to stay connected.

Organizations such as Rotex International, an association of former Youth Exchange students, help Rotary program alumni continue serving as mentors, leaders, and advocates for our youth programs. As Rotex co-founder Hans Lee wrote in a recent reflection on Youth Exchange alumni, "exchange doesn't end when you return home."

When we welcome these young leaders into our clubs and activities, we strengthen the continuity of Rotary across generations.

During Youth Service Month, I hope every Rotary club reflects on how youth programs can enhance engagement for new and longtime members. Collaborate on service projects and invite youth voices into your planning and decision making.

Rotary's message to the world is that we can Unite for Good. Youth programs show us how that happens in practice – when generations come together, share ideas, and work side by side in service.

When we invest in young people, we are not only shaping future leaders. We are building a stronger, more connected Rotary today.

My heart is full—full of gratitude, wisdom, love, and joy

Recently, at the District Convention 3860 held in Cebu, I can say I officially graduated from my role as President of the Rotary Club of Polomolok 101. The convention was a meaningful gathering of Rotarians from across the district, providing an opportunity to reconnect with fellow Rotarians, celebrate our accomplishments, and strengthen the bonds that unite us in service.

One of the highlights of the convention was the Awards Night, where our District Governor, Angel "Jhong" Fernandez, recognized the efforts and dedication of club leaders throughout the district including myself. It was a proud and humbling moment not only for me but for our entire club. I was especially delighted to witness the Rotary Club of Polomolok 101 recognized and awarded, along with our members whose generous contributions continue to support The Rotary Foundation and its life-changing work around the world

Leading a club composed of individuals with diverse personalities, perspectives, and strengths is never an easy task. Yet, despite our differences, we have remained united by one common purpose—to serve our community and make a positive impact in the lives of others. Because of this shared commitment, we have built a culture of cooperation, understanding, and teamwork that has allowed us to accomplish meaningful projects and create lasting change.

To my Rotary Club of Polomolok 101 family, thank you from the bottom of my heart. Thank you for your trust, unwavering support, dedication, and friendship throughout this Rotary year. Every success we achieved was the result of our collective efforts and our belief in the power of service above self.

As we enter the final month of this Rotary year, I encourage each one of us to remain engaged and continue the work we have started. Let us also extend our full support to President-Elect Rutcie as he prepares to lead our club into another year of service, growth, and impact beginning this July.

Together, let us continue to inspire hope, strengthen our communities, and uphold the values that make Rotary a force for good.

With gratitude and pride,

Gina A. de Guzman
President, Rotary Club of Polomolok 101

Editor's Note

The month of May holds special significance for Rotary District 3860 as it marks the much-anticipated District Convention—a celebration of fellowship, service, and achievement. This year, ten members of the Rotary Club of Polomolok 101 had the privilege of attending this remarkable gathering, and it certainly lived up to our expectations.

The convention was nothing short of grand and inspiring. More than just a formal event, it was a meaningful opportunity to reconnect with fellow Rotarians from across the district, share experiences, celebrate accomplishments, and strengthen the bonds that unite us in our commitment to Service Above Self. Under the dynamic leadership of District Governor Angel "Jhong" Fernandez, the event showcased the very best of Rotary—passion, dedication, and a shared desire to create positive change in our communities.

Among the most memorable moments of the convention was the recognition of clubs and members whose efforts have contributed to the growth and impact of Rotary. It was both a humbling and proud experience for our club to be called to the stage and recognized for our support of The Rotary Foundation. Such recognition reflects not only our financial contributions but, more importantly, our collective commitment to transforming lives through Rotary's humanitarian programs and initiatives around the world.

Equally significant was the presentation of the prestigious Club Excellence Award, received by our President, Gina de Guzman, on behalf of the Rotary Club of Polomolok 101. This recognition is a testament to the hard work, dedication, and unwavering commitment demonstrated by our members throughout the Rotary year.

While we may be considered a small club in terms of numbers, we firmly believe that our strength lies in the quality of our membership. The men and women of the Rotary Club of Polomolok 101 generously contribute their time, talents, resources, and hearts in service to others. Their dedication continues to make a meaningful difference in our community and serves as an inspiration to those around us.

As we celebrate these achievements, we also recognize that every award and milestone represents the collective efforts of our members working together toward a common purpose. These accomplishments motivate us to continue serving with passion, integrity, and excellence.

Congratulations to the Rotary Club of Polomolok 101. May we continue to uphold the ideals of Rotary, strengthen our fellowship, and remain steadfast in our mission of making a lasting impact in the lives of those we serve.

Jc:b well done, RCP 101!

As we approach the final two months of this Rotary year, we would like to extend our heartfelt gratitude to all members who consistently and faithfully pay their monthly dues. Your continued support and commitment greatly help sustain the operations, projects, and service initiatives of our club.

At the same time, we warmly appeal to members who may still have unsettled dues to please take this opportunity to update their payments. Paying our monthly dues is more than just a responsibility — it is an investment in the future and strength of our club. Every contribution, no matter how small, helps us continue our mission of service and creates a lasting impact in our local and wider communities.

