President's Notes

Dear Fellow Rotarians and Friends,

October has truly been a remarkable month of service, fellowship, and purpose for the Rotary Club of San Juanico Tacloban. Each project and event reflected our shared passion for community, wellness, and the Rotary spirit of "Service Above Self."

Our journey began with pride and inspiration as our members participated in the District Awards – Magical Rendezvous at Bai Hotel, Cebu. It was a meaningful celebration of fellowship and recognition — a moment to honor the collective efforts of Rotarians across the district who continue to create lasting change in their communities. The event reignited our passion for service and strengthened our sense of belonging to the greater Rotary family.

Continuing the momentum, we embarked on an initiative that celebrated both wellness and environmental stewardship — the "Hike to Heal, Hike to Preserve" in collaboration with Rotaract San Juanico. Our trek to the scenic Beluga Falls in Salvacion, Tacloban symbolized our club's dedication to protecting nature while promoting health and camaraderie. It was a refreshing experience that reminded us how caring for the Earth goes hand in hand with caring for ourselves.

Mid-month, our commitment to Rotary's global causes shone once again through the Patak Polio Campaign at Baluarte Gym, where we joined hands in supporting the worldwide effort to finally end polio. This advocacy continues to be a cornerstone of Rotary's mission — one drop at a time, one child at a time, one step closer to a polio-free world.

We also held our 8th Regular Meeting at the Clubhouse — a time for reflection, evaluation, and planning as we continue to build stronger projects and partnerships. Such meetings remind us that fellowship is the foundation of effective service.

To bring energy and joy to our advocacy, we held a Zumba for a Cause at RTR Plaza, proving that service can be fun, inclusive, and empowering. This event encouraged fitness and unity while raising awareness for community-driven causes.

Capping off our October journey were two impactful initiatives — Project Xavier and the Breast Cancer Awareness Campaign in Julita, Leyte. These meaningful activities combined advocacy, compassion, and partnership with the local government, highlighting our continued commitment to health and education. By empowering individuals through awareness and early detection, we are not only saving lives but also spreading hope where it matters most.

Each of these undertakings embodies Rotary's Areas of Focus — promoting good health, protecting the environment, and building sustainable communities. I am deeply grateful to our members, partners, and volunteers whose dedication made these projects possible.

As we move forward, let us continue to lead with empathy, serve with purpose, and inspire with action. Together, we build a stronger, healthier, and more compassionate community — one project at a time.

R.I. PRESIDENTIAL MESSAGE

October 2025

October is Rotary's Community Economic Development Month, a time to spotlight our efforts to help communities build thriving, sustainable futures. This month's observance aligns perfectly with the Rotary core value of leadership.

Leadership means empowering people to guide their own progress. That is precisely what Rotary's economic development projects aim to achieve.

Take, for example, a recent initiative in southern India in which Rotary members unlocked the power of women of the Adivasi tribal groups through sewing training to earn a living and regain social inclusion. Historically, widows and abandoned women in this region lose social standing and are shunned by society or blamed for their misfortunes. Opportunities to support themselves or obtain training are minimal.

FRANCESCO AREZZO

Rotary International

President Rotary Year 2025-2026

This year, the Rotary Club of Windsor Roseland, Ontario, partnered with clubs in Districts 3203 and 3234 in India — and with the Indian organization Sevalaya Trust — to provide sewing machines and training to 80 Adivasi women. They learned to stitch saree blouses, kurta tunics, and salwar suits, enabling them to support themselves and their families. Each woman received a certificate for completing the program, and the sewing-machine provider offered free long-term maintenance for the machines. The project offered vital income and dignity to women ostracized by society after widowhood.

This story is one example of Rotary leadership in action: local people guiding solutions that address their community needs. Our role is not to deliver charity or to impose outside models, but to foster self-reliance by investing in leadership, skills, and sustainable enterprise.

This October, I invite Rotary members worldwide to reflect on economic leadership in their communities. Who is stepping forward to lead local economic initiatives? Where is there untapped talent that could be supported with training or mentorship? How can your club catalyze opportunity through partnerships with local businesses, vocational schools, or savings groups?

Leadership is not always about being visible. Sometimes it means listening, working collaboratively, and amplifying the voices of others. That approach lies at the heart of Rotary's philosophy and our lasting impact on economic development.

By building capacity — whether through microcredit groups, vocational training workshops, or entrepreneurship programs — we enable communities to lead their own transformation. When people take ownership of their progress, change becomes sustainable.

Let us lead with good intention and provide support with heart. By nurturing local leadership, we can create opportunities that ripple through communities, empowering individuals, families, and societies.

Together, we can support economies that work for everyone and enact community development projects that last.