Let us work together to end this Rotary year strong, united, and financially prepared for more meaningful projects ahead. Now is the perfect time to settle any remaining dues and continue supporting the good work of our club.

Thank you for your generosity, cooperation, and unwavering dedication to service above self.

Why Is Youth Service Month Important to Rotary?

by: PAG Alan Ines

Youth Service Month is an important celebration in Rotary because it recognizes the vital role of young people in building a better future. At the club and district level, Rotary gives importance to Youth Service by encouraging programs and activities that help develop leadership, confidence, responsibility, and a heart for service among the youth.

Through projects, mentoring, school activities, youth camps, leadership seminars, Interact and Rotaract programs, Rotary helps guide young people to become active and compassionate leaders in their communities. By investing time and support in the youth today, Rotary is helping shape future leaders who will continue the mission of service above self.

Youth are not only the leaders of tomorrow – they are partners in service today. That is why Rotary continues to empower, inspire, and support the younger generation through meaningful opportunities for growth and community involvement.

RCP 101 COMPASSION IN ACTION: FREE ANTI-RABIES VACCINATION DRIVE

On May 6, 2026, nearly a hundred dogs and cats benefited from our Free Anti-Rabies Vaccination Drive – a meaningful initiative that reflects our club’s commitment not only to public health and community safety, but also to compassion for the animals that bring joy, comfort, and unconditional love into our lives.

Many members of the are proud fur parents ourselves. We understand the deep bond between people and their pets. To many families, dogs and cats are not merely animals – they are loyal companions, protectors, stress relievers, and cherished members of the family. Because we genuinely care for the welfare of our beloved pets, we initiated this project with hearts full of compassion and responsibility.

Rabies remains one of the deadliest yet most preventable diseases affecting both animals and humans. Through responsible pet ownership – especially regular vaccination – we help protect not only our pets, but also our children, neighbors, and the entire community. Every vaccinated pet represents a step toward a safer and healthier environment for everyone. This project is also a reminder that caring for animals is part of building a compassionate and responsible society.

Beyond providing free vaccinations, this activity also aimed to raise awareness among pet owners about the importance of proper pet care, regular health monitoring, and responsible ownership. We believe that communities become stronger when people learn to care not only for one another, but also for the animals that depend on us.

The Rotary Club of Polomolok 101 continues to extend its service beyond traditional community programs by embracing causes that promote both human and animal welfare. Because for us, a truly safe and caring community is one where both people and pets are protected, valued, and loved.

Our heartfelt gratitude goes to Mr. Samson C. Domaoan, Head of the Office of the Municipal Agriculturist (OMAG), whose guidance, support, and partnership were instrumental in making this meaningful project possible. We also thank all the volunteers, pet owners, and supporters who participated and shared in this advocacy.

Together, through compassion, responsibility, and collective action, we continue to unite for good – one life, one pet, and one community at a time.

RCP 101 IN ACTION: REACHING HEARTS, RENEWING HOPE

Because we believe that every child deserves love, hope, and a second chance, we once again visited the Children in Conflict with the Law (CICL) under the care of the MSWDO Polomolok on May 23, 2026. This annual activity has become one of the most meaningful projects of the Rotary Club of Polomolok 101 as we continue to reach out to these young individuals—not to judge them for their past mistakes, but to remind them that they are still valued, cared for, and capable of becoming better persons in the future. Sometimes, a simple visit, a listening ear, and words of encouragement can give hope to a child who feels forgotten by society.

To make them feel special and loved, we shared a joyful meal together filled with Chickenjoy, delicious food, cake, and ice cream—turning the day into a simple feast that brought genuine smiles to their faces. Seeing their happiness and hearing their laughter reminded us that kindness and compassion can truly touch lives.

We also donated pre-loved clothes for them to use, as well as much-needed basic dining utensils such as spoons, forks, plates, and cups, knowing that even small necessities can make a difference in their daily living conditions.

More than the material things we shared, we hope that our visit inspired them to keep believing in themselves, to choose a better path, and to never lose hope for a brighter future.

Indeed, it is a fulfilling feeling to bring joy and encouragement to these children in our own little way. Through compassion, understanding, and love, we continue to remind them that they are never alone and that there will always be people willing to care and believe in them.

The Rotary Club of Polomolok 101: A Legacy of Service

The Rotary Club of Polomolok 101 was officially chartered by Rotary International on August 31, 2005, through the dedicated efforts of its mother club, the Rotary Club of Midtown General Santos. While initial attempts to establish a Rotary club in Polomolok began as early as February 2003, it was only in January 2005 that persistence bore fruit. With the support of Rotary Club of Midtown General Santos, Omar Gallinero was appointed as the club's Charter President, leading 25 charter members from diverse professional backgrounds. The club was established under the leadership of then-District Governor Len Magno of District 3860.

The number 101 in the club's name holds special significance. First, it marks the club's founding during Rotary International's 101st anniversary. Second, it represents the club's distinction as the 101st chartered club under District 3860.

Registered under District 3860, Area 2F with Club Number 70517, the Rotary Club of Polomolok 101 continues to thrive, powered by a dedicated team of 26 committed individuals who embody the spirit of service above self.

Mission Statement

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Vision Statement

"Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves."
